In this class, competitors may be asked to side pass, hand gallop (in three-speed classes), pivot, back up, lead change (in three-speed classes), extend trot, counter canter, or lope (in three-speed classes), etc.- The class is judged on performance and manners.

3. Activity risk

I understand that horseback riding is a rugged adventure, recreational sport activity. I am aware that there are numerous obvious and non-obvious inherent risks of serious injury or death, or property damage, to me or my horse, which are always present in NEGHC activities, on or near horses. I understand that pregnant women are specifically advised not to ride horses.

4. Nature of Horses

I understand that no horse is completely safe, and the Release Parties make no representation or guarantees regarding the safety, training or suitability of any horse. Horses are more powerful, and faster than a human. If I fall from a horse to the ground, the impact will typically injure me. A horse may divert from its training and act according to its natural survival instincts and may abruptly change directions or speed up, trip, slip, fall, stop short, shift its weight, buck, rear, kick, bite, spook, or run from what it perceived to be danger if it is frightened or provoked, or for no reason whatsoever.

5. Conditions of Nature & Locations

I agree that Release Parties are not responsible for acts, occurrences or elements of nature or a particular location that can injure a person or scare a horse, cause it to trip, fall or react in some other manner. These elements include thunder, lightning, rain, wind, wild and domestic animals, insects, other people and horses, and wild animals which may walk, run, fly near, bite and/or sting a horse or person, irregular footing on groomed or wild land which is subject to constant change according to weather temperature, natural and manmade objects. The Released Parties have not inspected, and make no representations or warranties concerning the safety or condition of, any trail, camping site, arena and/or other location of NEGHC events.

6. Helmet Warning

I am aware that protective headgear which meets or exceeds the quality standards of USPC (Pony Club) ASTM/FEI certified equestrian helmets should be purchased and worn by me and/or my child while riding and being near horses, and the wearing of such helmets may reduce the severity of some head injuries and may prevent my serious injury or death as a result of a fall or other occurrence. If I (as an Adult rider) Do not wear a helmet, it is because I so choose.

7. COVID-19 Waiver

By signing this document, you are also acknowledging that an inherent risk of exposure to COVID-19 exists in any public place where people are present. By attending this event, you and any guests voluntarily assume all risk related to exposure to COVID-19 and agree not to hold Released Parties, Board Members or affiliates of the NEGHC liable for any illness or injury or death.

Under the NY inherent risk law (S.1152/A.559) an equine professional is not liable of injury to/or the death of a participant in an equine activity resulting from an inherent risk of the equine activity.

I have read, understood and voluntarily agree to this waiver & release.
