GR1 - DEFINITIONS

of the Federation's rule change process, subject to review and approval by the Board of Directors. Rule Change Categories: Standard, Clarification, Extraordinary, and FEI.

1. Standard Rule Changes. Individual Federation members, Federation Staff, Federation Committees, and Recognized Affiliate Associations (Recognized Associations and International Discipline Associations) may propose standard rule changes.
 - a. Standard rule changes must be submitted to the Federation in writing on the USEF official form within the following deadlines in order to be considered within the current rule change year.
 1. Individual Federation members June 1
 2. Federation Senior Staff June 1
 3. Federation Committees September 1
 4. Affiliated Entities (Bylaw 221) September 1
 5. Recognized Affiliate Associations (Bylaw 222) September 1
 - b. The proponent's name must be clearly listed on the official rule change form. When the proponent is other than an individual, such submissions shall be accompanied by minutes or certification signed by the Committee Chair or Recognized Affiliate Association's President that document the review and action taken at a meeting.
 - c. The Legislative Committee may reject a proposal for:
 1. failure to comply with the requirements of the official form;
 2. lateness;
 3. incompleteness;
 4. inexact or confusing language;
 5. a proposal that was disapproved the prior year;
 6. attempts to amend a rule or rules in effect for less than a year;
 7. proposing to change a rule that is solely within the Federation's purview
 8. any other specified reason in the Committee's discretion.
 - d. In the event the Legislative Committee rejects a proposal, the proponent must be notified in writing. Proponents of a rejected proposal may revise and resubmit a proposal.  - e. The Legislative Committee will designate review of the proposed rule change by any and all standing Federation Committees and each assigned entity deemed appropriate.
2. Rule Clarifications:
 - a. Contradictory language, missing or incorrect phrasing, and other wording or punctuation errors that cause inconsistent interpretations of the intent of a rule, may be clarified via a Federation Official Rule Clarification form. This form will be submitted to the Rule Change Coordinator, who will obtain comments from relevant Federation Departments and Committees.
 - b. The General Counsel, with the approval of the Legislative Committee, may approve clarifications and post them on the USEF website and include them in the next available Federation Rule Book. The General Counsel may immediately correct misspelled words, minor punctuation errors, missing or incorrect references and other similar clarifications deemed minor.
3. Extraordinary Rule Changes.
 - a. An Extraordinary rule change is defined as: (i) one that, unless expedited, would create or continue a severe hardship or a gross unfairness to the Federation, its members or their horses, its Licensed Competitions, or its Recognized Affiliate Associations; or (ii) one that is certified by a Recognized Affiliate Association Board or Executive Committee by a formal vote that without passage would disadvantage the membership of the Recognized Affiliate Association. The rule change proposal form MUST contain a statement describing clearly how the proposed change meets the above criteria. The Rule Change Coordinator must then get certification that the

proposed extraordinary rule change in fact, does meet the necessary criteria to bypass the normal rule change process. Such certification will come from the Legislative Committee in conjunction with the General Counsel, or at least two USEF Officers.

- b. Once the proposal is certified, and with a required minimum five business days notice, the Board of Directors at any meeting may entertain and take immediate action on such an Extraordinary Rule Change. However, the five-day notice requirement may be waived upon the affirmative vote of a majority of the Board present with the reasons for the waiver stated in their meeting minutes.
 - c. Extraordinary Rule Changes shall be effective as specified by the Board and if not specified, shall be effective immediately upon passage.

d. Date Rotation. For competitions beginning December 1, 2008 or later, the following provisions will be in effect:

1. For the 2009 competition year and thereafter, comparable dates will be based on a competition's 2006 dates using the Memorial Day Date Rotation Axis. Under the Memorial Day Date Rotation Axis, all Federation competition dates rotate in conjunction with Memorial Day.
2. For the 2009 competition year, any competition that did not hold a license for the 2006 competition year, but received a license for the 2007 and/or 2008 competition year, will have priority over new competitions requesting dates. However, competitions with licenses for the 2006 competition year will have priority over any of the above mentioned competitions.

The Federation will provide Licensees with online access to review their entire competition accounts.

4. A Licensee may request an account review from the Federation. The request must be submitted in writing and a fee for each competition and each requested account review year will be charged. An account review is an investigation into a Licensee's financial dealings with the Federation. If material staff error is discovered, the fee will be refunded.

A competition disputing that the invoice and/or the fine is properly owing may appeal in writing to the Federation within 30 calendar days of management's receipt of the Federation's notice of billing and/or fine, specifying the grounds for the appeal. The Federation's CEO or his designee, a special committee appointed by the president or the Hearing Committee will consider the appeal and may waive part or all of the billing and/or fine upon a finding of good cause why the evidence of insurance was not filed timely and/or a finding that extreme hardship results from the automatic penalty.

GR304 Competition Sale and Issuance of a New License

1. A Federation Competition License is the Federation document giving a Licensee permission to conduct a Federation event on a given date, at a given venue, and at a given rating and/or level.
2. Competition Sale. A Licensee does not own the Competition License. A Federation Competition License is a governance tool and not a commodity. As such, a sale of a competition should be contingent on Federation approval and issuance of a new license.
3. Issuance of a New Competition License. The granting of a new license to a Purchaser Licensee will not be unreasonably denied, subject to certain conditions or criteria including date, venue, rating, and/or level of the competition and completion of applicable forms and submission of a fee. The Purchaser Licensee will retain the applicable Priority Date Holder protections of the Seller Licensee. The Issuance of a new Competition License is subject to the following terms and conditions:
 - a. The issuance of a new Competition License due to a competition sale is subject to the approval of the Federation, following consultation with the applicable Recognized Affiliate;
 - b. The final decision to approve or deny the issuance of a new Competition License is at the sole discretion of the Federation;
 - c. In considering the approval or disapproval of the issuance of a new Competition License, the Federation shall consider the best interest of the sport including consideration of the growth and development of the sport. The Federation may consider concentration of dates in the control of a single Licensee or group of related Licensees when determining the appropriateness of the issuance of a new competition license;
 - d. The Purchaser Licensee must have demonstrated an ability to comply with rules, requirements, and standards that are in effect or established for the Competition Rating and/or Level at the time the issuance of a new Competition License;
 - e. Both the Seller and the Purchaser of the competition must disclose all proposed terms of the competition sale and must apply and obtain Federation approval before the issuance of a new license can be completed. All information will be considered confidential. Prior to any such approval or denial by the Federation, the Recognized National or FEI Affiliate, if any, may be consulted in regard to the request for issuance of a new license. The Federation may share, on a confidential basis, with the Recognized National or FEI Affiliate all of the terms or conditions of the issuance of a new Competition License, and all special conditions or other considerations.

GR3 - COMPETITION LICENSING

Such approval or denial by the Federation shall not subject the Federation to any liability or obligate it to any third party. Both Seller and Purchaser of the competition must agree to indemnify and hold harmless both the Federation and the Recognized National or FEI Affiliate from any liability or legal expense arising from approval or denial of the agreement. Failure to completely disclose terms and conditions of a competition sale may result in termination of the License by the Federation and any sanctions, penalties, or other remedies available to the Federation.

4. The Seller Licensee shall remain financially responsible until the following conditions are met:
 - a. Payment of the applicable fees;
 - b. The Federation issues written approval of the issuance of a new competition license; and

GR305 Cancellation of Competitions

1. A Licensee may cancel an existing Licensed competition by notifying the Federation of the cancellation and returning the License to the Federation not less than 300 calendar days prior to next competition date under the License.
 - a. When a Cancellation is received more than 90 calendar days but less than 300 calendar days prior to the first day of the competition date under the License, 75% of competition dues will be refunded, subject to a minimum processing fee.
 - b. If written notice of a cancellation is received less than 90 calendar days prior to the first day of the competition, the Licensee will forfeit the application fee and will also be assessed a penalty fee equal to that of the minimum competition dues, unless the cancellation is due to an Act of God under GR305.4.
2. If a licensed competition is cancelled for two consecutive years for a reason other than an act of God, or due to extenuating circumstances approved by the CEO or his Designee, the applicable license will not be eligible for renewal.
3. Cancellation of 50% or more of Open Dressage classes as listed in the prize list by any Recognized competition for two consecutive years for any reason other than Acts of God shall constitute relinquishment of comparable dates and loss of priority date status.
4. Competitions declaring cancellation due to an Act of God must provide written documentation, such as newspaper articles or photographs of the extenuating circumstances. Absent severe and unusual circumstances, such as hurricane winds, floods, tornadoes, or blizzards, weather conditions shall not be considered Acts of God. The CEO or his designee shall decide whether a cancellation is due to an Act of God. Any Licensee that cancels three or more competitions in a competition year shall not have priority for comparable dates for the cancelled competitions for the following competition year. However, this provision shall not be applicable to a competition cancelled due to an Act of God, loss of a facility, or due to extenuating circumstances, based upon a review by the CEO or his designee.

GR306 Inactive Competitions

1. Any Licensed Competition held the previous year that notifies the Federation at least 120 days prior to its competition date that it will not hold a competition that year, may retain Inactive status for a fee in addition to the application and/or competition fees. In such cases, the renewal license application will be subject to the current fees.
2. An Inactive Competition will be listed as "Inactive" on the Federation website and other Federation competition lists, and will retain its date priority for the following year, provided it meets the applicable date and competition requirements of the Federation.
3. If an Inactive Competition cancels the following year, that cancellation will constitute a second cancellation in a row per GR305, and the applicable license will be revoked and not eligible for renewal. This provision shall not be applicable to a competition cancelled due to an Act of God or due to extenuating circumstances approved by the CEO or his designee.

GR311 Awards Rating Classifications

1. For the purpose of equalizing competitions for the National Horse of the Year Awards, divisions and sections of Regular Competitions fall into one of three classifications: "A", "B," or "C" rated.
2. In the Hunter division, the Increment System will determine points for ribbons won in any rated section. The point value for ribbons won in "A", "B," or "C" rated hunter sections is determined according to the Increment System utilizing a combination of the base points for each placing at each level of section rating and adding one point for each entry shown in the first performance class.

- a. In the Green Hunter 3'0", 3'3", 3'6" and 3'9", Young Hunter 3'0", 3'3" and 3'6", High Performance Hunter, Performance Hunter 3'3" and 3'6", Green Conformation Hunter 3'6" and High Performance Conformation Hunter, standings for the National Horse of the Year Awards based on money won will be determined by dollars won in the horses respective sections. See GR1131. *BOD 11/7/16 Effective 12/1/16*

GR312 Determining Ratings

1. A division or section rating or classification is determined from the number of classes, amount of cash premiums offered in these classes and the holding of required classes in certain divisions. A competition may not offer the minimum requirements for a rating higher than the rating approved by the Federation. See Ratings Charts.
2. A competition may qualify for several different ratings. Some competitions will earn an "A" or "B" rating in all divisions and sections; others may earn a combination of ratings. If more than the minimum number of classes is offered, prize money should be increased proportionately.
3. The Paso Fino Division is rated "C" regardless of the number of classes or amount of prize money offered. A competition may apply for an "A" rating if offering a minimum of \$2,000 and prior year competition had more than 250 horses. The PFHA National show shall be an "A" rated Federation Licensed Competition as per PF152.1i. Exception: the Paso Fino Division may be offered at Local Competitions.
4. In Stake classes in "A" and "B" divisions or sections competitions must guarantee amount offered as prize money except where the monies offered in other classes are sufficient to meet the Horse of the Year Award minimum requirements. In such cases Stake classes may run as sweepstakes.
5. The Connemara and Half-bred Connemara is "C" rated, regardless of the number of classes or amount of prize money offered. Exception: the Connemara and Half-bred Connemara Division may be offered at local competitions.
6. The following are rated "C" regardless of the number of classes or amount of prize money offered: Small Hunter, Hunter Breeding, Ladies Side Saddle Hunter, Adult Amateur Hunter, Children's Hunter, USHJA Hunter 2'0", 2'3", 2'6", 2'9", 3'0" and Thoroughbred Hunter.

 - a. Breeding;

SUBCHAPTER 3-C COMPETITION MILEAGE

GR314 Mileage

1. Determining Applicable Mileage.
 - a. Mileage is applied Division by Division as defined in the Federation rule book.
 - b. To determine a mile radius, the distance shall be measured using mapping software to measure the distance between the locations where the competitions are being conducted. (i.e. address of the facility where each of the

GR3 - COMPETITION LICENSING

competitions will be held or the longitude and latitude if an exact address does not exist), except between Long Island and the mainland. Application of this process will not adversely affect the license rights of competitions already licensed.

- c. In any instance where the shortest road mileage distance between the competition facility locations is greater than one and one half (1 1/2) times the radial mileage between the competition facility locations, the required mileage distances between competitions shall be based upon the road mileage distance rather than radial mileage.
- d. Mileage between competitions within Zones or Regions utilizing different mileage will be subjected to the higher of the mileage requirements.
- e. Long Island, N.Y. The distances between competitions held on Long Island, NY, and competitions held on the mainland shall be determined by measuring a straight line distance from the point at which Interstate Highway 278 (across the Triborough Bridge) intersects the shore of Long Island, to the location where the Long Island competition is being conducted. (i.e. address of the facility where each of the competitions will be held or the longitude and latitude if an exact address does not exist) and by measuring the mile radius from the bridge to the location where the other competition is being conducted. (i.e. address of the facility where each of the competitions will be held or the longitude and latitude if an exact address does not exist) Application of this process will not adversely affect the license rights of competitions already licensed.
- f. If the mileage between competitions is less than the applicable distance specified by this rule, conflicting dates may be approved by USEF in accordance with GR308, and providing all other requirements for recognition are met.
- g. New competitions offering Level 4, 5 or 6 (A or AA) rated hunter or jumper divisions or sections will not be licensed on dates conflicting with those of any other Licensed Competition within the applicable distance specified by this rule which offers Level 4, 5 or 6 (A or AA) rated hunter or jumper divisions or sections, regardless of class scheduling. In the case of a multi-breed or multi-discipline competition, a question of conflict shall be determined with reference only to those dates, inclusive, during which hunter or jumper divisions or sections are to be held. The mileage restrictions will not prevent two Hunter/Jumper competitions from being approved if the two competitions have different competition managements and the competition with priority gives written permission, to be renewed annually, and the mileage distance between competitions is at least 10 miles. (paragraph g.is eliminated effective 12/1/17)
- h. The foregoing distance rules do not apply to events comprised exclusively of classes recognized by the FEI and the USOC. The National Championships for Dressage, and Dressage Competitions offering Federation High Performance qualifying or selection trials, or observation classes and National classes held in conjunction with a CDI are exempted from the mileage rule. When a CDI is approved on one or more days where another competition has date priority, national classes can only be held on the day of the FEI Jog and on days where at least one CDI class is held or is not held due to no entries. When CDI classes are not held on all approved CDI dates (except due to no entries) the competition might not be granted approval for those dates in subsequent years. Certain competitions held in conjunction with events also holding FEI competitions and/or selection trials for international competitions, at the discretion of the Board of Directors, may be exempted from the mileage rule.
- i. Existing competition is a licensed competition that may or may not be within the mileage indicated of the new license applicant.
- j. Proposals to change mileage rule or rules may be submitted for consideration by the Federation Board of Directors. Any such mileage rule change will have an effective date of December 1 of the following calendar year. In no event will changes to mileage become effective in less than 12 months from the date of the rule change approval. Proposals for mileage rule changes submitted by Affiliates may only be considered after they have been

considered at the annual meeting of the appropriate recognized National Affiliate.

2. Mileage Boundaries. Mileage consideration may be applicable to more than one mileage provision.

a. The below divisions will be conducted under the following mileage:

1. Andalusian/Lusitano: 250 miles;
2. Arabian: 250 miles;
3. Friesian: 250 miles;
4. Hackney: 100 miles;
5. Morgan: 100 miles;
6. National Show Horse: 50 miles;
7. Roadster: 100 miles;
8. Shetland: 100 miles;
9. American Saddlebred: 100 miles;
10. Local Regular: Any breed competition restricted to one breed or multi-breed competition including any of the above listed breeds (1-9), regardless of number of classes offered: 50 miles;
11. Western Dressage: 100 miles.

b. Mileage Boundaries for Hunter and/or Jumper Sections.

1. Hunter and/or Jumper competitions are categorized by Rating and/or Level. Additional criteria required for each Rating and/or Level in the Hunter and Jumper Mileage Charts can be found on the Federation website at www.usef.org under Competitions.
2. Jumper Levels are based on the prize money offered. See JP104.
3. Hunter mileage shall be independent of the Jumper mileage and applied separately to each division of a competition.
4. The distances between Licensed Competitions held in USHJA Zones 1 & 2 (ME, NH, VT, MA, CT, RI, NJ, NY, and PA) offering hunter or jumper divisions shall be in accordance with the mileage tables (H1 & J1) shown below effective 12-01-08.

GR315 Mileage Exemption

1. Federation Objective. One objective of the Federation is to provide a competition environment that is in the best interest of the sport of Equestrian and to provide for viable competitions to meet the needs of the sport at all levels within a geographic area. The Federation utilizes mileage as a method of managing the calendar and to assist in achieving an adequate base of competitors, thus enabling a competition to better meet the rules, requirements, and standards for a given rating or level. The licensing authority, licensing decisions, and calendar management rest solely with the Federation.
2. Mileage Exemption. When a competition license application is denied by the Federation due to a mileage conflict, the Applicant may seek a mileage exemption to allow the applying competition to occur. The Federation will send a Mileage Exemption Request Form along with the notification of denial to the Applicant.
3. The Federation may consider different circumstances in determining whether a mileage exemption is warranted. These include, but are not limited to, the following:
 - a. Competition Standards: Priority Date Holder’s adherence to competition standards.
 1. Whether the Applicant competition may alleviate concerns about the safety and welfare of horses, competitors, and/or spectators for a given rating and/or level at a Priority Date Holder’s competition;
 2. Whether the Applicant competition may enable a Priority Date Holder to better achieve the competition standards for a given rating and/or level;
 3. Whether the Applicant competition may alleviate overcrowding of horses and/or competitors in a given geographic area at a given venue.
 - b. Competition and Calendar Factors:
 1. Whether the Applicant competition provides access to competitors that may need a choice based on a Priority Date Holder’s costs to competitors or offered ratings and/or levels;
 2. Whether the Applicant competition serves a need that the Priority Date Holder does not serve as to the schedule of classes, sections, and divisions, which may be too limited;
 3. Whether the Applicant competition should be given an opportunity to enter the marketplace where a Priority Date Holder seemingly dominates the calendar in a given geographical area, which may create unilateral competition effects;
 4. Whether the Applicant competition alleviates the negative impact on competitors that may occur when the

GR3 - COMPETITION LICENSING

number of consecutive competitions of the same rating and/or level in a given geographic area at a given venue creates unilateral competition effects.

c. Sport Growth and Visibility:

1. Whether the Applicant competition may create growth and visibility of the sport in one of the following ways, which is not exclusive:
2. The Applicant competition is warranted due to community support and/or involvement;
3. The Applicant competition may broaden access to competitors at all levels of the sport;
4. The Applicant competition is unique and provides exceptional promotional benefits to the sport.

In addition, the Federation will consider the following factors in determining whether a mileage exemption should be granted:

1. Geographic location and time of year with regard to concentration and migration of competitors;
2. Experience and expertise of competition management;
3. Competitions outside of boundary mileage of Priority Date Holder and Applicant Competition, which may affect density and competitive level of competitors;
4. Density and competitive level of competitors in a given geographic area at a given time of year.

4. Mileage Exemption Procedure

- a. An Applicant must first contact the Priority Date Holder(s) and seek cooperation in running the proposed event.
 1. If the Priority Date Holder(s) agree to the exemption request, then the terms and conditions of any agreement must be fully disclosed to the Federation in writing along with submission of the Mileage Exemption Response. Submission of these materials indicates that the parties agree that the Federation is not responsible for the enforcement or performance of the terms and conditions of the agreement between the competition organizer and those parties expressly waive any claim against the Federation for failure to perform.
 2. If the Priority Date Holder(s) does not agree to the exemption request, then the Applicant shall submit the Mileage Exemption Request Form to the Federation in accordance with these rules.
- b. Beginning with competitions conducted in the 2017 competition year, the Applicant shall submit the Mileage Exemption Request Form, fully completed, to the Federation no earlier than 360 calendar days and no later than 240 calendar days before the start date of the proposed competition. The fully completed Mileage Exemption Request Form must be accompanied with the non-refundable application fee of \$500.00. A mileage exemption request will not be accepted unless the Mileage Exemption Request Form is fully completed and the application fee is paid in full. Within 21 days of acceptance of a properly submitted request and application fee, the Federation will notify the Applicant that their request is being processed.
- c. Within 21 days of acceptance of a properly submitted request and application fee, the Federation will notify the Priority Date Holder(s) and provide the submitted Mileage Exemption Request Form. An Applicant is not permitted to advertise or promote the proposed competition until the competition has received final approval. Non-compliance with this requirement will disqualify the applicant and will result in disapproval of the application.
- d. The Priority Date Holder(s) has 21 calendar days from the date of the Notification letter and the Mileage Exemption Request Form to submit to the Federation a fully completed Mileage Exemption Response Form. The Priority Date Holder(s) must provide written comments justifying the denial of the mileage exemption request given the considerations in paragraph 3 above.
- e. Within 15 calendar days of receipt of a completed Mileage Exemption Response Form and the terms and conditions of an agreement, if such agreement was reached between the affected parties, the request will be reviewed by the Federation Internal Review Panel, which shall determine whether it is in the best interest of the sport to either deny or grant the approval and under what terms and conditions such approval shall be given. The Federation Internal Review Panel consists of the Federation Chief Executive Officer or his designee; the

Director of Competitions; and a staff member from the relevant breed or discipline chosen by the Sport Director.

- f. Within 15 calendar days of receipt of a completed Mileage Exemption Response Form from Priority Date Holder(s) objecting to the request, or the expiration of the 21 day response period if no completed Mileage Exemption Response Form is submitted, the Federation will notify the applicable Recognized Breed/Discipline Affiliate and provide all documentation received in the process from any party. The applicable Recognized Breed/Discipline Affiliate has 30 calendar days from notification from the Federation to submit to the Federation Competitions Department, a recommendation to approve or disapprove the exemption request accompanied by a detailed explanation based on the considerations enumerated in paragraph 3 above.
- g. Within 15 calendar days of receipt of written comments from the Recognized Affiliate, a Federation Internal Review Panel shall convene to review the recommendation of the Affiliate in light of all materials submitted and the considerations enumerated in paragraph 3 above. If this Panel agrees with the Recognized Affiliate's recommendation, then a decision letter will be issued to the affected parties accordingly. If this Panel disagrees with the Recognized Affiliate recommendation, or identifies further consideration that should be given, the Federation President has 30 days to appoint a Mileage Exemption Panel to review the request. If for any reason the President is unable to appoint this Panel, the Vice-President, if available, or the Secretary/Treasurer, if the Vice-President is unable, shall appoint the Panel.
- h. The Federation Mileage Exemption Panel consists of the Federation Chief Executive Officer or his designee; a Senior Active Member with competition management experience; and a Senior Active Member who participated in the determination of the Affiliate. Together this Panel shall consider all materials received from all parties related to the request, the recommendation of the Recognized Affiliate, the comments of the Internal Review Panel, and the considerations in paragraph 3 above. Upon completion of its review, the Federation Mileage Exemption Panel shall determine whether it is in the best interest of the sport to either deny or grant the approval and under what terms and conditions such approval shall be given.
- i. The identity of the Federation Mileage Exemption Panel members must be provided to the Applicant and Priority Date Holder(s). These parties have 5 days to submit a written objection to any Panel member. Objections must specifically articulate the basis of the objection and how the appointee cannot render a fair and unbiased decision. Objections will be evaluated and a determination will be made whether a replacement is warranted. Failure to timely object is deemed acceptance of the appointed panelists. At no time may the Applicant or the Priority Date Holder(s) contact any Panel member, directly or indirectly, concerning the request. Contacting a Panel member in any way may result in the imposition of penalties and/or an adverse decision of the request.
- j. The Federation, through the Federation Internal Review and Federation Mileage Exemption Panels, shall have final decision-making authority on all exemption requests and will not delegate this responsibility. The Panel's decision will be provided to the Applicant, Priority Date Holder(s), and the Recognized Affiliate. The Panel's decision is provisional until such time that any dispute process under these rules has been exhausted. An Applicant shall not advertise or promote the proposed competition unless and until the competition has received final approval. Non-compliance with this requirement may result in withdrawal of the application.

5. Modifications or amendments to an approved exemption are not permitted unless approved by the Federation in writing. A modification to an approved Request for Mileage Exemption must be approved in writing by the Federation after review by the original Mileage Exemption Panel. If the original Mileage Exemption Panel is unable to convene, modification requests shall be reviewed by the Federation Internal Review Panel along with a representative appointed by the relevant breed/discipline affiliate. Modifications to an approved Request for Mileage Exemption must be received by the Federation at least 120 days prior to the start of competition. Competitions that would be impacted by the requested modification shall have the opportunity to submit written comments to the Federation prior to a determination. Comments must be received from the competitions impacted within 10 calendar days of receiving notification of the requested modification. The Federation decision will be rendered within 30 days from the date the modification

GR3 - COMPETITION LICENSING

request is received in the Federation office.

6. Mileage Exemptions are granted for one year only. Approval in one year does not guarantee future approval of a mileage exemption request.

7. All Licensed Competitions operating under an approved mileage exemption shall have the applicable mileage protection against new competitions. This does not preclude the Federation from granting additional mileage exemption requests for new competitions to be held within any mileage boundary.

SUBCHAPTER 3-D COMPETITION LICENSE DISPUTES

GR 316 License Application Disputes and Resolution

1. Any competition license applicant may dispute the denial of a license application or renewal. In addition, a Mileage Exemption Request applicant and Priority Date Holder(s) may dispute a mileage exemption request decision. The initiation of a license dispute must be made in writing and received by the Federation within 10 calendar days of the date on the Federation notice of the approval or denial and must be accompanied by a fee of \$1,000.00. If the appealing party prevails, \$500.00 of the fee shall be refunded.

2. License disputes will be decided by the Federation Hearing Committee in accordance with the Federation rules and procedures. The Hearing Committee shall only determine if the mileage exemption process was conducted in accordance with the rules. The Hearing Committee shall provide the parties with the opportunity to be heard pursuant to written submissions and shall issue a written decision within 30 calendar days following receipt of the initiation of dispute and response(s) from affected parties. If the Hearing Committee finds a procedural defect, the exemption request will go back through the process beginning at the point where the defect occurred.

3. The Hearing Committee's decision is final and not appealable.

CHAPTER 4 DRUGS AND MEDICATIONS**GR401-408. Equine Drugs and Medications Provisions Applicable to All Breeds and/or Disciplines****GR401 Determining the Equine Drugs and Medications Designation for Each Breed or Discipline**

1. The Board of Directors shall designate every Breed, Discipline, and/or Group competing under Federation Rules as either a Prohibited Substance Group or a Therapeutic Substance Group, as outlined herein below.
2. At each Annual Meeting, each Division Committee shall determine by a majority vote and shall indicate to the Chief Administrator of the Equine Drugs and Medications Program its preference for its Breed or Discipline to be designated as (or to be part of) either a Prohibited Substance Group or a Therapeutic Substance Group. In any instance where more than one Division Committee is responsible for a Breed and/or Discipline Group, after each committee has determined its preference by a majority vote, unanimity between and/or among the Division Committees of the Group shall be required to invoke a recommendation to be designated a Prohibited Substance Group. Absent such concurrence, the joint recommendation of the Division Committees of the Group shall be construed as a recommendation in favor of designation as a Therapeutic Substance Group.
3. Each Division Committee shall have responsibility to recommend for its division.
4. At its meeting at the Federation's Annual Meeting, the Equine Drugs and Medications Committee shall take into consideration these recommendations and the written recommendations of the respective Affiliate Associations in this regard, and it shall enact the designation for each Breed, Discipline, and/or Group. The effective dates of these designations shall coincide with the effective dates of the newly published Rule Book.
5. These designations shall be reviewed by each Division Committee at the subsequent Rule Change Convention.
6. Every horse and/or pony competing at Federation competitions and/or events shall be subject to either the Prohibited Substance Provisions (GR409) or the Therapeutic Substance Provisions (GR410-412), depending upon its Breed's, Discipline's, and/or Group's designation, and it shall be required to compete in compliance therewith, whether competing in unrated or rated classes and/or divisions.
7. Any horse and/or pony that competes in more than one Breed, Discipline, and/or Group at a competition, one of which is a Prohibited Substance Group, shall be required to be in compliance with the Prohibited Substance Provisions at all times while competing in any and/or all classes and/or divisions at that competition.

GR402 Testing

1. Horses and/or ponies competing at a Licensed Competition are subject to examination by a licensed veterinarian who must be appointed by the Administrator of the Equine Drugs and Medications Program. Said appointed veterinarian, with the approval of the Administrator, may appoint a technician to perform certain duties under this Rule. The examination may include physical, urine, blood tests and/or any other test or procedure at the discretion of said veterinarian necessary to effectuate the purposes of this rule. Said veterinarian may examine any or all horses and/or ponies in a class or all classes in a competition or any horses and/or ponies entered in any class, whether in competition or not, if on the competition grounds, or any horse and/or pony withdrawn by any exhibitor within 24 hours prior to a class for which it has been entered.
2. Whether a horse and/or pony is in competition or not, refusal to submit the horse and/or pony for examination or to cooperate with the veterinarian or his agents constitutes a violation and subjects the responsible person to penalties under GR406.
3. Trainers who are not able to accompany Federation drug testing personnel and the horse and/or pony to the location where sample collection is to take place, to act as witness to the collection and sealing of blood and urine

samples, and to sign the drug collection documents in the appropriate places as witness, must appoint an agent to do so. The absence of such a witness shall constitute a waiver of any objection to the identification of the horse and/or pony tested and the manner of collection and sealing of the samples.

4. Upon the collection of a sufficient number of tubes of blood from the horse or pony, the tubes shall be divided into two groups. One group shall be labeled and identified as Blood Sample A and the other as Blood Sample B, and they shall be sealed accordingly. Upon the collection of a sufficient volume of urine from the horse or pony, a portion of the sample shall be poured into a second urine sample container. One container shall be labeled and identified as Urine Sample A and the other as Urine Sample B, and they shall be sealed accordingly. These procedures shall be performed whether or not the trainer or his/her appointed witness is present as provided for in Section 3 above.
5. In the event reasonable attempts at sample collections from the horse or pony do not provide a sufficient number of tubes of blood or a sufficient volume of urine to be divided, labeled, and identified as Samples A and B, as determined by the testing veterinarian and/or technician, the sample(s) obtained (if obtained) shall be labeled and identified as Sample(s) A only, and it shall be recorded in the records of the Equine Drugs and Medications Program that the corresponding Sample(s) B does (do) not exist, in which event the obtained Sample(s) shall be subject to testing.
6. A blood sample may be retested under these Rules at any time exclusively at the direction of the Federation. The retesting of a sample may lead to a violation only if the sample was retested within three (3) years from the sample collection date. In order to constitute a violation under these rules, the substance detected in the retested sample must (i) have been forbidden at the time of sample collection; and (ii) not a therapeutic substance, which for purposes of this rule includes only the Controlled Medications on the FEI Prohibited Substances List (available at <http://www.fei.org/fei/cleansport>) in effect on the sample collection date.
7. In the event that the retested sample proves positive, and the retest was conducted more than one (1) year since the date of collection, no prizes or awards will be required to be returned.

GR403 Cooperation

1. Cooperation with the veterinarian and/or his agent(s) includes:
 - a. Taking the horse and/or pony and the veterinarian and/or his agent(s) immediately to the location selected by said veterinarian and/or agent(s) for testing the horse and/or pony and presenting it for testing.
 - b. Assisting the veterinarian and/or his agent(s) in procuring the sample promptly, including but not limited to removing equipment from the horse and/or pony, leaving it quietly in the stall and avoiding any distractions to it. Schooling, lengthy cooling out, bandaging and other delays of this type shall be construed as noncooperation.
 - c. Polite attitude and actions toward the veterinarian and/or his agent(s).

GR404 Accountability of Trainers and Other Persons Responsible

1. Trainers and other Persons Responsible, in the absence of substantial evidence to the contrary, are responsible and accountable under the penalty provisions of these rules. The trainer and other Persons Responsible are not relieved from such responsibility as a result of the lack or insufficiency of stable security.
2. The Persons Responsible may include the individual who rides, vaults, or drives the horse and/or pony during a competition; the Owner; and/or Support Personnel.
3. Support Personnel is defined to include but is not limited to grooms, handlers, longeurs, and veterinarians may be regarded as additional Persons Responsible if they are present at the competition or have made a relevant decision about the horse and/or pony.
4. A trainer is defined as any adult or adults who has or shares the responsibility for the care, training, custody, condition, or performance of a horse and/or pony. Said person must sign the entry blank of any Licensed Competition

GR4 - DRUGS AND MEDICATIONS

whether said person be a trainer, owner, rider, agent and/or coach. Where a minor exhibitor has no trainer, then a parent, guardian or agent or representative thereof must sign the entry blank and assume responsibility as trainer. The name of the trainer must be designated as such on the entry blank. It is the responsibility of trainers as well as competition management to see that entry blanks contain all of the required information. The responsibilities of a trainer include, but are not limited to the following:

- a. for the condition of a horse or pony at a Licensed Competition (whether or not they have signed an entry blank),
 - b. to guard each horse and/or pony at, and sufficiently prior to, a Licensed Competition such as to prevent the administration by anyone of, or its exposure to, any forbidden substance, and
 - c. to know all of the provisions of this Chapter 4 (including any advisories or interpretations published in equestrian) and all other rules and regulations of the Federation and the penalty provisions of said rules. For purposes of this rule, substantial evidence means affirmative evidence of such a clear and definite nature as to establish that said trainer, or any employee or agent of the trainer, was, in fact, not responsible or accountable for the condition of the horse and/or pony. If any trainer is prevented from performing his or her duties, including responsibility for the condition of the horses and/or ponies in his or her care, by illness or other cause, or is absent from any Licensed Competition where horses and/or ponies under his or her care are entered and stabled, he or she must immediately notify the competition secretary and, at the same time, a substitute must be appointed by the trainer and such substitute must place his or her name on the entry blank forthwith. Such substitution does not relieve the regular trainer of his/her responsibility and accountability under this rule; however, the substitute trainer is equally responsible and accountable for the condition of such horses and/or ponies.
5. The trainer and owner acknowledge that the trainer represents the owner regarding horses and/or ponies being trained or managed, entries, scratches for any reason and any act performed on any horse and/or pony under the care and custody of the trainer.
6. In the case of a horse and/or pony competing under the Therapeutic Substance Provisions, any trainer and/or Persons Responsible subject to these rules who actually administers, attempts to administer, instructs, aids, conspires with another to administer or employs anyone who administers or attempts to administer a forbidden substance to a horse and/or pony which might affect the performance of said horse and/or pony at a competition licensed by the Federation without complying with GR411, is subject to the penalties provided in GR406.
7. Any trainer and/or Persons Responsible subject to these rules who administers, attempts to administer, instructs, aids, conspires with another to administer or employs anyone who administers or attempts to administer any substance to a horse and/or pony by injection or by any other route of administration, whether the substance is forbidden or permitted, in the competition ring of a competition licensed by the Federation during a scheduled class, is subject to the penalties provided in GR406.

GR405 Equine Drugs and Medications Testing in Connection with an Appeal Measurement

1. Each animal submitted for an appeal measurement is subject to the Drugs and Medications Chapter at the time of said measurement and/or concurrent examinations, and said animal must be in compliance therewith.
2. Each animal submitted for an appeal measurement must have drug testing samples collected at the time of said measurement and/or concurrent examinations. No sample is a drug testing sample unless it is collected by and/or under the direct supervision of Federation drug testing personnel, who must be appointed by the Administrator of the Equine Drugs and Medications Program to collect samples from the animal in question in connection with said measurement.
3. Each animal submitted for an appeal measurement must have both a urine sample and a blood sample collected at the time of said measurement and/or concurrent examinations. Both the urine sample and the blood sample must be of sufficient volume for drug testing purposes, as determined by the Administrator of the Equine Drugs and Medications Program. Said sample collections shall be conducted in accordance with procedures which are the sole

prerogative of the Federation drug testing personnel. As deemed necessary by the Federation testing veterinarian, the animal shall be administered furosemide to cause it to produce a urine sample in a timely manner.

4. Every blood sample and/or urine sample collected in connection with an appeal measurement and all portions thereof are the sole property of the Federation. Said samples and all portions thereof must remain in the sole custody of the Federation drug testing personnel at all times during said measurement and/or concurrent examinations, and subsequently they must be submitted to the Federation's laboratory for testing in accordance with the instructions of the Administrator of the Equine Drugs and Medications Program.
5. The entire cost of sample collections and testing conducted in connection with an appeal measurement, including the fees and expenses of Federation drug testing personnel, shipping costs for equipment and samples, laboratory charges, etc., as determined by the Administrator of the Equine Drugs and Medications Program, must be paid in full by the appellant within 30 days of the submission of an invoice, regardless of the outcome of said measurement, and regardless of the laboratory results. A deposit in cash or certified check equal to the costs of sampling and testing, as estimated by the Administrator of the Equine Drugs and Medications Program, may be required prior to the measurement.
6. No appeal measurement is valid absent written affirmation of the CEO or his designee confirming the receipt of negative drug testing results from the Federation's laboratory, indicating that both the urine and blood sample collected from the animal in question in connection with said measurement and/or concurrent examinations were found to contain no forbidden substance, said results having been issued to the Administrator of the Equine Drugs and Medications Program. Any instance involving a finding of forbidden substance shall additionally result in the issuance of a charge of violation of Chapter 4 for adjudication by the Hearing Committee in accordance with the provisions of Chapters 6 and 7.

GR406 Results, Confirmatory Analysis, and Retest

1. Blood and urine samples labeled and identified as Samples A shall be subjected to chemical analysis by the Federation Drug Testing Laboratory or by a laboratory with which the Federation has contracted for its services. Blood and urine samples labeled and identified as Samples B shall be stored securely, unopened, at the Federation Drug Testing Laboratory, to be used in the event of a confirmatory analysis, or in the event of a future analysis.
2. In the event the chemical analysis of Blood or Urine Sample A is negative, i.e., no forbidden substance or any metabolite or analogue thereof is found to be present in the sample, the corresponding Blood or Urine Sample B may be frozen and maintained, at the Federation Equine Drug Testing and Research Laboratory, for possible future chemical analysis.
3. In the event the chemical analysis of Blood or Urine Sample A is positive, i.e., a forbidden substance or any metabolite or analogue thereof is found to be present in the sample, this shall be prima facie evidence that the forbidden substance was administered in some manner to said horse or pony, whether intentionally or unintentionally, or otherwise was caused to be present in the tissues, body fluids or excreta of the horse or pony at the competition, whether intentionally or unintentionally, such that the trainer(s) deemed responsible and accountable for its condition is (are) liable under the provisions of GR404.
4. In the event the chemical analysis of Blood or Urine Sample A is positive, the Federation shall notify the Trainer, Persons Responsible (if applicable), and the Owner of the Horse of their right to promptly request the analysis of the B sample, or, failing such request, that the B sample analysis is deemed waived. The Trainer, Persons Responsible (if applicable), and the Owner of the Horse are deemed to have waived their right to a B Sample analysis if they do not submit the Confirmatory Analysis Request Form within the 15 business days. Within seven (7) days of receipt of the duly executed Confirmatory Analysis Request Form (B Sample), the Federation shall coordinate such analysis. The Trainer, Persons Responsible (if applicable), and Owner of the Horse may accept the A Sample

GR4 - DRUGS AND MEDICATIONS

analytical results by waiving the right to a B sample analysis.

5. The confirmatory analysis of the corresponding Blood or Urine Sample B shall be performed by a drug testing laboratory that is approved by the Federation and agreed upon by the person charged who requests the confirmatory analysis, which laboratory must have demonstrated proficiency in performing the necessary confirmatory analysis, provided the corresponding Blood or Urine Sample B exists and is of sufficient volume to permit a confirmatory analysis. In the event the drug testing laboratory that analyzed Sample A is the only laboratory that has demonstrated proficiency in performing the necessary confirmatory analysis, this laboratory shall be the only laboratory to perform the confirmatory analysis of the corresponding Sample B. Upon the completion of the confirmatory analysis, the laboratory performing the confirmatory analysis shall forward its findings and supporting data to all parties.
6. In the event no agreement is reached as to a laboratory as required in section 5 above, and the person charged who requests the confirmatory analysis does not revoke his/her request, the confirmatory analysis of the corresponding Blood or Urine Sample B shall be performed by the Federation Drug Testing Laboratory, or by a laboratory with which the Federation has contracted for its services, and shall forward its findings and supporting data to all parties. Both the results of the analysis of Sample A (and supporting data) and the results of the confirmatory analysis of the corresponding Sample B, if any (and supporting data, if any), shall be admissible as evidence in any hearing or proceeding pertaining to this matter.
7. In the event the corresponding Blood or Urine Sample B does not exist, or is of insufficient volume to permit a confirmatory analysis, and there exists a remaining aliquot of Blood or Urine Sample A which is of sufficient volume to permit a retest, as determined by the Federation, a person charged who requests the retest of Blood or Urine Sample A must make the request in writing to the Federation and it must be received within 7 days of the determination that the corresponding Blood or Urine Sample B does not exist or is of insufficient volume to permit a confirmatory analysis.
8. Any requested re-test of the remaining aliquot of Blood or Urine Sample A, provided it is of sufficient volume to permit a retest, shall be performed by the Federation Drug Testing Laboratory, or by a laboratory with which The Federation has contracted for its services.
9. The retest of the remaining aliquot of Blood or Urine Sample A may be witnessed by a Witnessing Analyst appointed by the person charged who requests such analysis at the same time as the retest is requested. The Witnessing Analyst must be a qualified analytical chemist employed by an equine drug testing laboratory. If no Witnessing Analyst is appointed by the person requesting the retest, or if the Witnessing Analyst is unavailable within a reasonable time, the requested retest of the remaining aliquot of Blood or Urine Sample A shall proceed without the Witnessing Analyst.
10. In the event the Witnessing Analyst appointed by the person requesting the retest of the remaining aliquot of Blood or Urine Sample A is satisfied that the positive result is correct, the Federation must be informed immediately by fax with confirmation by letter.
11. In the event the Witnessing Analyst is not satisfied that the result of the retest of the remaining aliquot of Blood or Urine Sample A is correct, the Federation must be informed immediately by fax followed by a written report setting forth the basis for the Witnessing Analyst's opinion. Copies of the original and subsequent results and supporting analytical data must be submitted to the Federation Hearing Committee as part of the hearing record in the case, for resolution by it of any and all issues regarding the original analysis of Blood or Urine Sample A and the retest of the remaining aliquot of Blood or Urine Sample A.
12. By requesting the confirmatory analysis of the corresponding Blood or Urine Sample B, or the retest of the remaining aliquot of Blood or Urine Sample A, or by requesting that the retest be witnessed by a Witnessing Analyst, the person charged who makes such request(s) agrees to and must pay any and all fees, costs and expenses relating to the confirmatory analysis or the retest, whether it is performed by a mutually agreed upon laboratory, by the Federation Drug Testing Laboratory, or by a laboratory with which The Federation has contracted for its services, upon

the presentation an invoice by the Federation, and any and all fees, costs, and expenses relating to the Witnessing Analyst.

13. After chemical analysis of the B sample, if the laboratory's confirmatory analysis:
 - a. Does not substantially confirm the Federation Equine Drug Testing and Research Laboratory's findings, then any allegations that the substance in question was present at the time that the samples were collected shall be dismissed; or
 - b. Substantially confirms the Federation Equine Drug Testing and Research Laboratory's findings, the finding shall be considered conclusive.
14. In the case of a horse and/or pony competing under the Therapeutic Substance Provisions, if the chemical analysis of the sample taken from such horse and/or pony indicates the presence of a forbidden substance or any metabolite or analogue thereof and all the requirements of GR411 have been fully complied with, the information contained in said Equine Drugs and Medications Report Form and any other relevant evidence will be considered by the Federation in determining whether a rule violation was committed by any person(s) responsible or accountable for the condition of the horse and/or pony under the provisions of this rule.
15. When a positive report is received from the chemist identifying a forbidden substance, or any metabolite or analogue thereof, a hearing will be held in accordance with Chapter 6, except as may otherwise be provided by GR412. No trainer, responsible or accountable for the condition of said horse and/or pony, will be suspended, or a horse and/or pony barred from competition, until after an administrative penalty has been assessed or after the conclusion of a hearing and a written ruling thereon has been made.
16. The owner or owners of a horse and/or pony found to contain a forbidden substance or any metabolite or analogue thereof may be required to forfeit all prize money, sweepstakes, added money and any trophies, ribbons and "points" won at said competition by said horse and/or pony and the same will be redistributed accordingly. The owner must pay a fee of \$300 to said competition. Points accumulated toward Horse of the Year Awards prior to said competition may be nullified and redistributed at the discretion of the Hearing Committee. If, prior to or at a hearing, the Federation as the charging party, determines that one or more persons, not previously charged as a trainer should also be charged as a trainer, then, upon application by the Federation, the Hearing Committee may, in its discretion, continue or adjourn the hearing, in whole or in part, to permit a new or amended charge to be issued (unless the person(s) to be charged waive notice).
17. A trainer of a horse and/or pony found to contain such forbidden substance or any metabolite or analogue thereof is subject to whatever penalty is assessed by the Hearing Committee, except for administrative penalties issued by the Chairman of the Equine Drugs and Medications Committee and accepted, as provided by GR412. Said trainer may be fined and may be suspended from all participation in Licensed Competitions for a period of one year for the first offense, and for a longer period for a second or later offense, said suspension to be served at any time at the discretion of the Hearing Committee.

The horse and/or pony may be suspended for any period of time specified by the Hearing Committee. In determining an appropriate penalty under these rules, the Hearing Committee may take into account such factors and circumstances as it may deem relevant, including but not limited to

 - a. the pharmacology of the forbidden substance,
 - b. the credibility and good faith of the person charged or of other witnesses,
 - c. penalties determined in similar cases, and
 - d. past violations of any Federation rules (or the lack thereof).
 - e. reliance upon the professional ability or advice of a veterinarian who is a licensed graduate of an accredited veterinary school and who is in good standing in the state in which he/she primarily practices.
18. If the Hearing Committee determines that any violation or attempted violation of this Rule was willful and/or intentional, there shall not be any limit to the period of a suspension, and the Hearing Committee may impose other and

significantly greater penalties than it would have in the absence of such a determination.

19. A blood sample may be retested under these Rules at any time exclusively at the direction of the Federation. The retesting of a sample may lead to a violation only if the sample was retested within three (3) years from the sample collection date. In order to constitute a violation under these rules, the substance detected in the retested sample must (i) have been forbidden at the time of sample collection; and (ii) not a therapeutic substance, which for purposes of this rule includes only the Controlled Medications on the FEI Prohibited Substances List (available at <http://www.fei.org/fei/cleansport>) in effect on the sample collection date.
20. In the event that the retested sample proves positive, and the retest was conducted more than one (1) year since the date of collection, no prizes or awards will be required to be returned.

GR407 Management Procedures

1. To provide funds for research, inspection and enforcement of rules regarding use of medications and drugs, each Licensed Competition, except where prohibited by law, must assess the exhibitors a fee of \$8 for each horse and/or pony entered in the competition, except the fee shall be \$25 for each horse entered in an FEI sanctioned competition. Participants in the following classes are exempted from payment:
 - a. leadline
 - b. exhibitions
 - c. games and races,
 - d. classes for 4-H members,
 - e. **Recognized Academy classes at Dressage competitions. BOD 12/12/16 Effective 1/1/17**
 - f. Opportunity classes
 - g. Classes at Regular or Local Competitions restricted to breeds or disciplines whose rules are not included in the USEF rulebook.
 - h. However, these classes are not exempt from the Drugs and Medications Chapter itself. Within 10 days after a competition, competition management must forward to the Federation a sum representing the above fee times the number of horses and/or ponies entered in the nonexempt classes of the competition plus the number of horses and/or ponies scratched where the fee is not refunded, such sum to be held by the Federation in a separate fund for use to accomplish the purpose set forth above. **BOD 11/7/16 Effective 12/1/16**
2. It is a violation for a Licensee to assess and/or collect a drug enforcement fee in excess of or in addition to that specified and required by GR407.1 of these rules, unless said assessment is approved in writing by the Federation in advance, and then only under the terms and conditions set forth.
3. It is a violation for a Licensee to withhold from the Federation any or all of the drug fees collected in accordance with GR407.1, for any purpose, including to defray the expenses incurred providing stalls, passes, and other items to the Federation drug testing personnel, as required by GR407.4 and .5.
4. Each Licensed Competition shall, at its own cost and expense, set aside and make available to The Federation testing personnel upon request suitable facilities conveniently located for the veterinarian appointed by the Federation and his or her technicians to collect equine blood and urine samples. Suitable facilities means one or more stalls if available, as requested, that are well lit, clean, dry, freshly bedded, and having a door or gate that can be secured.
5. Each Licensed Competition, upon request, must furnish the veterinarian appointed by The Federation and/or the Administrator of the Equine Drugs and Medications Program by mail forthwith, with the requested number of official passes and parking passes for the veterinarians and technicians to have immediate and free access to all areas at said Licensed Competition.
6. Competition management must cooperate with and exhibit polite attitude and actions toward the veterinarian and/or

his agents.

GR408 Interpretations of the Federation Equine Drugs and Medications Chapter and its Application to Particular Substances

Any questions regarding the interpretation of this Chapter, including the application of this Chapter to particular substances, should be directed to the office of the Federation Equine Drugs and Medications Program, 956 King Avenue, Columbus, Ohio 43212-2655. (800) 633-2472, (614) 299-7707, FAX (614) 299-7706. GR411 Conditions For Therapeutic Administrations of Forbidden Substances

1. A horse and/or pony exhibiting at a Licensed Competition pursuant to the Therapeutic Substance Provisions that receives any medication which contains a forbidden substance is not eligible for competition unless all of the following requirements have been met and the facts are furnished in writing on a timely-submitted official Equine Drugs and Medications Report Form:
 - a. The medication must be therapeutic and necessary for the diagnosis or treatment of an existing illness or injury. Administration of a forbidden substance for non-therapeutic or optional purposes (such as, by way of example only, shipping, clipping, training, turning out, routine floating or cleaning of teeth, non-diagnostic nerve blocking, uncasting, mane pulling or non-emergency shoeing) is not considered to be therapeutic. Any trainer who is uncertain about whether a particular purpose is considered to be therapeutic would be well advised to consult the Federation Equine Drugs and Medications Program office.
 - b. The horse and/or pony must be withdrawn from competition for a period of not less than 24 hours after the medication is administered.
 - c. The medication must be administered by a licensed veterinarian, or, if a veterinarian is unavailable, only by the trainer pursuant to the advice and direction of a veterinarian.
 - d. Identification of medication—the amount, strength and mode of administration.
 - e. Date and time of administration.
 - f. Identification of horse and/or pony, its name, age, sex, color and entry number.

 - j. The Steward, Technical Delegate, or Designated Competition Office Representative must sign and record the time of receipt on the Equine Drugs and Medications Report Form.
 - k. At selection trials for World Championships, and/or Olympic and/or Pan American Games, the requirement of subsection (b) above, that the horse or pony must be withdrawn from competition for a period of not less than 24 hours after the medication is administered will not apply, provided that:
 1. the competition is conducted pursuant to the written selection procedures as approved by the Federation Board of Directors;
 2. the written selection procedures specifically allow for therapeutic administrations of medications by a USEF-appointed veterinary panel within 24 hours preceding competition, and the written selection procedures are in no case less stringent in this regard than the FEI Veterinary Regulations (Articles 1006.7 and 1006.8) and guidelines pursuant thereto;
 3. all requirements of the written selection procedures regarding therapeutic administrations of medications have been met;
 4. all requirements of this Rule have been met except subsection GR411.1(b); and all persons competing in the competition are eligible and competing for selection.
2. Where all the requirements of GR411 have been fully complied with, the information contained in said Equine Drugs and Medications Report Form and any other relevant evidence will be considered by the Federation in determining whether a rule violation was committed by any person(s) responsible or accountable for the condition of the horse and/or pony under the provisions of this rule.

NOTE: The official Equine Drugs and Medications Report Form is available from the officiating Steward/Technical Delegate and/or Competition Secretary. All required information must be included when filing a report. Failure to satisfy and follow all the requirements of this Rule and to supply all of the information required by such Equine

GR4 - DRUGS AND MEDICATIONS

Drugs and Medications Report Form is a violation of the rules. The Steward/Technical Delegate must report any known violations of this Rule to the Federation for such further action as may be deemed appropriate.

3. Flunixin, in addition to one other substance listed in GR410 (a) through (g), may be found in the same plasma and/or urine sample of a horse under the following conditions and for the treatment of colic or an ophthalmic emergency only: (i) must comply with GR411.1; (ii) the flunixin must have been administered by a veterinarian; (iii) the required medication report form must be signed by the administering veterinarian; and (iv) the horse must be withdrawn from competition for 24 hours following the administration.

GR412 Administrative Penalties

1. The provisions for administrative penalties shall apply to any potential or alleged violation of the Equine Drugs and Medications Rule. The Federation shall hold in abeyance the issuance of charges of rule violation pending further determination by the Chairman of the Equine Drugs and Medications Committee, who shall take into consideration all pertinent information available, including the seriousness of the alleged violation(s), precedents in similar Federation drug cases, and any prior rule violation(s) by the individual(s). At all times while consideration is given as to a determination by the Chairman of the Equine Drugs and Medications Committee, the identity of the horse, rider, trainer, coach, and owner must not be known or disclosed to him.
2. The Chairman of the Equine Drugs and Medications Committee shall, upon consultation with staff, and within 60 days of receipt of laboratory results, make a determination in his or her discretion whether to recommend the issuance of charges by the Federation, whether to recommend a plea agreement, whether to impose administrative penalties, or whether to take no further action in the matter, and shall communicate that decision in writing to the Federation's CEO or his designee.
3. In the event the Chairman of the Equine Drugs and Medications Committee determines to impose administrative penalties in accordance with GR412.2, in lieu of a recommendation to issue charges, he or she shall be authorized to impose any or all of the penalties enumerated in Chapter 7, GR703, setting forth the terms and conditions for compliance. The trainer(s) and owner(s) shall after receiving written notice of the right to a hearing, after their written waiver of same, and written acceptance of an administrative penalty, be subject to any and all administrative penalties imposed by the Chairman of the Equine Drugs and Medications Committee.
4. The Federation shall give written notification to trainer(s) and owner(s) of administrative penalties determined pursuant to GR412.3 above, the terms and conditions of which shall not be subject to negotiation. An administrative penalty must be approved by the Hearing Committee Co-Chairs before it is offered to the Respondent(s). Once accepted by all parties and by the Hearing Committee, an administrative penalty shall have the same force and effect as would a finding of rule violation by the Hearing Committee following a hearing pursuant to Chapters 6 and 7, and will be published on the Federation's web site.
5. Any trainer(s), or owner(s), or both, who have received notice of an administrative penalty under GR412.4 and who have not accepted same in writing shall receive a hearing before the Hearing Committee, in accordance with Chapters 6 and 7. Administrative penalties accepted in accordance with this Rule shall be effective immediately, shall be final, and shall not be subject to further review under any circumstance(s).
6. In the event an administrative penalty is not accepted in writing, the Federation shall issue a written charge or charges pursuant to Chapter 6, and the Hearing Committee shall conduct a hearing pursuant to Chapters 6 and 7 upon said charge(s). In the event of a finding of a violation, the Hearing Committee shall not be limited in choice of penalties to those that might have been imposed in accordance with GR412.2 and .3, nor in any such instance shall the Hearing Committee be limited in any other way in exercising all of its prerogatives as set forth in the Bylaws and Rules.
7. A blood sample may be retested under these Rules at any time exclusively at the direction of the Federation. The retesting of a sample may lead to a violation only if the sample was retested within three (3) years from the sample

collection date. In order to constitute a violation under these rules, the substance detected in the retested sample must (i) have been forbidden at the time of sample collection; and (ii) not a therapeutic substance, which for purposes of this rule includes only the Controlled Medications on the FEI Prohibited Substances List (available at <http://www.fei.org/fei/cleansport>) in effect on the sample collection date.

8. In the event that the retested sample proves positive, and the retest was conducted more than one (1) year since the date of collection, no prizes or awards will be required to be returned.

GR413 Human Drug Testing

1. In accordance with the rules of the FEI and of the World Anti-Doping Agency (WADA), any Federation member shall comply with in-competition, no advance notice (NAN), and other out-of-competition drug testing conducted by the FEI, WADA, US Anti-Doping Agency (USADA) or by a WADA-authorized organization or USADA-authorized organization at any time without advanced notice. Failure to cooperate with such in-competition, NAN or other out-of-competition drug testing shall be a violation of Federation rules.
2. In conjunction with the above-described NAN or other out-of-competition drug testing, the Federation is required to submit the names, current addresses, telephone numbers, training times and training and competition locations for individuals and teams as requested by the FEI, WADA, or USADA to enable FEI, WADA, or USADA to conduct NAN or other out-of-competition drug testing. Notwithstanding the foregoing, compliance with anti-doping regulations rests with the individual subject to testing.
3. A finding of violation of human drug rules by USADA or WADA shall be deemed a violation of Federation rules, and the reciprocity provisions of GR615.2 shall be applied.

GR 414 Prohibited Practices

1. No injectable substances may be administered to any horse or pony within 12 hours prior to competing, with the following three exceptions subject to paragraph 2 below:
 - a. Therapeutic fluids, which amount must consist of a minimum of 1L of polyionic fluids per 100lb of body weight; and which must be used in accordance with the manufacturer's recommendations and guidelines. The fluids must not be supplemented with concentrated electrolytes, such as magnesium.
 - b. Antibiotics. Procaine penicillin G is prohibited under this exception.
 - c. Dexamethasone. This is permitted only for the treatment of acute urticaria –(hives). The dose must not exceed 0.5 mg per 100 lb (5.0 mg for 1000 lb horse) if administered more than 6 hours and less than 12 hours prior to entering the competition ring, and must not exceed 1.0 mg per 100 lb (10.0 mg for 1000lb horse) within any 24 hour period.
2. The above exceptions are permitted only when (i) the substance is administered by a licensed veterinarian and no less than 6 hours prior to competing; and (ii) the "Trainer" as defined under General Rule 404 properly files, or causes to be properly filed, an Equine Drugs and Medications Report Form with the Steward/Technical Delegate or competition office representative within one hour after the administration of the substance or one hour after the Steward/Technical Delegate or competition office representative returns to duty if the administration occurs at a time outside competition hours. The Steward/Technical Delegate or competition office representative shall sign and record the time of receipt on the Equine Drugs and Medications Report Form.
3. No horse may be injected with any substance, forbidden or permitted, into an intra-synovial space (joint, tendon sheath, or bursa) within the 4 days preceding competition. No horse less than two years of age may be treated with intrasynovial injections within the 30 days preceding competition.
4. Shockwave Therapy may only be administered by or on the order of a licensed veterinarian. If sedation is required for Shockwave Therapy, only sedation performed by a licensed veterinarian and administered at the same time as the Shockwave Therapy will be considered therapeutic and GR411 will apply. No sedation associated with

GR4 - DRUGS AND MEDICATIONS

Shockwave Therapy will be considered therapeutic if administered within 24 hours prior to competition. No horse may be treated with Shockwave Therapy within the 3 days preceding competition with the following exception:

- a. Shockwave Therapy may be administered by a licensed veterinarian within the 3 day prohibited period, but no closer than 12 hours prior to competing, and is limited to application to the back and dorsal pelvis areas. No Shockwave Therapy is permitted within the 12 hours prior to competing. This exception is permitted only when the "Trainer" as defined under GR404 properly files, or causes to be properly filed, an Equine Drugs and Medications Report Form with the Steward/Technical Delegate or competition office representative within one hour after the administration of Shockwave Therapy or one hour after the Steward/Technical Delegate or competition office representative returns to duty if the administration occurs at a time outside competition hours. The Steward/Technical Delegate or competition office representative shall sign and record the time of receipt on the Equine Drugs and Medications Report Form.
5. No kinesiotape or self-adhesive patches may be used on any horse while mounted at any time during competition. Kinesiotape and self-adhesive patches are permitted exclusively while the horse is unmounted in the stabling area. Nasal strips are permitted unless prohibited by specific division rules.

CHAPTER 5 MEASUREMENT OF ENTRIES**SUBCHAPTER 5-A CONDITIONS****GR501 Other Measurement Rules**

The rules in Chapter 5 do not apply to measurement of entries in Hunter, Jumper and Welsh Pony Divisions: refer to rules HU171-183. For all other measurements, see GR502-517. For Combined Driving, see DC930 Appendix A. For Dressage, see DR135.

GR502 General

1. Management shall not permit an animal to be shown in a performance class at a Federation Member competition in any division or section that requires a measurement card unless; a) the owner is in possession of a measurement card issued by the Federation or Equestrian Canada bearing the date of 1982 or later; or b) he possesses a copy of a valid measurement form; or c) or management confirms measurement electronically with the Federation Office; or d) For Shetlands the owner is in possession of a measurement card issued by ASPC. At Regular Competitions, management may not give out an exhibitor's number for an animal showing in a division or section that requires a measurement card before the above requirements have been complied with. (See GR1302.2b)
2. A Show Committee may require the measurement of all animals in any division in which height is a qualifying factor.
3. Animals in competition in any division or section that requires a measurement card are subject to measurement by a licensed veterinarian and Registered steward appointed by Federation. The Federation CEO or his designee may require the measurement of any animal competing at a Federation Licensed Competition in any division in which height is a qualifying factor.
4. Measurements must take place at a Licensed Competition in which the animal is entered to compete. The Federation Approved Measuring Stick must be used. The animal must be measured by an officiating steward and any one of the following officials officiating in the competition: a veterinarian, a judge or another steward. Heel and toe measurements, where applicable, must be done by an officiating steward.
5. The officials appointed to measure animals at a competition are responsible for their true measurement and must check the measurement devices for accuracy. The names of the measuring officials will be printed on the measurement card and they and other measuring officials will be subject to penalty under the provisions of Chapters 6 and 7 if it is determined that a measurement is incorrect.
6. Measurements are solely for the internal use of the Federation, its Licensed Competitions and its licensed officials in connection with competing for prizes, and do not constitute any representation or warranty regarding measurement information; accordingly, the Federation, its Licensed Competitions and its licensed officials make no representation and shall have no liability whatsoever for measurement errors.
7. Once a foal year has been submitted to the Federation office, the original date cannot be changed without a copy of the animal's breed registration papers or a signed statement from a veterinarian certifying the animal's age.
8. Prior to presenting the pony for measurement it is the responsibility of the owner, and in his interest, to ensure that the pony is handled properly, accustomed to the application of a measuring stick, and correctly prepared for measurement.

GR503 Required Measurements and Re-measurements

1. An animal must be measured each competition year until it reaches the age of six. Animals five years and under will be issued a card designating the year measured. Animals six years and older will be issued a measurement card which does not have to be renewed. Those animals which are measured (and for which a valid measurement form is received by the Federation office) in the month of December immediately preceding the calendar year in which they turn six years of age will be issued a measurement card that does not have to be renewed. With the exception

of animals under six years old, once an animal is issued a measurement card, a new card will not be issued unless the measurement is questioned or protested, an appeal is made or after an official measurement is performed.

2. All animals that have been assigned a card prior to March 1, 1982 must be re-measured. If the owner, either member or non-member, is in possession of a measurement card issued prior to the aforementioned date, there will be no fee for re-measurement.
3. In the event an animal has been officially measured after December 1, 1982 and the owner does not have the measurement card or valid measurement form in his immediate possession, the animal must be re-measured for the purposes of competing in that particular competition only. Measurement forms are sent to the Federation office, but not given to the owner. If an owner fails to present a valid measurement card at a competition, the owner must have the animal re-measured at said competition. If an owner fails to present measurement card at more than one (1) competition he will be fined for each subsequent re-measurement necessary.
4. If the shoeing status of an animal changes from that which is indicated on its measurement card (due to an injury causing corrective shoeing or the sale of animal, etc.) a new card reflecting the new shoeing status may be issued provided the animal is re-measured in accordance with GR504 and the original measurement card is surrendered to the Federation office.
5. All Hackney Roadster and Roadster Ponies must be re-measured and issued new measurement cards prior to competing in licensed competitions for the year 2004 and beyond.
6. Exception: GR503 does not apply to the Dressage Division. For Dressage and Dressage Sport Horse Breeding, see DR135.

SUBCHAPTER 5-B PROCEDURES

GR504 Membership Requirements

Before any animal is measured the person presenting the animal must have in his possession the owner's membership number, a signed statement signifying that membership has been applied for, or proof of Equestrian Canada membership.

GR505 Completing the Measurement Form

1. The measurement form must be filled out completely in duplicate and the number of the stick must be on the form. Measurement cards will not be issued if the form is not completely filled out and legible. Exhibitors are cautioned to make sure their measurement forms are filled out accurately and completely.
2. The form must include:
 - a. The name and date of the competition, the height of the animal, height of heel (except for **Arabian**, Dressage and Dressage Sport Horse Breeding), name, color and markings, sex, year foaled which must be verified at time of measurement and designate whether the animal is shod or unshod. (American Saddlebred measurements must be entered on left measurement box of form) *BOD 1/16/16 Effective 12/1/16*
 - b. The name and address of owner and Federation membership number must be given.
 - c. The form must be signed by the person furnishing the above information immediately before the animal is measured and then signed by the competition officials appointed to measure.
 - d. The person providing the information that appears on the measurement form must be 18 years or older and is responsible for the accuracy of such information and care should be taken that all is in order before signing. When this individual signs the form he/she is certifying that all information is complete and correct. If a measurement form is signed by a person under the age of 18 and submitted to the Federation office, the measurement will be invalid.
 - e. No changes can be made to such information once the form is signed. Any alterations, scratch outs, or rewrites to any part of the height, height of fore heels, or thickness of shoe/pad must be clearly indicated and initialed by

GR5 - MEASUREMENT OF ENTRIES

the measuring officials. Care should be taken that all information is in order before signing.

3. The white copy of the measurement form is given to the owner or trainer, the blue copy is returned to the Federation office and the pink copy should be retained by the steward.
4. The owner will retain the white copy which, when properly signed by the two measuring officials, is valid for 45 days from the time the animal is measured, regardless of age. Exception: Hackney, Roadster, and American Saddlebred ponies: the white copy which owners retain will remain valid for the remainder of the current competition year.

SUBCHAPTER 5-C MEASURING

GR506 Measurement Devices

Only the Federation Approved Measuring Stick may be used. The Federation Approved Measuring Stick is a straight, stiff, unbendable stick that is equipped with a plumb bob or spirit level to make sure that the stick is perpendicular to the ground and that the crosspiece or arm is parallel with the ground surface, and must be shod with metal. All Federation approved measuring sticks will be numbered, carry the Federation logo and the legend Federation Approved. A Federation Approved Measuring Stick with a metric scale must be used for Dressage, Dressage Sport Horse Breeding, and Driving measurements. See DR135 for specific requirements regarding Measurement Devices at Dressage Competitions.

GR507 Measurement Surface

1. The measurement surface must be level and under no circumstances should animals be measured on dirt or gravel. A concrete slab or other paved surface is most desirable but, when not available, a sheet of heavy plywood can be used. Exception: plywood may not be used for Dressage or Dressage Sport Horse Breeding measurements.
2. If a suitable surface is not available at a competition, animals without a measurement card issued after December 1, 1982 or a valid measurement form must be measured to compete in that competition, but no measurement form shall be given to the owner. See GR1210.2 and GR1210.3.

GR508 Position of Animal

1. The animal must stand squarely on all four feet in such a position that the front legs are vertical to the ground and the back of the hocks are in a vertical line with the point of the animal's quarters. The head must be held low enough to reveal the highest point of the withers and no lower. The animal must be free of all appliances. Handlers must not interfere with the animal in any way that will prevent it from standing in this position; blinkers may be allowed.
2. For the Hackney Division: The animal should be standing with his front legs perpendicular to the ground. Ideally his head should be lower than his withers. This easily locates the highest part of the withers where the measurement should take place. Handlers must not interfere with the animal in any way that will prevent it from standing in the correct position; blinkers may be allowed.

GR509 Method of Measurement

With the animal in the aforementioned position, measure the vertical distance from the highest point of the withers to the ground. The cross-piece, arm or bar of the measuring device must be placed over the highest point of the withers and no measurement taken at any other part of the animal's body will count. Additional pressure must not be applied to the cross-piece, arm or bar.

GR510 Method of Measuring Toe and Heel

Using a six (6) inch metal ruler, the length of the toe is determined by measuring the front of the hoof, in the center, from the skin line on the lower side of the coronary band to the ground. The skin line on the lower side of the coronary

band is to be defined by palpation. The thumb should be used to press on the horny hoof wall proceeding from the ground toward the hairline. The first compressible soft tissue palpated is the lower side of the coronary band. The hairline does not necessarily coincide with the lower side of the coronary band. The height of heel is determined by measuring from the skin line on the lower side of the coronary band to the ground, with the ruler perpendicular to the ground (See illustration).

METHOD OF MEASURING TOE AND HEEL

Smooth Flat Surface

GR511 Exceptions for Breed Measurements

1. American Saddlebred-

- Ponies five years of age and under are eligible to compete in classes restricted to American Saddlebred-type ponies. Ponies must be presented annually for measurement unshod (note: for purposes of protection a 1/4" pad or plate may be nailed to the foot and then deducted from the official measurement).
- In order to obtain a permanent USEF measurement card American Saddlebred-type ponies, six years of age and over must be presented for measurement unshod (note: for purposes of protection a 1/4" pad or plate may be nailed to the foot and then deducted from the official measurement).
- If an American Saddlebred-type pony (regardless of age) measures up to 1 inch over 14.2 hands the pony will be issued a measurement card reflecting its height and permitted to compete in American Saddlebred-type pony classes restricted to ponies 14.2 hands and under.

2. Shetland- The animal may be presented with or without shoes regardless of how shown.

3. Arabian - heel measurements are not required. *BOD 1/16/16 Effective 12/1/16*

SUBCHAPTER 5-D QUESTIONING AND PROTESTING

GR512 Height

- An owner or trainer may protest the height of only one animal competing in a class in which he is also competing. (See GR603) For Dressage protests, see DR135.9. If a protest is filed the animal's heel must be measured by the officiating steward immediately upon exiting the arena so that no change can be made by re-shoeing or the animal must be accompanied by an official until the measurement procedure is completed. The heel measurement will be taken from the skin line to the ground (see GR510), recorded by the competition Steward and signed by the exhibitor. The animal must be measured for height within one hour of the conclusion of the session, at an officially designated measurement location for that competition. If it is determined that the animal's shoeing has been

GR5 - MEASUREMENT OF ENTRIES

changed between the time of the measurement of the heel and the official measurement of the animal, the protest will be upheld and the owner will forfeit entry fees and winnings for the entire competition and the animal is barred from competing for the balance of the competition year. All points accumulated for Horse of the Year Awards are nullified. (Exception: Heel measurements are not required for Arabians. The animal will be measured for height per Chapter 5, Subchapter 5-B and 5-C)

2. Animals Five Years of Age or Under

- a. If it is determined that an animal five years of age or under is being shown with the same heel measurement as indicated on its measurement card or valid measurement form, or a lower heel measurement than as indicated on the measurement card or valid measurement form, said animal may continue to show at the height indicated and its height cannot be protested.
- b. If it is determined that the animal is being shown with a greater heel measurement than as indicated on its measurement card or valid measurement form, the animal must be measured in accordance with GR512.1
- c. (Exception: Heel measurements are not required for Arabians. The animal will be measured for height per Chapter 5, Subchapter 5-B and 5-C) *BOD 1/16/16 Effective 12/1/16*

GR513 Toe Length

1. An owner or trainer may protest the length of toe of any animal competing in a class in which he is competing.
2. If the length of toe of any animal is protested, the Show Committee must have the official veterinarian and a judge or steward officiating in the competition measure the toe immediately so that no change can be made by reshoeing.
3. If the limit for length of toe is exceeded, the animal must be disqualified for the balance of the competition and the owner of the animal forfeits entry fees and winnings for the entire competition.

GR514 Results of Questioning or Protesting

1. The measurement card or valid measurement form of any animal that is required to transfer into another division or section must be surrendered to the competition steward who must forward it to the Federation office with his report.
2. The name of any animal barred from showing due to its height exceeding the limit for the animal's section by more than one half inch (1/2") is listed in equestrian.

The decision of competition measuring(s) officials is final for the competition where the protesting occurred. An appeal may be filed with the Federation to cover future and prior competitions.

SUBCHAPTER 5-E MEASUREMENT APPEAL

GR515 Conditions

An owner or trainer of an animal declared ineligible for a division or section on account of height may appeal a measurement. The animal is barred from competing in the particular height division or section for which he was declared ineligible until the measurement is performed.

GR516 Procedures

1. The appeal must be made to the Federation office in writing within seven (7) days of the measurement and must be accompanied by the required deposit.
2. All expenses including veterinary fees must be paid by the appellant who must make a deposit with the Federation as an advance on anticipated costs prior to the measurement.
3. The Federation will select a location and time for the appeal measurement as convenient as possible. The owner or trainer must deliver the animal to the location at his own expense within 45 days of filing the appeal.
4. The measurement must be performed by at least two persons appointed by the Federation which shall include one veterinarian who is a member of the American Association of Equine Practitioners and one Registered steward or

Technical Delegate, as permitted by division rules. The officials whose measurement is being appealed cannot be part of the team conducting the measurement appeal.

5. Any animal submitted for an appeal measurement must show no evidence of lameness. If found to be lame by the examining veterinarian, the animal cannot be measured or remeasured for thirty (30) days and the appellant forfeits his deposit and any veterinary expenses incurred. Each animal submitted for an appeal measurement must be tested for drugs and medications in accordance with General Rules, Chapter 4, GR405.
6. If the appeal is not upheld or the appellant fails to submit the animal within 45 days, the animal is barred from showing for the balance of the competition year. The deposit is forfeited and all points accumulated for Horse of the Year Awards are nullified.
7. The measurement made under the terms of an Appeal is final.

SUBCHAPTER 5-F OFFICIAL MEASUREMENT

GR517 Conditions

An owner or trainer may request an official measurement for an animal six (6) years or over provided: a) the animal has never been shown in a Licensed Competition; or b) has never been declared ineligible for a division on account of height; or c) was declared ineligible for a division on account of height prior to December 1, 1982; or d) has had a bona fide transfer of ownership; e) except for those applied for prior to December 1, 1987.

GR518 Procedures

1. The request for an official measurement must be made to the Federation in writing and accompanied by a deposit which is not refundable.
2. All expenses including veterinary fees must be paid by the person requesting the measurement who shall make a deposit with the Federation, as an advance on anticipated costs, prior to the measurement. Both the owner and trainer are required to sign a waiver and consent on a form prepared by and acceptable to the Federation agreeing to the arrangements for the official measurement, agreeing to the administration of Lasix to the animal to aid in the collection of a urine sample for laboratory tests for Federation forbidden substances. (Exception: Hackney, Roadster, and American Saddlebred.)
3. The Federation will select a location and time for the official measurement as convenient as possible. The owner or trainer must deliver the animal to the location at his own expense.
4. The measurement must be performed by at least two persons appointed by the Federation which shall include a veterinarian who is a member of the American Association of Equine Practitioners and one Registered steward. The officials whose measurement is being appealed cannot be part of the team conducting the measurement appeal.
5. Any animal submitted for an official measurement must show no evidence of lameness.
6. An official measurement is final.

GR601 General

1. Fair notice and an opportunity for a hearing shall be accorded to any amateur athlete, coach, trainer, manager, administrator, or official before the Federation may declare such individual ineligible to participate in any amateur athletic competition. Exception: When a determination of violation has been made by WADA or USADA and the Federation is required to implement and enforce any FEI penalties imposed by WADA or USADA, further Federation proceedings are not required. (See GR615.2) Any hearing conducted hereunder shall be conducted in accordance with the provisions of Chapter 6.
2. Neither the Federation nor any member of the Federation may deny or threaten to deny any member athlete, coach, trainer, manager, administrator or other official the opportunity to compete in the Olympic or Pan American Games, World Championship competitions or such other "protected competition" as defined in the USOC BYLAWS; nor may the Federation, or any member of the Federation, subsequent to such competition, censure or otherwise penalize any such athlete who participates in any such competition.
3. Any individual identified in Section 1 above who alleges that he or she has been denied by the Federation or a member of the Federation a right established by Section 2 of this Rule shall immediately inform the president of the Federation and the USOC's AAC representative for equestrian who shall cause an investigation to be made and steps to be taken to settle the controversy. Notwithstanding any efforts taken by the Federation to settle the controversy informally or through the Federation's grievance procedures set forth in Bylaws 701-704 and GR605 of Chapter 6, the individual may refer the matter to the USOC for action, as appropriate, under Section 9 of the USOC Bylaws, which can be found at the USOC web site: www.teamusa.org, under the section entitled "Legal".
4. The construction and application of Federation rules are governed by the laws of the State of New York. It shall be the duty of the Federation Hearing Committee to hear protests and charges in connection with alleged violations of the rules, to hear appeals from the Licensed Officials Committee's non-renewal or revocation of a licensed official's license, and to hear athlete and other grievances pursuant to GR602.8 and GR605.
5. For the rules and procedures which govern hearings of grievances by athletes and others, see Bylaws 701-704, and Chapter 6, GR601-602 and GR605-615.

Subchapter 6-A FILING AND CONTENTS OF PROTESTS, CHARGES AND ATHLETE GRIEVANCES

GR602 Contents, etc

1. A protest, charge or grievance must state the full name and address (if known) of the accused, must list each Rule number alleged to have been violated and must contain a complete statement of the acts which constitute the alleged violation. The maker of the protest, charge or grievance must be prepared to substantiate the protest, charge or grievance by his or her own personal testimony at a hearing or by the testimony of at least one other witness with personal knowledge who is subject to cross-examination, and by additional evidence including but not limited to sworn statements, other witnesses. The Hearing Committee, at the request of a party or on its own motion may excuse the requirement of personal testimony in the hearing of a protest, charge or grievance as it deems appropriate, if the parties to the protest, charge or grievance stipulate to the relevant facts (with the exception of any charge, protest, or grievance which may possibly affect the opportunity of any individual identified in GR601 to participate in or attempt to qualify for selection to participate in "protected competition.") unless the respondent advises the Hearing Committee at least ten (10) days prior to the hearing that he or she will be present, in person or by representative, and that he or she wants the requirement of the maker's personal testimony not to

be excused. In that case, the Hearing Committee may not excuse the requirement of personal testimony by either the maker as eyewitness or one (1) other eyewitness. The notice of hearing of any such charge or protest shall advise the respondent of this provision.

2. A protest or charge against a Licensed Competition must be referred to the Federation by the steward, technical delegate, Show Committee, competition manager or competition secretary.
3. Protests or charges that a steward or technical delegate has failed to attend the competition, perform his duties, or has otherwise violated the Rules; or that a judge has failed to conduct a class in accordance with the specifications or has otherwise violated the Rules are made in accordance with GR603-605. Such protests or charges must be referred to the Federation. In the event the accused is found guilty, he or she may be subject to any of the penalties under GR703 and notification of any penalty imposed will be published on the Federation's web site.
4. The Federation may investigate any protest, charge or alleged violation, may intervene in any protest, charge or grievance and present evidence at a hearing concerning any protest, charge or alleged violation at its discretion. The Federation may also attempt to arrange a plea agreement or dismissal of a protest or charge in lieu of a hearing by reviewing all evidence and/or conducting interviews with the maker(s) and the respondent(s) to the protest or charge (see GR617).
5. The Chair(s) of the Hearing Committee, or if unavailable the Vice Chair(s), may designate one or more members of the Hearing Committee or any other individual to investigate any protest, charge or alleged violation, to conduct any necessary fact finding, to hear evidence, to review memoranda submitted by interested parties, and to make proposed factual findings to the Hearing Committee, provided, however, that this provision shall not apply to any matters heard pursuant to Chapter 6, Subchapter 6-C, GR611.2(i) or (ii).
6. Non-protestable Decisions.
 - a. The soundness of a horse, when determined by an official veterinarian of the competition or by a judge, is not protestable.
 - b. A judge's decision, representing his/her individual preference or opinion, is not protestable unless it is alleged to be in violation of Federation rules.
 - c. A protest questioning the height of a horse or the length of a horse's foot may only be made to the Show Committee. See GR512-514 and HU180.
7. Withdrawal of a Protest or Charge. If, prior to a hearing being held, the maker of a protest or charge wishes to withdraw it, he or she must make written application to the Hearing Committee, setting forth the reasons for the request. Following review of said application, the Hearing Committee will determine whether to allow the protest or charge to be withdrawn or whether to schedule the matter for hearing at a later date.
8. Any member of the Federation may file a protest or charge or grievance with the Hearing Committee pertaining to any matter within the cognizance of the Federation and alleging a violation of any provision of the Federation's Bylaws or Rules, the Amateur Sports Act of 1978, or the USOC's Constitution or By-Laws.

GR603 Protests

1. Any rider, driver, handler, vaulter, longeur, exhibitor, owner, agent, trainer or the parent of a junior exhibitor, or any Life, Senior, or Junior member present at the competition may file a protest with the Show Committee of a Licensed Competition or The Federation Hearing Committee alleging violation of any Federation rule(s). The protest must contain all information as specified in GR602.1 and must be:
 - a. in writing,
 - b. signed by the protester,
 - c. addressed to the Show Committee of the competition at which the alleged violation occurred, or to the Hearing Committee,
 - d. accompanied by a deposit of \$200 if made by a Federation member or the parent of a junior exhibitor member

GR6 - PROTEST AND CHARGES

or \$300 if made by a non-member (if check, payable to the competition or to the Federation); said deposit will be refunded in the event the protest is upheld, and

- e. received by the steward, technical delegate, a member of the Show Committee, the competition manager or the competition secretary within 48 hours of the alleged violation. If made directly to the Hearing Committee, the protest must be received at the Federation office by the tenth business day following the last recognized day of the competition, or by the tenth business day following the date on which the alleged violation occurred if it occurred other than at a Licensed Competition.

GR604 Charges

1. Any official of a USEF Licensed Competition, any Steward or Technical Delegate assigned to a USEF licensed competition, any National Officer of the Federation or the CEO of the Federation or his designee may file a charge with the Show Committee or the USEF Hearing Committee alleging a violation of any Federation rule(s).
2. A charge must be:
 - a. in writing,
 - b. signed by the person making the charge,
 - c. addressed to the secretary of the competition at which the alleged violation occurred, or to the Hearing Committee and
 - d. if made to a Show Committee it must be received by the steward, technical delegate or a member of the Show Committee within 48 hours of the alleged violation. If made to the Hearing Committee it must be received by the Federation within a reasonable time.

GR605 Grievances

1. A grievance may be filed by any amateur athlete, or other eligible athlete, coach, trainer, manager, administrator or official regarding his/her opportunity to participate in, or to attempt to qualify for selection to participate in any equestrian event of the Pan American Games, Paralympic Games, the Olympic Games, World Championship competitions or any other protected competitions as that term is defined in Section 1.3 (w) of the USOC Bylaws, including any domestic amateur athletic competition or event organized and conducted as part of the selection procedure directly qualifying each successful competitor therein as an athlete representing the U.S. in such equestrian international competitions. Any grievance must be made in writing over the signatures of the person or persons presenting the same, and must state the full name(s) and address(es) of the athlete, coach, trainer, manager, administrator, official, the Federation, another organization which is an Affiliate Member of the Federation, a committee of the Federation or a committee of an Affiliate Member of the Federation against whom the grievance is made, and must include with specificity a complete statement of the acts which constitute such grievance, including the requested relief sought. The maker(s) must be prepared to substantiate the grievance at a hearing by a preponderance of the evidence by personal testimony of a witness or witnesses with personal knowledge subject to cross-examination and by sworn statements, other witnesses and by other competent evidence. The requirement of personal testimony may be excused by the Hearing Committee if the parties to the protest, charge or grievance stipulate to the relevant facts. The accused shall have the right to be assisted in the presentation of his/her case at the hearing, including the assistance of legal counsel, if desired; the right to call witnesses and present oral and written evidence and argument; the right to confront and cross-examine adverse witnesses; and the right to have a record made of the hearing if desired.
2. The grievance should be addressed to the Hearing Committee and should be transmitted to the attention of the Federation CEO or his designee at the Federation office by hand delivery or by certified mail or by facsimile as soon as practicable following the events which are the subject of the grievance.

As soon as practicable after the receipt of such grievance, the CEO or his designee shall promptly communicate

informally with the parties and the president of the Federation and the USOC's AAC representative for equestrian, or, in the event there is a conflict of interest, the AAC alternate representative and they shall make every effort to resolve the grievance to their and the parties' mutual satisfaction, and if unsuccessful, the CEO or his designee shall, without prejudice to the right of the complainant to pursue remedies available pursuant to the Amateur Sports Act of 1978 and the USOC Constitution, arrange for a prompt hearing of the grievance by the Hearing Committee.

3. Any person, committee, association or organization, including the Federation or any affiliate, member or member organization, against whom a grievance has been filed pursuant to either GR602 or GR605 of the Rules is entitled to a hearing. Such hearing shall be after advance written notice of the specific charges or alleged violations, and of the time, place and opportunity to participate in person and/or by counsel or other representative given to the person(s) presenting the grievance, the accused and all other possibly affected parties. Notices of hearing must be accompanied by a copy of the written grievance and shall set forth the possible consequences if the charges are found to be true.
4. The Hearing Committee shall review the record of any grievance hearing and promptly issue its written findings and determination based on the evidence in record in accordance with Chapter 6, which shall be final and binding upon the parties, except where otherwise provided in the Bylaws of the USOC.
5. The hearing shall take place no earlier than 20 days after receipt of notice by the person charged and not later than 60 days from such receipt so as to ensure that the person charged has sufficient time to prepare a defense.
6. The pre- and post-hearing procedures set forth in Subchapter 6-B and Subchapter 6-D and the hearing procedures set forth in Subchapter 6-C, GR611, shall apply with the exception that hearings pursuant to GR602, GR605.1 and GR611.2 may not be heard by a Hearing Officer and that temporary suspensions pursuant to GR609 may not be imposed prior to a hearing by the Hearing Committee.

Subchapter 6-B PRE-HEARING PROCEDURES

GR606 Notice

1. Any person, group of persons or competition against whom a protest or charge is filed are entitled to a hearing. Such hearing shall be after at least twenty (20) days' written notice to the accused except that a Show Committee may hold a hearing during or within 48 hours of a competition after 24 hours' written notice to the accused unless this notice requirement is waived in writing by the accused. Notice of hearing must contain a brief statement of the facts constituting the alleged violation, the Federation rules allegedly violated and must specify the time and place at which the hearing is to be held.
2. Initial written notice of a protest or charge must be sent to the accused within sixty (60) days from the date the protest or charge is received in the Federation office or from the date a charge is issued by the CEO, his designee or National Officer of the Federation. This initial notice may either specify a time and place at which the hearing is to be held or state that the hearing will be held at a date to be determined. If the initial notice does not specify a date and place, a subsequent notice of hearing specifying the date and place of the hearing will be sent at least twenty (20) days prior to the hearing date.
3. Any notice sent to the last known address on file with the Federation shall be deemed sufficient notice.

GR607 Continuances & Emergency Postponements

1. A respondent, protester or charging party may request a continuance of a scheduled hearing. A motion for continuance must be made in writing prior to the hearing and received by the Federation at the address designated in the Notice of Hearing as soon as the need for a continuance is known, but in any event at least 21 days prior to the time set for the hearing. A first continuance motion must be accompanied by a \$750 fee which will be refunded if the continuance is not granted. Any second or subsequent application for continuance will only be considered upon receipt of a written continuance motion and \$1500 fee which will be refunded if the continuance is not granted.

GR6 - PROTEST AND CHARGES

Motions for continuance will only be granted at the discretion of the Hearing Committee upon good cause shown. Prior engagements of counsel may or may not be considered good cause. A second request or repeated requests by defense counsel for continuances due to counsel's unavailability on a scheduled hearing date or dates may in the discretion of the committee's co-chairs be grounds for the denial of a continuance request. In that event, the respondent must promptly arrange to proceed with or without substitute counsel. (Note: When the Federation, as charging party or its representative(s) requests a continuance, there will be no fee.)

2. An emergency postponement of a scheduled hearing will be granted to a respondent, protester or charging party in case of severe illness, natural catastrophe or other emergency circumstances that would prevent the individual's attendance at the hearing. Such a motion must be in writing, setting forth the reasons and providing proof, if available, and must be received by the Federation at the address designated in the Notice of Hearing as soon as the need for continuance is known. A first motion for an emergency postponement must be accompanied by a fee of \$250 and any second or subsequent motion for an emergency postponement must be accompanied by a fee of \$1,000. These fees may be waived or refunded at the discretion of the Hearing Committee
3. Motions for a continuance or emergency postponement received prior to a scheduled hearing will be ruled upon by the Co-Chairs, or at least a quorum, of the Hearing Committee.

GR608 Evidence

1. Accused persons may attend their hearing at their option, with or without counsel, and may bring witnesses, submit sworn statements or other evidence on their behalf.
2. The proponent of a protest, charge or grievance has the burden of proof by a preponderance of the evidence.
3. Upon the written request of an accused or accuser or of a representative of the Federation when it is a party to the proceeding, there shall be furnished to the requesting party reasonably in advance of the hearing copies of any evidence proposed to be introduced into evidence at the hearing, the names of witnesses and the substance of their testimony and the notice of hearing shall so advise. When the Federation is not a party to the matter, such exchange must take place between the parties to the matter.
4. The parties are required to copy one another on all documents and evidence sent to the Federation.
5. In connection with charges brought by a steward, TD or competition official when they are not themselves eyewitnesses to the matters addressed in the charge, they may participate at the hearing by teleconference call unless the Hearing Committee determines otherwise in its discretion.

GR609 Temporary Suspension

In connection with any protest, charge, or any other matter which may properly fall within the jurisdiction of the Hearing Committee, and upon a finding that considerations involving the health, safety or welfare of Federation members and/or their horses, or the best interests of horse showing generally, warrant prompt action pending consideration of the matter by the Hearing Committee, the CEO or his designee may, by giving written notice of such action, temporarily suspend any person from participating in any manner in the affairs of the Federation or participating in or attending all Licensed Competitions until the Hearing Committee can hear the protest, charge or other matter and take such further temporary or other disciplinary action as it deems appropriate under these Rules, including temporarily suspending any person from participating in any manner in the affairs of the Federation or participating in or attending all Licensed Competitions, until the Hearing Committee can hear or determine the protest, charge or other matter, provided, however, that in instances involving GR605 and GR611.2(i) or (ii) where the USOC Bylaws apply, a hearing by the Hearing Committee shall be held on notice before any suspension is imposed.

coach or driving coach, coach, trainer, manager, administrator or official to participate in, or to attempt to qualify for selection to participate in, the Pan American Games, Paralympic Games, the Olympic Games, World Championship competitions or any other “protected competitions” as that term is defined in Section 1.3 (w) of the USOC Bylaws whether such grievances be against a competition, athlete, coach, trainer, manager, administrator or official of The Federation, another organization which is an affiliate member of The Federation, a committee of The Federation, or a committee of an affiliate association or a committee of The Federation. In (i) hearing grievances and (ii) hearing any protest or charge within the jurisdiction of the Hearing Committee arising out of a “protected competition,” affecting the opportunity or ability of any amateur athlete, rider, driver, handler, vaulter, longeur, owner, lessee, agent or trainer, riding coach or driving coach, coach, trainer, manager, administrator or official to compete or participate, five members of the Hearing Committee shall be appointed by the co-chairs of the Hearing Committee, after consultation with the President, to constitute the hearing panel, of whom at least two shall be Athlete members of the Committee, who are not competing in the discipline which is involved in the dispute. The Hearing Committee shall promptly issue its findings in accordance with the Federation’s Bylaws and Chapter 6, which findings shall be final, except where otherwise provided in the Constitution and Bylaws of the USOC.

3. The functions of any member of the Hearing Committee or any other presiding person participating in any decision shall be conducted in an impartial manner, subject to the published Rules of the Federation and within its powers. The Hearing Committee and other persons presiding on pre-hearing motions and at hearings shall give all parties a fair hearing and act as authorized by Federation rules. All members of a hearing panel must be present during the entire hearing to hear and consider all the evidence, as well as to deliberate and decide the outcome of the matter, except as may be otherwise agreed by all parties to the proceedings.
4. Any member of the Hearing Committee or any presiding or participating person may at any time disqualify himself or herself. Upon request of a party or in matters heard pursuant to GR611.2(i) or (ii) the identity of the persons who will preside and participate at a hearing shall be disclosed reasonably in advance of the hearing. On the submission in good faith, of a timely and sufficient affidavit of personal bias or other grounds for disqualification of a presiding or participating person, the presiding person, persons or Hearing Committee will consider and decide the matters raised as a part of the record and decision in the case.
5. The Hearing Committee or any person or persons presiding at any pre-hearing proceedings, the reception of evidence and any review or appeal of a decision shall prepare a written record of the proceedings which shall include the evidence considered in the proceeding, each finding of fact based on the evidence, the conclusions and decisions regarding alleged rule violations and a statement of penalties, if any, imposed and of other relief granted or denied. This written record constitutes the official record and decision of the Hearing Committee, or any presiding person or persons, and all decisions, including initial recommended and final decisions are a part of the official record. In order to expedite the issuance of a written ruling or rulings the written record may be issued in abbreviated form in the discretion of the presiding person(s), but in such event the presiding person(s) shall retain the option of replacing the abbreviated ruling with a complete written record at any time, and shall do so if requested in writing by a party to the matter or by the Federation Board of Directors. The written record shall be issued within 10 business days of the hearing of a grievance or other matter heard pursuant to GR611.2(i) or (ii) and may be issued in abbreviated form.
6. Opening and closing statements may be made by the parties to the protest, charge or grievance or their representative, but the Hearing Committee reserves the right to limit the length of such statements.
7. The Federation will not require a verbatim stenographic transcript of the hearing to be made, but parties to the hearing may arrange for one through the Federation in advance of the hearing and one will be ordered for them and the Federation at the expense of the party or parties requesting the transcript. If a transcript is ordered, it becomes part of the official record of the proceeding, cannot be canceled after the hearing is held, and must be paid for by the requesting party or parties. If the Federation itself requests and arranges for the transcript, copies will be provided

to the respondent(s) by the Federation only upon payment by the respondent(s) to the Federation of one-half (1/2) the cost to the Federation of the transcript. If another party requests the transcript, a copy will be provided to Federation upon payment by Federation of one-half (1/2) the cost to the party of the transcript.

8. Upon the consent of the parties to a protest, charge or grievance, the co-Chairs of the Hearing Committee may direct that the matter be summarily heard and decided on an expedited basis upon such notice acceptable to the parties as time and circumstances allow for justice to be done. Even absent the consent of the parties, the co-Chairs of the Hearing Committee may in their discretion direct that a hearing of any grievance heard pursuant to either GR602.8 or GR605 of the Rules shall be expedited whenever in their opinion by majority vote it is necessary to expedite the matter in order to resolve it and produce a sufficiently early decision to do justice to the affected parties. Upon the request of an athlete or other party that it is necessary to expedite such hearing in order to resolve a matter relating to a competition which is so scheduled that compliance with regular procedures would not be likely to produce a sufficiently early decision to do justice to the affected parties, the hearing shall be so expedited to be concluded prior to the competition. The hearing may be conducted at the site of athletic competition or by telephone conference if necessary. The notice of hearing may be oral, or in writing, and shall in every instance contain the following: the party filing the charge, protest or grievance; any other party involved; identification of the person or persons subject to the charge, protest or grievance; the Federation bylaw or rule allegedly violated or about to be violated; a concise statement of facts surrounding the alleged violation; and the action that the party filing the charge, protest or grievance wants taken. The decision of the hearing panel may be rendered orally, shall be final and may be made effective immediately, but shall be reduced to writing at the earliest possible time, shall include findings of fact and conclusions based upon such findings, and shall be promptly provided to all of the parties involved.
9. Whether or not the same are specifically provided for elsewhere in the Rules, in all hearings conducted pursuant to GR611.2(i) or (ii), above, the parties shall be accorded:
 - a. Notice of the specific charges or alleged violations in writing, and possible consequences if the charges are found to be true;
 - b. Reasonable time between receipt of the notice of charges and the hearing within which to prepare a defense;
 - c. The right to have the hearing conducted at such a time so as to make it practicable for the person charged to attend;
 - d. A hearing before a disinterested and impartial body of fact finders wherein the proponent of the charge must substantiate the charge by a preponderance of the evidence;
 - e. The right to be assisted in the presentation of one's case at the hearing, including the assistance of legal counsel, if desired;
 - f. The right to call witnesses and present oral and written evidence and argument; The right to confront and cross-examine adverse witnesses, including the right to be provided the identity of witnesses in advance of the hearing;
 - g. The right to have a record made of the hearing if desired;
 - h. A written decision, with reasons therefor, based solely on the evidence of record, handed down in a timely fashion;
 - i. Written notice of appeal or review pursuant to GR612 procedures, where applicable, if the decision is adverse to the person charged, and prompt and fair adjudication of the appeal or review.

Subchapter 6-D POST HEARING PROCEDURES**GR612 Review of Decisions**

1. By the Hearing Committee
 - a. A respondent, protester or charging party who wishes to request a review of the Hearing Committee's original decision must make such request in writing, setting forth the reasons why a review is sought. Said request must be accompanied by a fee of \$500, which fee is not refundable except in the discretion of the Hearing Committee. Said request and fee must be received within 30 days from the issuance of the ruling being reviewed.
2. Appeal of decisions made by other than the Hearing Committee
 - a. When the presiding person, persons or Show Committee other than the Hearing Committee makes an initial decision, that decision then becomes the decision of the Federation without further proceedings, unless there is a written appeal to the Hearing Committee for review by a party to the proceeding or by the Federation, which must be received within thirty (30) days from the issuance of the ruling being reviewed. On appeal from the initial decision, the Hearing Committee will not review findings of fact; but will determine whether the rules were properly interpreted and applied.

GR613 Rehearing

Upon the discovery of new facts not discoverable by due diligence prior to a hearing, a party may request a hearing before the Hearing Committee. Such request must be in writing and must contain a statement of the new facts upon which it is based and must be accompanied by a fee of \$250, which fee is not refundable except in the discretion of the Hearing Committee. Said request and fee must be received by the Federation within 30 days from the issuance of the ruling which is being contested. Rehearings will not be granted as a matter of right but are at the discretion of the Hearing Committee.

GR614 Notification

1. When a decision has been reached regarding a charge or protest heard by the Hearing Committee the Federation shall send out the findings within 60 days of the decision, including references to GR704, as applicable. Where findings cannot be issued within 60 days of the decision, the Federation shall send written notification to all concerned parties that the findings are not yet available and when the findings are expected to be released.
2. The Federation will publish on the Federation's web site a notice of every penalty assessed against any person, horse or Licensed Competition and the period of any suspension. Any Licensed Competition which allows a suspended or expelled person or horse to participate is itself liable to penalty, including suspension or expulsion.
3. The Federation may report disciplinary action taken by the Federation to another association if in its opinion reporting is advisable for the protection of mutual interests.

GR615 Reciprocity

1. On receipt of notice that disciplinary action has been taken by an administrative agency, arbitration or other tribunal body, humane society or court of law, whether civil, criminal, arbitral or administrative, against a person, a National Officer of the Federation or the CEO of the Federation or his designee may make a charge against the person under the provisions of Chapter 6 and following a hearing, the Hearing Committee may impose any penalty provided for in Chapter 7.
2. On receipt of notice that USADA or WADA has taken disciplinary action and has applied penalties in accordance with FEI General Regulations against a person subject to Federation rules, with notice to the affected parties but without further proceedings, the Federation shall impose any sanction resulting from the adjudication process in accordance with USADA or WADA protocols, as applicable.
3. Upon receipt of notice that a court of law has entered a judgment or final order against a person, corporation,

partnership or other entity for monies owing to a Federation Senior Active or Life Member related to equestrian activities (e.g. training fees, coaching fees, stabling fees, horse board, horse transport, veterinary fees) and in connection with Licensed Competition, which order or judgment is final and not subject to further appeal, a National Officer or the CEO of the Federation or his designee may make a charge against such person or entity under the provisions of Chapter 6, and following a hearing, the Hearing Committee may suspend such person or entity pursuant to Chapter 7, GR703.1.b and .c and/or Chapter 7, GR707.1b but any such suspension shall not extend beyond the time that such judgment or order is satisfied of record in said court of law and may be for shorter period of time in the discretion of the Hearing Committee.

4. On receipt of notice that the Federation Equestrian Internationale (FEI) has imposed penalties in accordance with FEI General Regulations against a person subject to Federation rules, with notice to the affected parties but without further proceedings, the Federation shall recognize and enforce the sanction.
5. Following a hearing, The Federation's Hearing Committee may deny or suspend the privilege to participate in or go upon the grounds of Licensed Competitions, and/or deny, expel or suspend the privileges or membership in the Federation to any person, whether or not a member of the Federation, whom an indictment, information or charge has asserted, or whom any civil, criminal or administrative court or arbitration or other tribunal has found, to have committed or participated in any plan or conspiracy to commit any act of cruelty or abuse to a horse, whether or not any such alleged or actual act, plan, or conspiracy occurred on the grounds of a Licensed Competition, or was in conjunction with, or was an element of some other offense, actual or alleged. For purposes of this subsection, cruelty and abuse shall include, but shall not be limited to, any of the acts enumerated in GR839.4, and, in addition, killing, crippling, abandoning, mistreating, neglecting, or any other form of abuse of a horse.

Subchapter 6-E ADMINISTRATIVE PENALTIES AND PLEA AGREEMENTS

GR616 Administrative Penalties

1. Administrative Penalties for violations of Chapter 4 (Drugs and Medications) will be handled pursuant to Chapter 4, GR412. For violations of any other rules, the procedures outlined below will be utilized.
2. In the event of an apparent rule violation, other than one involving Chapter 4, which is brought to the attention of the Federation and where no protest or charge has been filed, the Federation may hold in abeyance the issuance of charges of rule violation pending further determination by the Federation CEO or his designee.
3. After investigating the situation, the CEO or his designee shall make a determination in his or her discretion whether to issue charges of rule violation, impose administrative penalties, issue a warning or take no further action in the matter.
4. In the event the CEO or his designee determines to impose administrative penalties in lieu of the issuance of charges of rule violation, he or she shall be authorized to impose any or all of the penalties enumerated in Chapter 7, GR703 and/or Chapter 7, GR707, setting forth the terms and conditions for compliance. The parties offered the administrative penalty shall, after written notice, be subject to any and all administrative penalties imposed by the CEO or his designee, unless a timely written request for a hearing is made pursuant to the provisions of GR616.6.
5. The Federation shall give written notification to the accused of administrative penalties determined pursuant to GR616.4, the terms and conditions of which shall not be subject to negotiation. An administrative penalty must be approved by the Hearing Committee Co-Chairs before it is offered to the Respondent(s). Once accepted by all parties and by the Hearing Committee, an administrative penalty shall have the same force and effect as would a finding of rule violation by the Hearing Committee following a hearing and will be published on the Federation's web site. In the event that the Hearing Committee does not approve an accepted administrative penalty, written notification of same will be sent to the accused and shall constitute a timely written request for a hearing pursuant to GR616.6.

GR6 - PROTEST AND CHARGES

6. Any accused person who receives notice of an administrative penalty under GR616.5 may request a hearing before the Hearing Committee. A written request for a hearing must be actually received in the Federation office within 30 days of the date of receipt by the accused of the notice of administrative penalty(ies), after which time the right to a hearing shall be deemed to have been permanently waived. Once accepted by the accused and approved by the Hearing Committee, administrative penalties shall be effective immediately, shall be final, and shall not be subject to further review under any circumstance(s).
7. In the event a timely written request for a hearing is received in accordance with GR616.6, the Federation shall issue written charges pursuant to GR602 and GR604 and the Hearing Committee shall conduct a hearing upon said charge(s). In the event of a finding of a violation, the Hearing Committee shall not be limited in choice of penalties to those that might have been imposed in accordance with GR616.4, nor in any such instance shall the Hearing Committee be limited in any other way in exercising all of its prerogatives as set forth in the Bylaws and Rules.
8. An offer of an administrative penalty will not preclude the filing of charges by a party other than the CEO or his designee pursuant to GR602 and GR604. Such a charge, however, must be received by the Federation before the administrative penalty is approved by the Hearing Committee. In the event such a charge is filed and in the event the CEO or his designee is subsequently unable to adjust the matter pursuant to GR617 to the satisfaction of the charging party and the accused, then the offer of administrative penalty shall be nullified and the matter shall proceed to hearing.

GR617 Plea Agreements

1. The provisions of this Rule will apply to violations of Chapter 4 (Drugs and Medications) as well as violations of any other rules.
2. The Federation CEO or his designee may investigate any pending protest or charge and attempt to settle the matter in lieu of having it proceed to hearing.
3. After investigating the situation, the CEO or his designee shall make a determination in his or her discretion whether to offer a plea agreement, direct that the matter proceed to hearing, or recommend dismissal of the protest or charge.
4. In the event the CEO or his designee determines to offer a plea agreement, he or she shall be authorized to offer any or all of the penalties enumerated in Chapter 7, GR703, setting forth the terms and conditions for compliance. The parties offered the plea agreement shall, after written notice, be subject to any and all penalties imposed by the CEO or his designee, unless a timely written request for a hearing is made pursuant to the provisions of GR617.6 or unless the maker of the protest or charge challenges the plea agreement pursuant to GR617.8.
5. The Federation shall give written notification to the accused and to the maker of the protest or charge of an offer of a plea agreement determined pursuant to GR617.4, the terms and conditions of which shall not be subject to negotiation. Plea agreements accepted by both the accused and the maker of the protest or charge in accordance with this Rule are subject to approval by the Hearing Committee and in the case of an allegation of a violation of Chapter 4, to approval by the Chairman of the Federation Equine Drugs and Medications Committee. Once accepted by all parties and by the Hearing Committee, a plea agreement shall have the same force and effect as would a finding of rule violation by the Hearing Committee following a hearing and will be published on the Federation's web site. In the event that the Hearing Committee does not approve an accepted plea agreement, written notification of same will be sent to the accused and to the maker of the protest or charge and shall constitute a timely written request for a hearing pursuant to GR617.6.
6. Any accused person or maker of a protest or charge who receives notice of a proposed plea agreement under GR616.5 may request a hearing before the Hearing Committee. A written request for a hearing must be actually received in the Federation office within 30 days of the date of receipt by the parties of the notice of the offer of a plea agreement, after which time the right to a hearing shall be deemed to have been permanently waived. Once

accepted by the parties and approved by the Hearing Committee, plea agreements shall be effective immediately, shall be final, and shall not be subject to further review under any circumstance(s).

7. In the event a timely written request for a hearing is received from the accused in accordance with GR617.6, the Federation shall schedule the matter for hearing and the Hearing Committee shall conduct a hearing upon said protest or charge. In the event of a finding of a violation, the Hearing Committee shall not be limited in choice of penalties to those that might have been imposed in accordance with GR617.4, nor in any such instance shall the Hearing Committee be limited in any other way in exercising all of its prerogatives as set forth in the Bylaws and Rules.
8. If the accused accepts the offer of the plea agreement and the maker of the protest or charge does not, said person(s) can request a hearing before the Hearing Committee upon submission of a written request, and in the case of a protest, upon payment of a \$250 fee (which is not refundable), and the matter shall proceed to hearing.
9. If after investigation of a protest or charge, it is the recommendation of the CEO or his designee that the matter should be dismissed, he or she will notify the maker of the protest or charge and the accused. If the maker of the protest or charge does not agree, said person(s) can request a hearing before the Hearing Committee upon submission of a written request and in the case of a protest, upon payment of a \$500 fee (which will be refunded in the event the protest or charge is upheld) and the matter shall proceed to hearing.

CHAPTER 8 CONDUCT OF LICENSED COMPETITIONS**SUBCHAPTER 8-A ATTIRE AND EQUIPMENT****GR801 Dress**

1. It is the tradition of the competition ring that riders and drivers be correctly attired for the class in question, that attendants be neatly dressed and horses be properly presented.
2. It is compulsory for all persons at Federation licensed hunter, jumper or hunter/jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. Exception: In Hunter or Jumper classes, adults may be allowed to remove their headgear while accepting prizes and during the playing of the National Anthem only; they must refasten their headgear prior to the lap of honor. It is compulsory for riders in Paso Fino classes, both open and breed restricted including Hunter Hack, where jumping is required and when jumping anywhere on the competition grounds to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. A Show Committee must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience.
3. Except as may otherwise be mandated by local law, all sub-junior exhibitors in the Paso Fino division, while riding or driving or while in the driving cart anywhere on the competition grounds, must wear properly fitting protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. Harness must be secured and properly fitted. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. For all exhibitors competing in the hunter, jumper, or hunter seat equitation section, if a rider's chin strap becomes unfastened, the rider may stop, re-fasten the chin strap and continue his/her round without penalty or elimination. A judge may, but is not required to stop a rider and ask them to refasten a chin strap which has become unfastened, again without penalty to the rider. Members of the Armed Services or the Police may wear the Service Dress Uniform.
4. Any exhibitor may wear protective headgear (ASTM/SEI) and/or a protective vest either body protecting or inflatable, specifically designed for use in equestrian sport in any division or class without penalty from the judge. The Federation recommends that the vest pass or surpass the current ASTM standard F1937 or be certified by the Safety Equipment Institute. For Eventing, inflatable vests are permitted only when worn over a body protecting vest.
5. See DC928 for protective headgear requirement in Combined Driving.
6. See DR120 for protective headgear requirement in Dressage.
7. Except as may otherwise be mandated by local law, the Federation strongly encourages all riders, while riding anywhere on the competition grounds, to wear protective headgear with harness secured which passes or surpasses ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. (Exception hunter, jumper, or hunter/jumper competitions refer to GR801.2) It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee, and Licensed Officials are not responsible for checking headgear worn for such compliance.
8. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve

inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

9. Boots/shoes worn while riding anywhere on the competition grounds must have a distinguishable heel. (Exception: Arabian, Hackney Pony, Morgan, National Show Horse, Parade, Roadster, American Saddlebred, and Saddle Seat Equitation).
10. Competitors must display the correct number which must be clearly visible while performing in any class unless otherwise stated in the prize list. Competitors may be penalized at the discretion of the judge. Numbers to be supplied by management in compliance with GR1213.11. Refer to DR121.11 (Dressage) and DR207.8 (Dressage Sport Horse Breeding).
11. Refer to EQ105.1& 2 and HU126.

GR802 Artificial Markings and Appliances

1. Any change of color or markings other than mane, tail or hoof is prohibited. (Exception: Arabian and Half/Anglo Arabian halter, see AR106; Reining Division; Friesian Division; Paso Fino, see PF101.3). Only clear grooming materials are allowed on the hide and hair. Materials may be used to remove stains.
2. All artificial appliances other than those permitted in division rules are prohibited (Exception: Reining and Jumper Divisions). Bandages, tailsets, chains or other training devices are prohibited in the ring in Breeding/Halter classes.

GR803 Use of Whips

No item may be used inside or outside the ring while showing a horse except one whip per handler. If whips are allowed, they must be no longer than 6' including the snapper or lash. No appendages of any kind are permitted. One lungeing whip is permitted only when lungeing. Some breed and/or disciplines may have use of whip division rules that depart from this rule and as such, the division rule governs. (GR150.1)

GR804 Shoeing Regulations

1. In some parts of the country, it is common practice to show unshod horses in certain classes. A horse cannot be barred from the ring because of being unshod but, in classes in which it is common practice for all horses to be shod, a barefoot horse may be penalized at the judge's discretion.
2. Competitions offering classes in a division that designates a maximum weight for shoes (Paso Fino, Welsh) must provide accurate scales for weighing. If any horse casts a shoe in any of these classes, the shoe, including pad if used, but not including nails must be immediately weighed by the judge. In these classes, a competitor may not be excused from the ring until the judge is satisfied that the horse has not cast a shoe. Refer to GR109.2.
3. If the weight of a shoe and pad is protested, the owner may either withdraw the entry and forfeit all entry fees and winnings of the protested entry for the entire competition, in which event the protest must be withdrawn and the fee refunded or, have the shoe and pad removed in the presence of the competition veterinarian and steward so it can be weighed immediately.
4. Whether cast or removed, if the shoe including pad exceeds the weight limit, the entry must be disqualified for the balance of the competition and all entry fees and winnings of the entry for the entire competition will be forfeited. Removal and replacement of any protested shoe and pad is the sole responsibility of the owner of the entry; however, if the protest is not upheld, the protestor must pay \$15 to defray the cost of removal and replacement of the shoe.
5. See AR106 for Arabian shoeing regulations.

SUBCHAPTER 8-B COMPETITION AWARDS, HONORS, AND PRIZES

GR805 Challenge Trophies

1. A Challenge Trophy is a trophy donated to or offered by a competition which must be won a specified number of times under specified conditions. When originally placed in competition, it becomes the property of the Show

GR8 - CONDUCT OF COMPETITIONS

Committee and cannot be withdrawn by the donor.

2. The conditions of the Challenge Trophy may not be changed without the consent of the trophy donor or his legal representative and of all who have qualified as potential winners of the trophy, except in the event that the conditions stipulated are in conflict with the current rules of the Federation. In such an event, the Show Committee must confer with the Federation as to procedure.
3. The winner of a leg on a Challenge Trophy in competition is entitled to possession of such trophy for a period of 10 months from date of winning unless a competition stipulates that the trophy will remain in its possession. The winner is responsible for protection and care of the trophy while in his possession. At the expiration of 10 months, or two months prior to the next annual competition, the competition may demand return of trophy if it has not been won outright. Failure of an exhibitor to return the trophy constitutes a violation under Chapter 7 and renders the exhibitor subject to penalty.
4. If a Challenge Trophy is competed for at more than one competition per year, the committee may elect to keep the trophy in its possession.
5. If a Challenge Trophy is destroyed, stolen or lost and therefore cannot be returned, the exhibitor who had possession of the trophy must pay to the competition the cost of replacing it with a trophy equally suitable and satisfactory to the Show Committee. The exhibitor will be exempt from penalty if the trophy is replaced before the next competition.
6. Should a competition or class be discontinued or not held for any period of time, any unretired Challenge Trophies offered at such competition must be returned at the expiration date of ten months to the last active Show Committee. This committee will determine the disposition of such trophies but they may not be placed in competition at any competition unless the provisions of paragraph 2 are met.
7. In the event of the death of an exhibitor who has won one or more legs on a Challenge Trophy, a member of that exhibitor's family may include such previous winnings in any further competitions for such Challenge Trophy in which they may engage.
8. If a Challenge Trophy is competed for and won under a farm name and the farm is later sold to another person who retains the farm name, legs won on the trophy by the first owner will not be counted by the subsequent owner of the farm in his competition.

GR806 Perpetual Trophies

A Perpetual Trophy is a trophy donated to or offered by a competition which is never awarded permanently to an exhibitor but remains the property of and in the possession of a competition. The Show Committee may present a replica or souvenir trophy to the annual winner. The conditions of a Perpetual Trophy are identical with those of a Challenge Trophy. Exception: previous winners need not be consulted when and if specifications are changed.

GR807 Prize Ribbons

1. At all Licensed Competitions, the prize ribbons are to be the following colors:

Grand Champion	Blue, Red, Yellow and White
Reserve to Grand Champion	Red, Yellow, White and Pink
Champion	Blue, Red and Yellow
Reserve Champion	Red, Yellow and White
First Prize Blue	Sixth Prize Green
Second Prize Red	Seventh Prize Purple
Third Prize Yellow	Eighth Prize Brown
Fourth Prize White	Ninth Prize Gray
Fifth Prize Pink	Tenth Prize Light Blue

2. It is recommended that competitions offer one ribbon for every six entries.
3. A Licensed Competition located outside the United States may conform to the practice of the country in which it is situated with respect to the color of the ribbons used.

GR808 Awarding Championships

1. Championship classes for a specific height or sex may be offered in any division as set forth in the respective division rules. Judging specifications must follow those of the Open Championship class.
2. In the Hunter divisions, Championships must be awarded on points. In the Morgan and Welsh Pony divisions, Championships may be awarded on points or held as performance classes. (See JP110.2 for Jumper Championships)
3. When Championships are awarded on points, all competitors must be given an equal opportunity to obtain points. In all other divisions, Championships must be awarded in a Championship Performance class and all entries must be given an opportunity to qualify.
4. Only the first four ribbons in each class are counted regardless of the number offered. Ribbons have the same point value even if less than the specified four places are awarded due to lack of entries, etc. Exception: See JP110.2 for Jumper Championships.

5. Point Value:

Blue ribbon	5 points	Yellow ribbon	2 points
Red ribbon	3 points	White ribbon	1 points

6. In Hunter sections only the first six ribbons in each class are counted regardless of the number offered. Ribbons have the same value even if less than the specified six places are awarded due to lack of entries. First Place...10 points, Second Place...6 points, Third Place...4 points, Fourth Place...2 points, Fifth Place...1 point, Sixth Place...1/2 point.

GR809 Performance Championships

1. A Show Committee must designate all qualifying classes and can require any or all winners in a qualifying class at that competition to compete in a Performance Championship class provided this is stated in the prize list and the gaits required are the same as in the qualifying class. Any exhibitor failing to comply must forfeit all prize money in the qualifying class. If an exhibitor or trainer qualifies more than one horse for a Championship class he can elect to show only one. (This does not apply to Regional and National Breed Affiliate approved Competitions.)
2. To be eligible to show in a Performance Championship class a horse must have been properly entered, shown and judged in one qualifying class at that competition in the same division or section. (This does not apply to Regional and National Breed Affiliate approved Competitions.)
3. An entry which while performing in a qualifying class fails to qualify by reasons of equipment repair, shoeing time, illness (certified by the official veterinarian) or failure of a class to fill shall be permitted to pay double fee and make a post entry in another qualifying class in the section or if no subsequent qualifying class is available for such post entry, the horse shall be considered qualified for the Performance Championship class, provided the horse has previously been entered in the Championship or Stake. Exception: Dressage. (See also GR117.3)
4. To avoid divided Performance Championship classes, eligibility for a Championship class may be limited to ribbon winners in qualifying classes.

GR810 Breeding or In Hand Championships

1. Junior Breeding or In-Hand Championships may be offered for two-year-olds and under; Senior Breeding or In-Hand Championships for three-year-olds and over. In the event a competition offers a Junior Championship and a Senior Championship, as well as a Show Championship, only the first and second place ribbon winners are

GR8 - CONDUCT OF COMPETITIONS

eligible to compete for the Show Championship unless division rules prohibit foals and yearlings.

2. Entry in a Breeding class does not qualify a horse for a Performance Championship class. Exceptions: in the Hackney Pony, Morgan, Roadster and American Saddlebred Horse divisions any performance class, including futurities and/or classics, qualifies for a Performance Championship class at that competition.
3. In a Breeding section of the Welsh division, the Championship will be awarded to one of the horses which has placed first in a qualifying class. After the Championship has been awarded the horse which has placed second in the qualifying class to the horse awarded the Championship shall compete with the remaining first place winners for the Reserve Championship.
4. In a Breeding section of the Hackney, Morgan, American Saddlebred, or Shetland divisions, the Championship and Reserve Championship will be awarded to horses that have placed first or second in their qualifying classes.
5. In a Breeding section of the Arabian division, the Junior, Senior or Show (Grand) Championship will be awarded to one of the horses which has placed first in a qualifying class. Qualifying classes for championships must be designated in the prize list. After the Championship has been awarded, the horse which has placed second in the qualifying class to the horse awarded the Championship shall compete with the remaining first place winners for the Reserve Championship. If a Show (Grand) Championship class is held, the Senior Champion and the Reserve Senior Champion as well as the top two ranking two-year-olds will be eligible to compete. (Exception: AR118.1).
6. In any case, should any first or second place winners in a qualifying class not compete for the Championship or be disqualified for being unsound, being unruly or not performing the class routine in the Championship class, the horse receiving the next highest ribbon in the qualifying class shall have the option of moving up for the Championship and Reserve only.
7. None of the above applies to Dressage/Sport Horse Breeding.
8. None of the above applies to the Andalusian/Lusitano Division. For Breeding and In Hand Championships see AL106.
9. None of the above applies to the Friesian Division. For Breeding and In Hand Championships see FR118.

GR811 Sweepstakes

When a Sweepstake class is offered, providing for a division of entry fees, either with or without monies added by the Show Committee, the total to be distributed must include the entry fees of all entries listed in the catalogue, whether or not the horses are shown, plus all fees covering other entries legally in the class, unless a competition stipulates in its prize list that portion of the entry fees which will be withheld.

GR812 Retirement Ceremony

1. If a retirement ceremony is allowed at the request of the owner of a horse, that horse may not be permitted to compete at the competition. Any horse officially retired at a Licensed Competition is barred for life from further competition at Licensed Competitions except by special permission of the Board of Directors; however, they can continue to be shown in Academy classes, Leadline classes, Get of Sire and Produce of Dam classes.
2. The Federation will give necessary publicity to all official retirement ceremonies and will notify all Licensed Competitions. See GR1214.7.
3. Any ceremony announcing an exhibitor's retirement from competition is prohibited.

SUBCHAPTER 8-C COMPETITION AND CLASS CONDITIONS AND ELIGIBILITY

Classes, sections or competitions may be limited to junior exhibitors if so desired. Where special rules and class specifications are given for classes so limited, they should be used throughout the junior exhibitor classes offered and shall take precedence over such class specifications as those for Championship classes. A Show Committee should bear in mind that a horse suitable for a junior exhibitor should have good manners and it is suggested that the specifications for a Ladies' or Amateur class be followed throughout.

GR817 Ladies

GR828 Permission to Compete in Foreign Competitions

1. International (FEI) Competitions: In accordance with Article 102.3 of the FEI General Regulations which states: "All competitors invited or nominated for an international event must be entered by their NFs", individuals wishing to compete in foreign International (FEI recognized) Competitions must apply to the Federation for each international competition they wish to enter, (this includes competitions in Canada and Mexico). He/she must complete an application providing information such as: the name and date of the particular competition(s) requested; the name(s) and details of the horse(s) to be ridden. A non-refundable application fee per competition must be enclosed. (Competitors may also opt to pay a non-refundable annual prepaid application fee in the amount of ten times the per competition fee (in lieu of paying a non-refundable per competition application fee). In the event of an oversubscription in dressage, driving, eventing, or reining, the discipline's Credentials Committee will rank the applicants,

providing that they have submitted a timely application as defined in the discipline criteria. The rankings will be based upon the individual's experience in competing in the U.S. and abroad, his/her recent results and ranking (if applicable) and other discipline specific criteria (if applicable). If the competition in question is on borrowed horses, the Credentials Committee will consider the experience the applicant has had in riding and competing on various horses. For endurance, jumping and vaulting, please refer to each discipline's criteria for procedures in selecting riders in the event of an oversubscription. Individuals wishing to compete in foreign international competitions who have not met the established criteria to compete in foreign FEI competitions may apply for a waiver, for which there is a fee. Copies of application and criteria for each discipline are available from the Federation website or Federation office.

2. National Competitions: Individuals wishing to compete in FEI recognized disciplines in National Competitions in foreign countries must receive permission from the Federation. An application for permission to compete must be completed and returned to the Federation. Copies of the application on the Federation website or from the Federation office. The competitor will be asked to provide the following information:
 - a. whether or not the individual is a United States citizen and a current member of the Federation;
 - b. whether he/she wishes to compete as an amateur or professional;
 - c. whether he/she wishes to compete in National or International Competitions;
 - d. the disciplines in which he/she wishes to compete (i.e., Jumping, Dressage, Eventing, Driving, Vaulting, Reining, or Endurance Riding);
 - e. the length of stay in each country;
 - f. whether he/she has been charged, offered an Administrative Penalty, protested or found in violation of FEI or Federation rules or the rules of any other National Federation or Federation affiliated association; and
 - g. whether he/she has been indicted, named in an information, convicted or disciplined by an administrative agency, arbitration or other tribunal, body, humane society or court of law, whether civil, criminal, arbitral or administrative, for an act which would be a violation of Federation rules if committed during a Recognized Competition.
3. Permission to compete must be applied for each year.
4. Foreign Competitors: Riders, drivers, vaulters and longeurs who are not citizens of the United States, regardless of Federation membership status and country of origin.
 - a. Foreign Competitors who desire to compete in non-breed restricted, National Competitions in the FEI recognized disciplines in the United States must have proof, in English, of membership in good standing from their National Federation or must be members in good standing of the United States Equestrian Federation.
 - b. Competition management must request proof, in English, of current membership in good standing from their respective National Federation, or proof of current USEF membership.
5. Denial of Permission. Any application for permission to compete abroad answering affirmatively as to GR828.2f or .g shall be referred to a Committee of the Federation Board of Directors consisting of the Officers and two active athlete directors appointed by the President; the President shall serve as Chairman of the Committee and at any meeting the presence of at least four officers and one active athlete director shall constitute a quorum; the Committee shall by majority vote determine whether any such application shall be granted or denied, taking into account whether in the opinion of a majority of the Committee members any affirmative information regarding GR828.2f or .g causes other applicants to be considered more appropriate to serve as representatives of the sport and country in competing in foreign countries. Any such ruling by a majority vote of the Committee denying the privilege of a license to compete in foreign countries is final and not subject to appeal or review except where otherwise provided in the Constitution and By-Laws of the USOC, or where a review is granted in the discretion of the Committee, which upon further application may give further consideration to any applicant, may direct a hearing upon the application by the Committee or by the Hearing Committee, or may make any other ruling regarding the application considered by the Committee appropriate under the circumstances.

SUBCHAPTER 8-D SCHEDULING DURING COMPETITION**GR829 Length of Competition**

1. A competition may not hold classes more than 16 hours out of any 24-hour period from the start of the first class to the finish of the last class, including intermissions. There must be a recess of at least 8 hours between the finish of the last class of an evening performance and the first class of a morning performance the following day. A fine in the amount of \$250 per hour or part thereof will be imposed for exceeding the 16-hour time limit or not allowing an 8-hour recess. Exception: Competitions offering only Hunter, Jumper and Hunter Seat Equitation classes may not run more than 14 hours of actual performance time. Warm-up sessions, judged or unjudged, are included except sessions held at the beginning of the day where no fee is charged.
 - a. If management disputes that the time limits were not exceeded and the above fine is not properly owing, it may request a hearing of these issues before a special committee appointed by the President provided a written statement specifying the grounds for the hearing is received at the Federation's office within 30 days of management's receipt of Federation's notice of fine. The special committee shall hear the matter and determine whether the fine is properly owing. The special committee may waive a part or all of the automatic penalty upon a finding of good cause why the time limits were exceeded and a finding that extreme hardship results from the automatic penalty.
2. All classes in any section for junior exhibitors in any one day must be held within a twelve-hour period, excluding intermissions.
3. No classes may be started after midnight.

GR830 Time Schedule

1. The announced order or time for classes may not be changed unless at least 12 hours notice of such change be given to each exhibitor and judge affected or each exhibitor affected consents in writing.
2. Provided the order of events is not changed, the Show Committee may call any class up to 30 minutes ahead of its scheduled time. Exception: Vaulting exhibitors must be given one hour's notice.
3. Once the first horse in a Reining class has been entered, shown and judged, the class must be run in entirety before commencing with the next scheduled class.
4. None of the above applies to Eventing (see EV107).
5. None of the above applies to Dressage. For Dressage Competitions, the following conditions apply: (1) Rides may be rescheduled up to one hour earlier or later than announced in the official schedule if each competitor is individually notified at least two hours prior to his/her rescheduled ride time. Rides within a class may be rescheduled in a different order. (2) Ride times or classes may not be changed more than one hour from the time announced in the official schedule unless 12 hours notice of such change is given to each exhibitor and judge affected or each exhibitor affected consents in writing to the change. Public address announcements, schedule changes posted on the show grounds or internet, and statements published in the prize list or entry documents do not meet the notification requirements of this rule.
6. None of the above applies to Western Dressage classes/competitions. For Western Dressage, follow the same conditions as listed in GR830.5.

GR831 Delay of Classes

1. When the start of any class requiring horses to be shown individually is delayed by horses not ready to perform, the competition may be closed at the order of the judges or Show Committee, provided a warning is issued and exhibitors are given three (3) minutes to appear at the in-gate ready to participate. (Exception: in hunter, hunter seat equitation and jumper classes with a specified jumping order, see HU159, JP112, JP135.14a & JP136.2.) In classes where horses compete collectively, a warning is issued and the in-gate must be closed two minutes after

the first horse enters the ring. (Paso Fino, see PF102.7) Judging must not commence until the gate is closed or at the end of the two-minute call. An official timer must be appointed to enforce this rule.

2. It is recommended that a starting enforce order be established in all classes in which horses compete individually and to allow one minute for an entry to enter the ring. At competitions using only one ring, a starting order must be established. If a jump order is used, it must be posted at least 30 minutes prior to the start of the class.

GR832 Interruption of Procedure

1. If weather appears to be imminently affecting the safety and welfare of horses and/or exhibitors, it shall be the responsibility of competition management (Exception: Eventing see EV110) to stop the competition until it is safe to recommence. If a competition in progress must be stopped due to a storm, accident, or other emergency, the Show Committee will decide whether to re-commence. Any interrupted classes may be re-commenced within the session in which they were originally scheduled or at a succeeding session of the competition. (Exception: Dressage GR832.7, Driving, Eventing EV110, Reining GR832.9.) If a Licensed Competition's Prize List does not advise exhibitors that refunds of entry fees will not be given in the event a class or classes, or all or part of the competition is cancelled due to a storm, accident or other emergency, the Licensee is required to refund entry fees for the cancelled class or classes upon written request by an exhibitor within 30 days of the cancellation.
2. The Show Committee will also decide whether awards for classes not held is warranted and called for. No Championship, awarded on points, can be awarded in any division, however, unless more than 50% of the scheduled classes in that division have been held. Any action thus taken by the Show Committee will not be referred to the Federation in as much as the matter is one of discretion and not regulation.
3. If a class is in operation at the time a competition is stopped, no placements involving Horse of the Year Awards will be made. If a tie for a Championship exists in the Hunter or Jumper division at the time the competition is stopped, points toward Horse of the Year Awards will be divided between the tied horses.
4. If classes are postponed to a day not included in the original competition dates, exhibitors are entitled to a refund of entry fees in the class postponed and are relieved of any obligation to show back in postponed classes.
5. If a class in which horses compete either collectively or individually is in progress and must be stopped due to a storm, accident, or other emergency, the following procedure shall govern (Exception: Dressage, Driving, Reining, Eventing, Jumper, Western Dressage):
 - a. If a class is continued during the same session or a succeeding session of the competition, the judge along with the steward(s) and management will decide:
 1. to hold the class over in its entirety in which case no scores credited in the first session will count, or
 2. to recommence the class where it was interrupted.
 3. In the case of a hunter classic, or a two round class and one round is complete; it may be decided to pin the class with the first round scores.
6. Jumper:
 - a. A Jumper Class that Management decides to postpone due to storm, accident or emergency per GR832.1 may be combined with a subsequent class in the same section with the prize money of the postponed class added to the prize money of the subsequent class. Management must make this decision prior to the first horse competing in the postponed class. The start fee for the postponed class will be added to that of the subsequent class and must be refunded to those declared competitors of the postponed class who choose not to declare for the combined class.
 - b. In a jumper class which has reached the jump-off stage when the class is stopped, only those competitors involved in the jump-off need compete in the succeeding session. Jumper classes scored under Table II, Sec. 2b or 2c, Table IV, Sec. 4b or 4c or Table V Sec. 2b or 2c must be held over in their entirety unless the competition is continued over the original course at a later session, in which case the class shall continue from the point

GR8 - CONDUCT OF COMPETITIONS

where it was stopped and scores earned by horses which have already competed shall stand.

7. Dressage: If it becomes necessary to interrupt a dressage competition for any reason, the unfinished portion may be recommenced and rescheduled for the same or following day at the option of the Show Committee with the Ground Jury's consent. All scores recorded before the interruption will stand. When classes are re-commenced after a delay on the same day, competitors must be given at least 30 minutes' notice of the starting time. Exhibitors whose ride times are changed to or on a subsequent day as a result of an interrupted competition or inclement weather conditions, must be individually notified at least two hours prior to a rescheduled ride time.
8. Eventing: See EV110.1.
9. Reining: If it becomes necessary to interrupt a reining competition for any reason, the unfinished portion may be recommenced and rescheduled for the same or following days at the option of the Show Committee and the judge(s). All scores recorded before the interruption will stand.
10. Western Dressage: see GR832.7.

GR833 Time-Out

A suspension of judging which may be requested by a competitor or directed by the judge(s).

1. A competitor is entitled to request a time-out for a period not to exceed five minutes in aggregate in order to make obvious adjustments or to repair broken equipment or to rectify a similar condition, or to replace a shoe (See GR804). (Exception: Arabian Hunter, AR108 and HU132.6; Arabian Jumper, AR108 and JP135.6; Dressage, GR833.9 and DR122.7j; Jumper, JP133.6; Hunter Seat Equitation, EQ107.4; Reining, RN103.5g; Vaulting, VA111). Time-outs are not allowed in Western Dressage.
2. If division rules allow a competitor to call for a time-out, the competitor may call only one time-out per class (Exception: Paso Fino and Welsh where a competitor may request a time-out no more than two times.) The penalty for exceeding the allowed time out(s) is for the entry to be excused.
3. To request a time-out for any such emergency, the competitor must go to the center of the ring (if possible) and or be acknowledged by the judge. The announcer will declare that a request for time-out has been made and permission granted; time will be taken from the moment such announcement is made.
4. If a horse casts a shoe in a class, time starts (after weighing, measuring and/or gauging has concluded, if applicable) when the farrier or his assistant touches the shoe or the horse. No more than three minutes will be allotted to find a shoe; if the shoe is not found, the exhibitor may elect to continue or withdraw. If a horse is removed from the ring for the purposes of shoeing, the steward or judge shall accompany and remain with the horse until it is returned to the ring or excused from the class.
5. Two attendants are permitted in the ring to assist a competitor during his/her time-out. If at the expiration of five minutes the repair has not been made, the competitor may proceed as is or be eliminated.
6. The steward or judge is responsible for timing unless an official timer is present.
7. Competitors who are not involved in a time-out may make minor adjustments that can be performed with the assistance of one attendant and not be charged with a time-out. Minor adjustments do not include replacing shoes.
8. At any time the judge(s) considers it necessary he/she may call for a time-out. Said time-out may be charged to a competitor that, in the judge's opinion, is responsible for the suspension of judging as long as the competitor is so informed by the judge prior to calling the class back to order.
9. None of the above apply to the Eventing, Dressage or Driving divisions; see specific division rules. Time-outs are not permitted in the Dressage or Western Dressage division.

SUBCHAPTER 8-E SCHOOLING

GR834 General

1. A Licensed Competition must provide a sufficient area for schooling horses. A separate schooling area must be

provided for each ring.

2. Adequate lighting must be provided in schooling areas used after dark.
3. In addition to the official schooling area, competitions should designate an exercise area.
4. Competitions offering A rated sections other than hunter and jumper must provide an exercise area at least 80' by 200' or its equivalent. If, due to space limitations, a competition does not have an adequate schooling area or a competition offering an A rated section cannot provide the required exercise area, one ring must be open for a minimum of 5 hours within each 24-hour period. Adequate lighting must be provided.

GR835 Designated Areas

Schooling over obstacles in the ring or over any part of an outside course is permitted only at the time designated by the Show Committee. All other schooling over obstacles is permitted only within clearly identified areas and only at times designated by the Show Committee. Schooling over obstacles in any other area of the competition ground or at any other time is prohibited.

GR836 Trail

A schooling area must be provided prior to and during trail classes with enough elements to adequately school a trail horse.

GR837 Hunter

1. Schooling areas for hunters must contain adequate hunter-type fences. A trotting fence, a vertical and an oxer are required. See also HU157.
2. It is recommended that separate schooling areas be provided for hunters. A separate schooling area and jumps should also be provided for ponies.
3. A supervisor of schooling must be appointed for the schooling area designated for hunters if the area is less than 20,000 sq. ft. in size or more than 500 horses are entered in the competition.
4. A Steward/schooling supervisor must be present in the schooling area during any Hunter class offering \$10,000 or more in prize money.
5. The Steward/schooling supervisor's decision regarding schooling fences, or tack and equipment in the warm-up area is final.

GR838 Jumper (See also JP103 and Appendix A)

SUBCHAPTER 8-F WELFARE OF THE HORSE

GR839 Cruelty to and Abuse of a Horse

1. Cruelty to or the abuse of a horse by any person at a Licensed Competition is forbidden, constitutes a violation under Chapter 7, and renders the offender subject to penalty. The Show Committee must bar violators from further participation for the remainder of the competition. It is the duty of the competition officials and any properly constituted humane organization to report to the Federation any person who indulges in this practice for such further action as may be deemed appropriate.
2. The Federation or the Judge, Steward, or TD may appoint a veterinarian to inspect any animal in competition. Refusal to submit an animal for examination by an authorized veterinarian after due notification shall constitute a violation.
3. Show Committees are encouraged to contact the American Humane Association, 1400 16th Street NW, Suite 360, Washington DC 20036, which will provide experienced humane inspectors to work with them in eliminating cruel practices.
4. The following acts are included under the words Cruelty and Abuse but are not limited thereto:

GR8 - CONDUCT OF COMPETITIONS

- a. Excessive use of a whip on any horse in a stall, runway, schooling area, competition ring or elsewhere on the competition grounds, before or during a competition, by any person. Except in emergency situations, any striking of the horse's head (on the poll and forward of the poll) with the whip shall be deemed excessive.
 - b. Rapping the legs of a horse with the butt end of a riding crop or other implement.
 - c. Use of any substance to induce temporary heat.
 - d. Manual poling with any object other than a bamboo pole.
 - e. Use of a wire or chain in conjunction with any schooling jump.
 - f. Use of electric device in schooling or showing.
 - g. Use of shackles, hock hobbles and similar devices (not to be construed as rubber or elastic exercising devices).
 - h. Showing a horse with raw or bleeding sores around the coronets, pasterns or legs.

 - n. Soring and/or the use of an action device on any limb of a Tennessee Walking Horse, Racking Horse, or Spotted Saddle Horse (each a breed not recognized by the Federation) in any class at a Federation Licensed Competition is prohibited. An action device is defined by the USDA as any boot, collar, chain, roller, or other device that encircles or is placed upon the lower extremity of the leg of a horse in such a manner that it can rotate around the leg or slide up and down the leg so as to cause friction or strike the hoof, coronet band, fetlock joint or pastern of the horse. (Protective bell boots or heel boots are specifically excluded from this definition). The use of a weighted shoe, pad, wedge, in conjunction with a hoof band or other device or material (commonly referred to as a performance package) placed on, inserted in, or attached to any limb of a Tennessee Walking Horse, a Racking Horse, or Spotted Saddle Horse (each a breed not recognized by the Federation) constructed to artificially alter the gait of such a horse, and which are not protective or therapeutic in nature, in classes at a Federation Licensed Competition is prohibited.
5. Any action(s) against a horse by a competitor or an exhibitor, which are deemed excessive by a judge, Federation steward, technical delegate or competition veterinarian, in the competition ring or anywhere on the competition grounds may be punished by official warning, elimination, or other sanctions which may be deemed appropriate by the Show Committee. Such action(s) could include, but are not limited to excessive use of the whip, spurs, or bamboo poles. Competitors and exhibitors have the right to contest any action taken pursuant to GR839.5 by filing a protest or grievance pursuant to Chapter 6 of the Rules for hearing and determination by the Hearing Committee.

GR840 Attention Getting Devices

Attention getting devices &/or other noisemakers (including but not limited to tape measures, blow horns, altered bamboo poles, explosives, etc.) are not allowed in and around the make up/schooling/warm-up and competition rings during scheduled competition sessions. (Except for the National Show Horse division.) Use of explosives and fire extinguishers by or for exhibitors/competitors (except in the case of fire) is not allowed on competition grounds at any time. (See also GR839.4i)

GR841 Soundness

Unless specific division rules state otherwise, all animals except stallions and mares in Breeding classes must be

serviceably sound for competition purposes i.e., such animal must not show evidence of lameness or broken wind. Animals with complete loss of sight in either eye may be found serviceably sound at the Judge's discretion, except in a class over fences where a Judge may ask a rider to change horses.

GR842 Falls

The fall of horse and/or rider does not disqualify the competitor unless due to bad manners of the horse. Exception: Andalusian (see AL101.14), Dressage, Driving, Eventing, Equitation, Hunter, Jumper, Reining, Vaulting and Western classes, in which specific rules prevail.

GR843 Mandatory Reporting and Cooperation of Horse/Pony Collapse

This rule applies to collapses of horses/ponies. For purposes of this rule, a "collapse" is defined as a fall to the ground with no apparent cause at any time from when entries arrive at the venue until departure from the venue. Other falls are not considered to be a collapse and are defined in GR122 and specified division rules. Refer to GR1034.6 for reporting requirements for all other falls and accidents.

1. The trainer as defined in GR 404, or the owner if the trainer is unavailable, or the rider if the trainer and owner are both unavailable, shall notify the Steward/Technical Delegate as soon as possible but no later than three hours after such occurrence of any collapse of a horse or pony. When a collapse occurs outside of competition hours or before the competition begins, notification must occur as soon as possible but no later than three hours after the Steward/TD reports to the show or returns to duty.
2. The Steward/TD shall report to Competition Management and the Federation within one hour of notification of a collapse.
3. In addition to the duties set forth in GR 1034.3, the Steward/TD shall file an Accident/Injury/Equine Collapse Report Form or Equine Fatality Report Form with the Federation within 24 hours of notification, except in exceptional circumstances such as no internet access at the venue.
4. The Federation, at its expense, may appoint a veterinarian to inspect the horse or pony that has collapsed and provide a full report to the Federation. Refusal to submit an animal for examination by an authorized veterinarian after due notification shall constitute a violation of this rule.
5. Any horse or pony that collapses at a licensed or endorsed competition is subject to drug and medication testing in accordance with Chapter 4 of these rules. In the absence of a Federation testing veterinarian, a veterinarian appointed under paragraph 4 (above) or the official competition veterinarian is authorized to collect and submit fluid samples in accordance with these rules.
6. The rider, owner, and trainer as defined in GR 404 shall cooperate with the Federation as to any investigation it undertakes with respect to a collapse or death of a horse/pony. This includes providing information requested by the Federation within 10 days of the request.

GR844 Poling

1. If a Licensed Competition allows manual poling and the relevant state laws do not prohibit such practices, it must be done in the designated schooling areas. Manual poling is prohibited for all horses competing in Jumper classes at Regular Competitions. Horses found to be in violation of these rules by the Competition Steward or other Federation official shall be eliminated/disqualified from competing within the upcoming 24-hour period and shall forfeit all entry fees for such competition. In addition after consultation between Competition Management, the Steward, or other official involved, and a senior judge in the Jumper division additional penalties including disqualification from the balance of the competition may be imposed. Exception: Eventing Division (see EV111.2); Jumpers (see JP103.1).
2. Single poles of bamboo only (not rattan or any other material) must be used, and may not be filled with sand or any other foreign substance. They may be taped to prevent splitting but they may not be wired, contain tacks or have

GR8 - CONDUCT OF COMPETITIONS

a diameter of over 2" at the large end. Pole must be held by one person only, using either one or two hands. Pole shall not be supported by any other means (i.e., standard, cup, or ring fence). There shall be no ropes, lunge reins or any other devices attached to said poles. Exhibitors must furnish their own poles and no other object may be manually employed.

3. Manual poling is permitted at a vertical fence only but a bamboo pole may be used as an off-set bar at either a vertical or spread fence. An off-set bamboo pole is one which is placed at any height behind or in front of the elements of the obstacle itself instead of being placed in the same vertical plane or planes. The length of the "off-set" bamboo pole may not exceed the length of the obstacle's rails. No other form of off-set or false ground line (ground line cannot be behind the vertical plane of the face of the fence or more than 3 feet in front, any trotting rail or placement pole may not be less than 8' to fence) is permitted. The spread fence must be jumped in the right direction.
4. Violators will be automatically penalized by elimination of the horse involved from the class in which it is participating and the next succeeding class in which it is entered. If the violation occurs after the horse has completed its performance in a class or between classes, it will be eliminated from the next two succeeding classes in which it is entered. All such violations must be recorded in the Steward's Report and, if cruelty or abusive behavior is evident, it will be reviewed by the Hearing Committee for such action as may be deemed appropriate to the particular circumstances.

GR845 Equine Vaccination Rule

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.
3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.
5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee.

 - b. The prize list for competitions offering "A" rated Hunter sections must state that stabling will be offered and the cost must be included on the entry blank.
22. Statement as to method for establishing a jumping order for jumper classes.
23. Statement as to method for breaking ties for other than first place in jumper classes.
24. The prize list for competitions offering A rated sections and/or Jumper sections of \$10,000 or more, must be printed and available to exhibitors at least 21 days prior to the closing date of entries. For competitions offering a Jumper Class of \$25,000 or more, the prize list must be printed and available to exhibitors at least 30 days prior to the closing date of entries. Upon request, a copy of the competition's prize list must be provided by mail at no cost to the exhibitor.
25. All competitions must state the type of footing available in warm-up areas and competition arenas. The dimensions of the competition arenas must also be stated.
26. Competitions offering Dressage or Western Dressage classes must state the type of footing available in Dressage or Western Dressage warm-up arenas and Dressage or Western Dressage competition arenas.
27. If Jumper sections are offered which are not covered within the definitions contained in Chapter JP, full specifications (including eligibility requirements) must be contained in the prize list.
28. If Championships are offered in the Jumper Division, the prize list must state the method of determining those Championships (see JP110). If the Jumper Division offers Stake Classes, or other classes for which horses must qualify during the competition, the means of determining qualification must be stated in the prize list.
29. GR1301.7 must be published in the prize list in its entirety.
30. If local laws are more restrictive than the requirements of GR801 relating to protective headgear, the Licensee is required to publish the more restrictive local law (which shall control) in the prize list.
31. At competitions where the official veterinarian is on call, the prize list must include the time period when the veterinarian will be available to conduct measurements. If the veterinarian is required to measure at any time other than as stated in the prize list, the owner is responsible for paying veterinarian fees. See DR135.4-5 for more information on measurements at Dressage Competitions.
32. The Federation Prize List must direct competitors to the FEI Definite Schedule for information on FEI classes or include the FEI Definite Schedule in the Prize List. The Federation Prize List may identify the FEI Event Category

GR9 - PRIZE LISTS

(ies), Level (i.e. CSI2*, CDI-W, etc.), and include the FEI classes in the tentative time schedule but for all other FEI technical information, competitors must be directed to the FEI Definite Schedule. Individual discipline omnibus' are exempt from this rule provided they direct competitors to the FEI Definite Schedule.

GR902 Class Specifications

1. All classes offered at Licensed Competitions for which specifications appear in the Rule Book must be governed by current specifications, to the end that uniformity will prevail in the competition and in the adjudication. To cover any omission it is recommended that the prize list contain the following statement in a prominent position: "EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT FEDERATION RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH."
2. A Licensed Competition is not limited to classes listed in the Rule Book. If a special class is offered which is not included in the Rule Book, the prize list or competition web site must furnish detailed specifications.
3. All classes (rated or unrated) to be held on a Federation licensed date are governed by all applicable Federation rules. No unrecognized classes can be held on any Federation licensed date, except
 - a. Horse Trials at Eventing Competitions below the Preliminary Level,
 - b. Eventing Tests at all levels
 - c. Combined Driving below the Advanced Level
 - d. Classes at Regular or Local Competitions restricted to breeds or disciplines whose rules are not included in the USEF rulebook
 - e. Non-affiliated National Breed or discipline association classes
 - f. Vaulting levels/classes below A-Teams, **B Teams, C Teams, Senior Teams, Junior Teams**, Gold, Silver, **Bronze, Senior and Junior Individuals**, and Pas de Deux **and Junior Pas de Deux**.
 - g. Academy classes
 - h. Qualifying classes for Youth Reining classes or Reining classes at USA Reining and NRHA approved competitions.
 - i. Exhibitions for which there are no breed or division rules
 - j. **Hunter/Jumper competitions designated "Outreach" competitions by USHJA are limited to either one competition day or multiple competition days with a maximum of two competition rings (one hunter ring and one jumper ring) per day. BOD 2/29/16 Effective 12/1/16**
 - k. These above named classes/levels can be held as unrecognized only provided a separate entry blank is used and the prize list and/or Omnibus clearly states that the classes are not recognized by the Federation. See GR301.
 - l. Exception: FEI rules take precedence as to international classes and events over Federation rules at all FEI Sanctioned Competitions. Federation rules take precedence as to national classes and events which are not FEI Sanctioned at FEI Sanctioned Competitions. In connection with Endurance Riding Events, the Federation shall nationally enforce the prohibition of the gastric ulcer medications ranitidine and meprazole, in accordance with GR410. See GR301.

GR903 Preliminary Correction Service

A draft of a prize list may be sent to the Federation for advance corrections and suggestions, provided two copies are submitted and at least two weeks are allowed to make a thorough analysis. There is no fee for this service for competitions in their first two years of membership; but thereafter a fee of \$10 for each competition day or \$50 maximum will be charged. The fee must accompany the two drafts.

GR904 Changes in Prize List

If the prize list must be changed after it has been distributed to potential exhibitors the following procedures must be

followed. Notification of specific changes to a prize list must be made to the Federation and exhibitors via email or mail as well as being posted on a competition's website. This will serve as notification for the requirements of this rule. In the cases where electronic communication is not available, then notification must be made as specified under this rule.

1. If errors are discovered or changes made up to 10 days prior to the closing of entries, notify potential exhibitors in writing of the specific changes.
2. If errors are discovered or changes made after that date, notify exhibitors on receipt of entries, and in writing when they arrive at the competition of the specific changes.
3. If classes are omitted or premiums decreased, notify only affected exhibitors 5 days prior to the competition in writing, by e-mail or by wire, thereafter these classes cannot be reinstated. In this instance, entry fee refunds must be given in all cases. (For Jumper Division, see JP108.2)
4. If classes are added or premiums increased, unless required under division rules, notify potential exhibitors in writing, by e-mail or by wire at least 5 days prior to the competition. Post entries must be accepted in such classes without a post entry penalty fee.
5. If the change in (3) or (4) adds a new division or section or alters a division's or section's rating, permission therefore must be obtained from the Federation at least 30 days prior to adoption.
6. Competitions are allowed to add additional classes from the following divisions as competition management deems necessary: Andalusian/Lusitano, Arabian, Connemara, Friesian, Hackney, Morgan, National Show Horse, Roadster, Paso Fino, Saddle Seat Equitation, American Saddlebred and Shetland. Unrated Hunter classes may be added as competition management deems necessary. If classes are added less than 5 days prior to the competition (See GR904.4), competition management must advise exhibitors of the additions upon check in, post notices in the competition office, and make the appropriate announcements during the competition.

GR905 Entry fees

An established entry fee figure must be clearly stated in the prize list for all Hunter classes. Once that figure has been printed it may not be changed regardless of the number of entries shown.

SUBCHAPTER 9-B ENTRY BLANKS

GR906 Requirements

1. The entry blank of each Licensed Competition must contain the name, age (if nine years or over, the term aged may be used), sex, color and in case of all horses four years old or over, the height of each horse entered in any class. This information is not required for Four-in-Hand, Team, Collection, Championship and other classes in which the conditions state that the entry need not be named.
2. For disciplines recognized by the FEI at non-breed-restricted events, the entry blank of each Recognized competition must contain the citizenship of the riders, drivers and vaulters.
3. The entry blank must contain a space for an emergency contact phone number.
4. The entry blank or prize list of each licensed competition must contain the following statement ("Federation Entry Agreement"), printed as below; failure of a Licensed competition to print this rule on every entry blank or prize list and to require that the entry blank be signed constitutes a violation of the rules and the competition is liable to penalty under GR707. If the Federation Entry Agreement is printed only in the prize list, the entry blank must contain the following abbreviated statement in lieu of the entire rule:

Federation Entry Agreement

I have read the United States Equestrian Federation, Inc. (the "Federation") Entry Agreement (GR906.4) as printed in the Prize List for [insert name here] ("Competition") and agree to all of its provisions. I understand and agree that by entering this Competition, I am subject to Federation Rules, the Prize List, and local rules of the competition. I agree

GR9 - PRIZE LISTS

to waive the right to the use of my photos from the competition, and agree that any actions against the Federation must be brought in New York State.

The complete statement is as follows:

FEDERATION ENTRY AGREEMENT

By entering a Federation-licensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaulteur or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of The United States Equestrian Federation, Inc. (the "Federation") and the local rules of the competition.

I agree to be bound by the Bylaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules.

I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered.

I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the Competition may use or assign photographs, videos, audios, cablecasts, broadcasts, internet, film, new media or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation.

The construction and application of Federation rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See GR908.4.

SUBCHAPTER 9-C SUBMISSION, ACCEPTANCE, AND REFUSAL OF ENTRIES

GR907 Requirements

1. When Entries are based strictly on a first-come, first-served basis: if the prize list restricts entries to mailed entries it must specify that entries may only be received by mail postmarked on or after a specified date which must be at least two weeks subsequent to the issuance of the prize list; if entries are to be made by other means (e.g. by hand, by fax, email or other electronic submission) that must be clearly specified in the prize list together with the earliest date for receipt which must be at least two weeks subsequent to the issuance of the prize list; competition management must maintain and make available for examination accurate records regarding proof of receipt of entries (e.g. postmarks, fax, email and other electronic transmittal records, hand delivery receipts); the prize list must further specify that entries will be accepted based solely on the priority of receipt of entries, and that ties regarding entries received at any time on the same day will be broken by lot on a date, time and location specified in the prize list with the right of any potential entrant to be present in person or by representative at the drawing of lots.
2. In Breeding classes (except Dressage/Sport Horse Breeding), provided a stud book exists for the horse in question, each horse must be registered in the recognized stud book of the breed and its registered number, sire and dam must be given on the entry blank. Horses competing in Dressage Sport Horse Breeding (DSHB) classes are not required to be registered with any stud book, but if a horse is registered with any breed, the name of the breed, sire, dam, dam sire and breeder must be given on the entry blank. For unregistered horses competing in DSHB classes, the above information is strongly recommended, if available.
3. Horses over two years of age must be named and the same name must be listed in all classes except those that permit nominations after the close of entries. If a horse has been recorded it must be entered under its original

recorded name unless the name has been officially changed under the provisions of GR1101. It must also be entered under the name of the owner or lessee of record, or of the registered exhibitor name, which must appear in the catalogue. When entered by an agent, the owner's name or lessee's name must also be given.

4. Misrepresentation of a horse's identity, name, height, age, eligibility for the class, registered or recorded number or other information on an entry blank for the class in question results in the exhibitor's forfeiture of any ribbon, trophy, cash prize or other award won by such misrepresented or substituted animal. For Dressage Competitions, any documentation such as negative EIA certification that is required for entry to a competition must list the same horse name and description as is listed on the entry blank and on the USEF horse identification or recording documents. The exhibitor is liable for further penalty as described in GR703.
5. Misrepresentation of the identity of the trainer responsible for the training, custody or performance of a horse by any person shall constitute a violation of the rules (see also GR147).

GR908 Agreement

1. Every entry at a Licensed Competition constitutes an agreement that the person making it, owner, lessee, trainer, manager, agent, coach, driver, rider, handler, vaulter, longeur, and the horse are subject to the Bylaws and the rules of the Federation and the local rules of the competition. Exhibitors are cautioned to abide by restrictions concerning exhibiting horses before judges as provided for in GR1304. Participants utilizing an online entry system for a Licensed Competition do so with the agreement that they have read the Official Prize List and agree to follow all the class specifications, requirements and conditions in the Official Prize List.
2. Every exhibitor, rider, driver, handler, vaulter, longeur, coach and trainer or his/her agent(s) must sign an entry blank. In the case of a rider, driver, handler, vaulter or longeur under the age of 18, his/her parent or guardian, or if not available, the trainer, must sign an entry blank on the minor's behalf. Unless specifically provided otherwise by law, any of the above persons may alternatively sign an entry blank in electronic form which shall have the same validity, force and effect as a signature affixed by hand. If any of the above persons fails to do so, his/her first entrance into the ring as an exhibitor, rider, driver, handler, vaulter or longeur shall be construed as his/her acceptance of the rules of the competition involved and of the Federation and shall ipso facto render him/her subject to said rules. Upon the failure of an owner, trainer, rider, driver, handler, vaulter, longeur, coach or agent(s), or parent or guardian or trainer of a minor rider, driver, handler, vaulter or longeur, to sign an entry blank as required, and upon confirmation of any such violation(s) by the steward or secretary of the competition, such person(s) shall be subject to an automatic fine of \$250 imposed for each such violation.
3. Violation of the rules in connection with entries may be cause for disqualification of the exhibitor, rider, driver, handler, vaulter, longeur, coach and trainer by the Directors of the Licensed Competition (see GR1218.4) and for report to the Federation.
4. The Federation, incorporated in 2003, is a New York Not-For-Profit corporation. Pursuant to Chapter 6, the construction and application of Federation rules are subject to the laws of the State of New York. It is expressly agreed by and between the Federation and its members and any other persons in any way participating or in any way seeking to participate in a Licensed Competition or otherwise utilizing or seeking to utilize the privileges or services of the Federation, that any lawsuit (except for an arbitration pursuant to Bylaw 705 of the Federation) brought against the Federation by or on behalf of any such member (whether or not still a member at the time such suit is brought), or by or on behalf of any such person, shall be commenced and adjudicated only in the United States District Court for the Southern District of New York or in the Supreme Court of the State of New York, County of New York, to the exclusion of the courts of any other jurisdiction or venue.
5. The entry blank of each Licensed competition must contain the following USEF RELEASE as printed below, in an easily visible location, separated from any other language on the entry blank, and appearing immediately above or next to the required signatures as specified in GR908.2. No other material may come between this RELEASE and

GR9 - PRIZE LISTS

the required signatures.

- All USEF fees appearing on the entry blank must be grouped together in one section of the page, preferably in a box separating them from other fees.

Release, Assumption of Risk, Waiver and Indemnification

This document waives important legal rights. Read it carefully before signing.

I AGREE in consideration for my participation in this Competition to the following:

I AGREE that “the Federation” and “Competition” as used herein includes the Licensee and Competition Management, as well as all of their officials, officers, directors, employees, agents, personnel, volunteers and Federation affiliates.

I AGREE that I choose to participate voluntarily in the Competition with my horse, as a rider, driver, handler, vaulter, longeur, lessee, owner, agent, coach, trainer, or as parent or guardian of a junior exhibitor. I am fully aware and acknowledge that horse sports and the Competition involve inherent dangerous risks of accident, loss, and serious bodily injury including broken bones, head injuries, trauma, pain, suffering, or death. (“Harm”).

I AGREE to hold harmless and release the Federation and the Competition from all claims for money damages or otherwise for any Harm to me or my horse and for any Harm of any nature caused by me or my horse to others, even if the Harm arises or results, directly or indirectly, from the negligence of the Federation or the Competition.

I AGREE to expressly assume all risks of Harm to me or my horse, including Harm resulting from the negligence of the Federation or the Competition.

I AGREE to indemnify (that is, to pay any losses, damages, or costs incurred by) the Federation and the Competition and to hold them harmless with respect to claims for Harm to me or my horse, and for claims made by others for any Harm caused by me or my horse while at the Competition.

I have read the Federation Rules about protective equipment, including GR801 and, if applicable, EV114, and I understand that I am entitled to wear protective equipment without penalty, and I acknowledge that the Federation strongly encourages me to do so while WARNING that no protective equipment can guard against all injuries.

If I am a parent or guardian of a junior exhibitor, I consent to the child’s participation and AGREE to all of the above provisions and AGREE to assume all of the obligations of this Release on the child’s behalf.

I represent that I have the requisite training, coaching and abilities to safely compete in this competition.

I AGREE that if I am injured at this competition, the medical personnel treating my injuries may provide information on my injury and treatment to the Federation on the official USEF accident/injury report form.

BY SIGNING BELOW, I AGREE to be bound by all applicable Federation Rules and all terms and provisions of this entry blank and all terms and provisions of this Prize List. If I am signing and submitting this Agreement electronically, I acknowledge that my electronic signature shall have the same validity, force and effect as if I affixed my signature by my own hand.

SEE PRO FORMA AT END OF THIS RULE

GR909 General

- Entries must be made in writing and signed by the (1) exhibitor (2) the rider, driver, handler, vaulter or longeur, (3) the trainer, and (4) the coach, if applicable, or by the agent(s) of such person(s) and must be accompanied by funds to cover entry fees, stall fees and Federation fee (see GR208.1). In the case of a rider, driver, handler, vaulter or longeur under 18, his/her parent or guardian, or if not available, the trainer, must sign an entry blank on the minor’s behalf. Or: by transmitting the required entry data to a designated collection agent via the internet, accompanied by a valid credit card payment to cover entry fees, stall fees, Federation fee (see GR208.1) and applicable processing fees, and including the name(s) of the (1) exhibitor, (2) rider, driver, handler, vaulter or longeur, (3) the

trainer, and (4) the coach, if applicable. The secretary of the competition will accept such an entry as complete (see 1.1 below).

- a. In the case of on-line entries, no competition number will be issued until the Competition Secretary has received an entry form, the signatures of the (1) exhibitor, (2) the rider, driver, handler, vaulter or longeur, (3) the trainer, and (4) the coach, if applicable, or of the agent(s) of such person(s). In the case of a rider, driver, handler, vaulter or longeur under 18, his/her parent or guardian, or if not available, the trainer must sign an entry blank on the minor's behalf.
 - b. Submission of on-line entry accompanied by a valid credit card or other type of electronic payment shall be construed to be acceptance by the person(s) named in the entry of the provisions of GR906-GR908 and GR911-GR914.
 - c. Electronic signatures on an entry form and in online entry systems must be submitted and accepted in compliance with applicable laws in the location where the competition is held.
2. In the event that a catalogue contains a statement as to an entry not in accordance with the exhibitor's original entry blank, it is the duty of the Show Committee to take all steps necessary, including public announcement, to correct the error, giving precedence to the exhibitor's entry blank and not the catalogue in error, as authority.
 3. In the Dressage or Western Dressage Division and for open dressage or western dressage classes at Regular and Local Competitions, all entries received by the closing date of entries shall be acknowledged by the competition secretary. (Note: This would include DSHB, but not breed-restricted dressage classes.)

GR910 Post Entries

1. Post entries are any entries made after the advertised closing date.
2. Post entries should not be encouraged in classes listed in the prize list since this practice often results in unfair competition, confusion during the competition, inability to collect the proper fees, extreme difficulty in recording winnings of horses not listed in the catalogue and disruption of the time schedule. Furthermore, the exhibitor and his horses are worthy of having their names in the program. In the interest of good sport, a Show Committee is strongly urged to require that entries be made in advance and printed in the catalogue. This does not apply, however, to classes in which the prize list states that post entries will be accepted, such as pairs of saddle horses, hunt teams, etc.
3. When a Licensed Competition does not accept post entries it must be stated in the prize list and no exceptions can be made.
4. When a Licensed Competition does accept post entries it must be stated in the prize list and post entries can only be accepted prior to the starting of the class and upon signature of exhibitor or his agent and trainer.

GR911 Substitutions

1. Substitution of a horse may not be made after the announced date of the closing of entries, except in classes where more than one horse represents an entry (i.e., Pairs, Teams, Tandems). In such cases substitution of one horse may be made provided a veterinarian's certificate of disability is submitted. (Exception: Friesian) (Local Competitions exempt).
2. If a horse is sold or injured after the closing of entries, Competition Management may allow an exhibitor to post enter another horse in the same class but the new entry must be given another number.
3. Substitution of a rider or driver or longeur may be made during a class only under the following conditions:
 - a. in case of injury to or illness of the original rider or driver or longeur;
 - b. in a Combination class unless the prize list states that the same rider or driver is required for the entire class;
 - c. in a Reining division when one rider may show several horses in the individual workout. See RN101.5.
4. Substitution of rider is not allowed in Equitation classes.

GR912 Cancellation and Withdrawal of Entries

1. A Licensed Competition may adopt its own policy covering the refunding of fees to an exhibitor who cancels his entries after the official closing date and prior to the competition's beginning. If a Licensed Competition does not specify its refund policy in the prize list, refunds are required to be made for entries cancelled before the competition begins, upon written request by the exhibitor within 30 days of the competition.
2. A Licensed Competition can set the penalty governing an exhibitor who is permitted to cancel his entries or withdraw from the competition. Such penalty applies only at the competition in question. See GR1305.
3. Competition management must refund any entry fees, (stabling and processing fees exempted) paid in advance by an exhibitor for any horse(s) which is subsequently named to an official US team, participation on which will prevent him/her from competing in that competition.
4. After the competition starts, if a rider is unable to compete due to illness or injury, class fees will be refunded upon presentation of a doctor's certificate unless otherwise stated in prize list. Stall fees and office fees need not be refunded.

GR913 Unpaid Entries

1. Any Competition Licensed or endorsed by the Federation which accepts entries without the payment of the required fees, does so at its own risk and the Federation will not be responsible for the collection of fees (See also GR1213.10). However, if a person makes payment for fees which is not negotiable, the Licensed Competition, after first contacting the individual at least once in writing (with delivery confirmation), may report the name and address of the person in writing to the Federation within 150 days of notification of denied payment, (See GR1213.1) giving the names of the horses and the names and complete addresses of the owners for which the non-negotiable funds were to cover, a copy of the entry blank, a copy of the front and back of the check or receipt with credit card information and signature, and a copy of the delivery confirmation showing the competition's attempt to notify the individual of the non-negotiable payment. The amount of all fees for each horse must be itemized. On receipt of such notice, the Federation will notify said person, of his or her indebtedness to the competition as well as the imposition of a processing fee in the amount of \$50 payable to the Federation. If the person fails to make settlement with the competition and/or the Federation within 30 days from the date of the notice from the Federation, he or she will be fined the additional sum of \$250 payable to the Federation and he or she and any horses owned by him or her and any horses and/or persons for which the non-negotiable sums have been paid will automatically be barred from taking any part whatsoever in any competition Licensed or endorsed by the Federation until settlement is made both of indebtedness to the competition and to the Federation. If the indebtedness to the competition is paid within thirty days of the notice from the Federation and only the \$50 processing fee is not paid to the Federation within that timeframe, the Federation will assess a \$250 fine and the suspensions as referenced above will remain until the debt to the Federation is paid in full. Publication of the suspension will be published on the Federation's website. Exception: Persons who are engaged to compete on horses owned by individuals with whom they have no current business relationship regarding the ongoing training, care, custody, or control of the horse are not responsible for indebtedness under this rule provided that said persons have not tendered the non-negotiable payment.
2. If the person disputes that the amounts in question are owing or unpaid, he or she may request a review of these issues before the Hearing Committee provided a written statement specifying the grounds for a review, accompanied by a fee of \$100 (which will be refunded if the dispute is settled in favor of said person) is received at the Federation's office within said 30 day period. The Hearing Committee is the only entity that can waive the fines assessed as the result of this rule.
3. In the event a person is reported three or more times for making unnegotiable payment for entry fees, etc., to any competition Licensed or endorsed by the Federation, he is, after a hearing, subject to further disciplinary action.

GR914 Refusal of Entries

1. In addition to entries of persons suspended or expelled from the Federation, a Licensed Competition may refuse any entry of an exhibitor or the participation of any agent, trainer, rider, driver or handler who has shown an objectionable attitude or behavior at a Licensed Competition or towards its management, which management is able to substantiate, or previous unsportsmanlike behavior at a Licensed Competition which management is able to substantiate.
2. A competition licensed by the Federation and an affiliate association may refuse the entries of horses and riders in Maiden, Novice, Limit and Green classes if they are ineligible under the rules of the Affiliate Association, except for:
 - a. A class open to horses in a specified area (Examples: State Championship, New England Championship, and Kentucky-bred horses).
 - b. A class where the winnings form part of a total score in a competition for a trophy,
 - c. Classes in which the identical award may also be competed for at another Licensed Competition.
 - d. Classes counting for USEF Horse of the Year Awards.
3. If a horse is withdrawn or eliminated from competition during a horse inspection at any FEI licensed competition, it is prohibited from competing at any concurrently held Federation licensed competitions within 48 hours following the FEI Horse Inspection.

GR915 Limiting Entries

1. Management can limit the number of horses entered by an owner and the number of horses ridden by a rider.
2. Any competition that sets restrictive criteria for accepting entries and/or offers classes or events which are part of a league, series or other ranking or award system must do so by meeting the applicable requirements described below:
 - a. Based strictly on a First-Come, First-Served basis (See GR907.1) under this method the prize list must be distributed at least two weeks prior to close of entries to any person requesting a prize list as well as at least three times the number of potential entrants as there will be entries accepted.
 - b. Qualification based only on winnings **or participation**: (i.e., ribbons and/or prize money or dressage scores during a specified time period, of at least eight (8) consecutive weeks' duration, established by Competition Management and published in the prize list or otherwise prior to the end of the specified period. (See applicable breed/discipline rules for further requirements under this rule). *BOD 1/14/2017 Effective 2/1/17*
 - c. By Council Approval: Any other competition wishing to set restrictive criteria for accepting entries other than as specified above must make written application to the applicable Council, accompanied by a nonrefundable fee of \$50, at least 120 days prior to the event detailing the criteria being requested. The Federation office may refer the application to the appropriate discipline or other committee for its recommendation regarding the application prior to the application and any recommendation being considered by the Council. The Council will consider such recommendations and may approve any such applications in its discretion and may condition any such approval in its discretion, and must require, if approved, that there be publication in the prize list or otherwise of such restrictive criteria sufficiently in advance of the closing date of entries, where appropriate, for all interested to have a fair opportunity to enter. The foregoing provisions do not apply to national championships, qualifying events for national championships, and any other events with selection criteria approved by the Board of Directors.
3. Leagues, Series, and Finals:
 - a. Definitions:
 1. "Finals" means any championship, trophy or other award final, league final or other final class or final event with entries based upon the outcomes of earlier contests.
 2. "System" means classes or events which are part of a league, series, ranking/tracking lists or championship,

GR9 - PRIZE LISTS

final trophy or other award system, whether or not generated or tracked by a computer program or otherwise.

- b. All of the following requirements must also be met:
 1. The league or series must be run under the auspices of either a Recognized Affiliate or an Alliance Partner of the Federation.
 2. All the qualifying classes must be held at licensed competitions or at competitions recognized by a Recognized Affiliate or an Alliance Partner of the Federation.
 3. The league or series must award the qualifying classes to licensed competitions on an equal basis. If a licensed competition meets the requirements to hold a qualifying class and wishes to do so, it must be given the opportunity.
 4. The organization or individuals financially responsible for the system must be USEF Members, Federation Recognized Affiliates, or Federation Alliance Partners and must agree to be bound by and comply with all applicable Federation rules in the conduct of the system and its application in the league or series.
 5. If there is an award category for classes in the league or series and the above requirements are met, HOTY points will be awarded for the qualifying classes and for the finals held at licensed competitions.
 6. If the finals of a league, series or other ranking system are not held at a licensed competition, HOTY points for the finals will not be awarded.

GR916 General Conditions

Except as permitted by the FEI for FEI recognized classes, all entries at a Licensed Competition must be on the same basis. A competition cannot give free or reduced entries, free or reduced transportation or other expenses to one exhibitor unless the same privileges are extended to all exhibitors in the same section or subset of competitors. The requirements to obtain these privileges must be advertised to all potential exhibitors. No fees may be imposed that are not listed in the prize list.

SUBCHAPTER 10-A LICENSED OFFICIALS COMMITTEE

GR1001 Duties

The **Federation** will act upon every completed application for enrollment, annual renewal, promotion, recommendation to the FEI, and change of status of judges, course designers, stewards and technical delegates. The **Federation** will issue an official's card to each approved applicant. Cards are valid for the current competition year only. **Decisions of the Licensed Officials Committee are subject to the approval of the Federation. BOD 11/7/16 Effective 12/1/16**

GR1002 Applications

1. The Committee will carefully review all applications, solicit confidential evaluations from the appropriate Breed/ Discipline Committee members and others as it may elect as provided in Chapter 10, Subchapter 10-I, including names furnished by the applicant, and consider returned questionnaires, competition reports, any letters received regarding the applicant and other relevant information submitted to the Committee. For all applicants, the Committee will request and give due consideration to recommendations received from Recognized National and FEI Affiliates before granting a new license or promotion. All such submissions shall be strictly confidential, shall not be subject to examination by the applicant, and shall be made available only to Committee members and staff. All applicants specifically waive their rights to examine such submissions. Following careful and thorough consideration of an application along with all materials received relating to it, the Committee may at its discretion deny a license for reasons above and beyond the minimum licensing requirements. In reviewing the application, the Committee will consider concerns regarding division knowledge, professionalism and decorum, skill development, experience, requisite skills or lack of support.
2. The Committee may in its discretion revoke a current license, place a license on probationary status, reduce a license by one level, temporarily suspend, or refuse to renew an official's license at its expiration following a hearing on at least ten days written notice to the official in question who shall have the right to appear, to be represented, and to bring witnesses. The Committee shall issue its written ruling specifying the substance of the Committee's reasons for said decision without breaching the confidentiality of any of the foregoing submissions.
3. The Committee at its discretion may reinstate an official who has allowed his/her license to lapse for one year or may require him/her to reapply.
4. All applications whether for initial enrollment, renewal, promotion, or for change of status or recommendation to the FEI shall contain a statement to be signed by the applicant, indicating that the applicant waives his/her right to review confidential submissions and the file, and has read and understands the rules governing the application process, and agrees to be bound thereby.

GR1003 Review

1. Any person whose application for enrollment, renewal, promotion or change of status or for recommendation to the FEI has been denied or whose license has been revoked, placed on probationary status, reduced by one level or temporarily suspended may request a review by the Licensed Officials Committee to reconsider the decision. The request must be in writing and mailed to the Licensed Officials Committee within 30 days from receipt of the written ruling of the Committee sought to be reconsidered and accompanied by a check for \$300 payable to The Federation, which is non-refundable.
2. The review shall be after ten (10) days written notice to all parties concerned. The notice shall contain a brief statement of the facts supporting the position of the Licensed Officials Committee and shall specify the time and place at which the review is to be held. The person requesting the review may attend and may bring witnesses, sworn statements or other evidence on his/her behalf. Upon the written request of a representative of the Licensed Officials

GR10 - LICENSED OFFICIALS

Committee or the person requesting the review, there shall be furnished before the Committee any evidence to be introduced, the names of witnesses and the substances of their testimony; however, all confidential submissions received by the Committee shall be maintained as confidential and shall not be provided to the applicant.

3. Following an adverse decision by the Licensed Officials Committee with regard to a non-renewal or revocation only, an applicant may request the Hearing Committee to review the decision or to consider a hearing de novo, provided such application is made in writing within 20 days of receipt of the Licensed Officials Committee decision, and provided a nonrefundable fee of \$500 payable to The Federation accompanies the application. The Hearing Committee may review the decision, or in its discretion, hold a new hearing. In either case, both the applicant and the Licensed Officials Committee shall be parties to the proceeding and shall have the right to make written submissions, be represented by counsel, and in the event of a hearing, to appear in person and present or cross-examine witnesses.

GR1032 General

1. Failure of an official to attend a competition with which he has a signed agreement or failure to perform his duties in accordance with the rules, or to officiate in the classes to which he is assigned shall constitute cause for disciplinary action as provided for in Chapters 6 and 7, except in cases of extreme emergency.
2. Any official found guilty of cruelty to a horse or to have killed, abandoned, mistreated, neglected or otherwise abused a horse, by an administrative agency, body, humane society or court of law, whether such court or tribunal is civil, criminal or administrative may have his license(s) revoked.
3. No official is to be housed in a private home unless he has agreed before the competition.
4. In the event that an official officiates at a competition where he is ineligible, the official may be penalized as described in GR703.

GR1033 Judges

1. Good judging depends upon a correct observance of the fine points and the selection of best horses for the purpose described by conditions of the class. A judge serves three interests: his own conscience, exhibitors and spectators. He should make it clear that the best horses win.
2. When judges are required to judge independently on a multiple judge panel, each judge must meet the requirements as outlined in Rules GR1004 through GR1011.
3. Except in the discharge of their official duty, the use of cellular phones or other similar communication devices, including computers, by judges while in the ring (including center ring), judges' box, judges' stand or on any part of a course during a competition is strictly prohibited.
4. A judge is obligated to adjudicate each division, section and class in conformity with the rules and specifications of that division, section and class as they appear in the Federation Rule Book. He is expected to be proficient in his division and to possess a thorough knowledge of the rules of the Federation.
5. The attention of judges is directed to the difference in requirements covering Maiden, Novice, Limit, Junior, Amateur and Ladies' classes versus Open classes. These differences must be observed in adjudicating classes.
6. The decisions of each judge constitute solely his individual preference and not as opinions of or decisions by the Federation. For decisions of a judge in regard to soundness, see GR1204.
7. Consulting with a Veterinarian
 - a. Only the judge may call a veterinarian during a class but is encouraged to do so if his opinion necessitates the disqualification of an entry. The judge shall give the numbers of the horses in question and the veterinarian shall render his finding. If the veterinarian is not immediately available or not called upon, the judge's decision as to

GR10 - LICENSED OFFICIALS

- b. the serviceable soundness of a horse shall be accepted for the purpose of disqualifying a horse from showing in that class and shall be final. (Exception: The decision of the judge as to the serviceable soundness of a horse in Hunter classes is final, however the competition veterinarian may be consulted.)
 - c. In regard to possible whip marks, or other matters other than soundness that are pertinent to the welfare of the horse, the judge may consult with a veterinarian during a class. The final decision rests with the judge.
 - d. None of the above applies to Dressage, Driving, Eventing or Western Dressage. See DR122.6, EV134.8 and WD125.8.
8. When a judge is used as a referee and is called upon to break a tie, the other judges must give the ringmaster only the numbers of the two horses tied. The ringmaster will then take these to the referee who will indicate his preference by circling the number of his choice. The ringmaster will then return this written decision to the other judges who will proceed with the remaining placements, as the breakage of a tie for one placement by the referee does not automatically place the losing contender of the tie in the next position. This procedure is to be followed for each placement in turn, as ties occur. The referee shall turn in a judge's card only when called upon to break a tie, in which case only his tie breaking decision shall be indicated on the card.
 9. All placements stated in the prize list/omnibus shall be awarded, beginning with first place and proceeding in order through all placements, unless there is an insufficient number of entries or an entry is eliminated, excused, or disqualified.
 10. It shall be the prerogative of the Licensee to designate a particular system of judging and to post a complete order of placement for public inspection. Judges accepting an invitation to officiate must recognize the Licensee's prerogative. Unless the Licensee designates a particular system of judging when an invitation is issued, a judge is not required to use a particular system of judging. *BOD 11/7/16 Effective 12/1/16*
 11. A judge must order from the ring any unruly horse or one whose actions threaten to endanger the rider, driver, handler, other exhibitors or their entries.
 12. A judge must order from the ring any rider, driver or handler who exhibits inappropriate or dangerous behavior or whose actions would in any way threaten the safety of any exhibitor, their entries or the safety of class officials.
 13. When over 40 horses or riders are entered in a performance class in which horses compete together, a judge must divide the class and work it in groups of less than 40. Unless individual tests are required in the class routine, he shall bring the top contestants from each group back into the ring for final adjudication. (Exception: See AR107.7d and DR126.1a(4)).
 14. In classes which have a maximum weight and/or measurement for shoes, the judge himself must immediately weigh and/or measure any shoe that is cast. In such classes the judge may not excuse an entry from the ring until satisfied that the entry has not cast a shoe.
 15. In the Western and Western Seat Equitation division, when a single judge system is used, judge's cards shall be considered final and shall not be changed after the completion of the presentation of awards for that class.
 16. Judges' cards and/or official score sheets are to be signed by the judge and retained (with the exception of score sheets returned to the exhibitor) as part of the competition's official records for a period of no less than three years. Electronic signatures through a PDA or similar device used to record scores will fulfill the signature requirement.
 17. Judges must commence and complete classes in accordance with GR109.

- a. Stewards and Technical Delegates are responsible for ensuring that measurements are conducted in accordance with the rules and that all required paperwork is completed in a legible manner.

SUBCHAPTER 11-A HORSE IDENTIFICATION AND RECORDING

GR1101 Horse Identification Number and Horse Identification Form

1. All horses competing in Federation licensed competitions must be properly identified. For all such competitions, entries for each horse must include either a Federation-issued Unique Horse Identification Number or a registration number from a Federation Recognized Affiliate. Additionally, a Federation Recognized Discipline Affiliate may require horses to be registered with their organization, and if so, the entry must also include that registration number.
2. The Federation will issue only one Unique Horse ID Number per horse. This Unique Horse ID number must subsequently remain with the horse in perpetuity, and shall not be changed for any reason, including upgrade from Unique Horse ID to a Recording, change of ownership, change of name, or death.
3. Prior to submitting an application for a new Unique Horse ID number, it is the owner's responsibility to verify the current ID status of a horse through a Horse Recording/ID search, (the assistance of Federation staff may be requested). Anyone who knowingly seeks to obtain an additional Unique Horse ID Number for a horse which has previously been issued one is subject to disciplinary action.
4. The Federation must be notified of any change of ownership and/or competition name of the horse.
5. Owners are requested to notify the Federation of corrections to previously submitted information, e.g., names, addresses, breed registration, pedigree, or markings.
6. A Unique Horse ID number can be upgraded to Federation recording. The Unique Horse ID Number will remain the same.
7. Applications for Unique Horse ID Numbers and/or recordings can be completed online at www.usef.org using the Horse application form which can also be downloaded. The ID application form is also available on request from the Federation office, and from competition management.
8. Competition management is responsible for notifying exhibitors in their prize lists of the Unique Horse ID Number requirement, and availability of Horse ID Number application forms.
9. There will be no charge for Unique Horse ID Numbers that are issued via the internet to members of USEF or its affiliates for: 1) horses that are life recorded, registered or otherwise identified or listed with a USEF discipline affiliate, or 2) horses registered with a USEF breed affiliate. Horses not meeting the above criteria must have a completed USEF Horse application indicating on the application the request for a Horse ID before a number will be issued. This form can be completed on the internet, free of charge, at www.usef.org.

GR1102 Horse Recordings

To keep these records consistent, a horse should be recorded with the Federation in the same name of horse and owner under which it is exhibited at competitions. The Federation's horse recording records are not a title registry and the Federation does not decide, otherwise resolve, or become involved in ownership disputes. *BOD 1/16/16 Effective 12/1/16*

SUBCHAPTER 11-D HORSE OF THE YEAR AWARDS AND NATIONAL CHAMPIONSHIPS

GR1109 General

The Federation offers annual Horse of the Year Awards on a national, district, regional and zone level, in numerous divisions. The purpose of these awards is to encourage participation at Federation Licensed Competitions. In making the awards the Federation in no way implies that the winners are the best in their respective divisions (although they may well be) but certifies that these animals are properly recorded for competition purposes, and registered with the USHJA if competing for awards defined in GR1131, GR1132 or GR1133, are exhibited by the recorded owner, who must be a Federation Member, and USHJA Member if competing for awards defined in GR1131, GR1132 or GR1133, and acquired the greatest number of points during a given year.

GR1110 General

1. Points toward any Horse of the Year Award will not be credited until the applications and fees for the horse's recording, exhibitor's registration, transfer of ownership, name change or addition of owner(s) and owner's Senior Active, Junior Active or Life membership are received by the Federation office. Furthermore, points toward Horse of the Year Awards defined in GR1131, GR1132 or GR1133, will not be credit until the applications and fees for the horse's USHJA Horse Registration and the owner's USHJA Active or USHJA Life membership are received by the Federation or USHJA offices. Exception: Applications for Federation and USHJA Individual Membership and Horse Recordings submitted at Licensed Competitions:
 - a. For Dressage Competitions, reference Bylaw 223, Section 1:
 1. Applications are considered effective on the date the application and dues are received by the Competition Secretary provided the application is signed and dated by the Competition Secretary on that same day.
 2. Applications completed online at the competition are effective the date the application is submitted.
 - b. For all Competitions other than Dressage Competitions, reference Bylaw 221, Section 1:
 1. Applications are considered effective, for points and eligibility to compete only, on the start date of said Competition provided the application and dues are received by the Competition Secretary and the application is signed and dated by the Competition Secretary during the period of the Competition.
 2. Applications completed online at the competition are effective, for points and eligibility to compete only, on the start date of the Competition.
2. For points to count with respect to any competition, the required materials and fees must be received by the Federation office (or by the Competition Secretary - see below) on or before the first licensed day of such competition. Exception: Applications for Federation Individual Membership and Horse Recordings submitted at Licensed Competitions:
 - a. For Dressage Competitions, reference Bylaw 223, Section 1:
 1. Applications are considered effective on the date the application and dues are received by the Competition Secretary provided the application is signed and dated by the Competition Secretary on that same day.
 2. Applications completed online at the competition are effective the date the application is submitted.
 - b. For all Competitions other than Dressage Competitions, reference Bylaw 221, Section 1:
 1. Applications are considered effective, for points and eligibility to compete only, on the start date of said Competition provided the application and dues are received by the Competition Secretary and the application is signed and dated by the Competition Secretary during the period of the Competition.
 2. Applications completed online at the competition are effective, for points and eligibility to compete only, on the start date of the Competition.
3. A horse must be recorded with the Federation, and the name of at least one individual appearing on the horse recording certificate as owner must be that of an Senior Active, Junior Active or Life Member in good standing. If the horse is leased at the time of the competition, per GR1108, the lessee is considered the owner (exception all Owner classes) and must be a Senior Active, Junior Active or Life Member in good standing. If the recorded owner is a farm/stable, corporation or any name other than that of a person, refer to GR1106. For the purposes of accruing Federation points, the horse must be entered and shown in the ownership of an individual or entity, including a member of the owner's family, who is included on the Federation horse recording certificate. Effective date of ownership is the day written authorization is received by the Federation office.
4. If the owner, rider, animal, and trainer are all in good standing and an error occurs on the entry blank (i.e. the wrong USEF number is written, the old owner is written in error, the correct number but incorrect spelling is written, etc.), HOTY points may be awarded after review by the Federation.
5. No points can be credited toward an award unless the Federation recorded name and Horse Recording number of the horse and the Federation recorded owner or lessee's name and membership number appears in the

GR11 - AWARDS

competition's records (i.e., result sheets or catalogue) as exhibited in the name of the Federation recorded owner or, if the horse is leased, under the ownership of the lessee as required under GR1108.

6. Failure to comply with the rules respecting eligibility for points will result in points not counting for Federation purposes and awards. Points standings are available on the Federation website, www.usef.org, and it is the responsibility of exhibitors to check standings and call to the Federation's attention any omissions or inaccuracies. As a service to members the Federation may from time to time advise exhibitors when points are not able to be counted, but the responsibility for checking standings and ensuring that eligibility requirements are met remains solely with the exhibitors.

GR1111 National, Regional and Zone Awards

1. All horses are eligible for National Awards, as long as all requirements of GR1110 are met. See GR1122-GR1144 for specific classes and divisions offered at the National level.
2. In the Arabian, Half/Anglo Arabian, Andalusian/Lusitano, Friesian and Morgan divisions, horses are eligible for Regional Awards in any region they compete. (Points will be awarded in the qualifying region stated in the prize list regardless of the owner's home region). Exception: In Friesian division, any points won at Nationals will count solely towards National Awards and not towards any Regional awards. In the Andalusian/Lusitano Division, any points won at the IALHA designated National Show will count solely towards National Awards and not towards any Regional Awards. In the Hackney, Roadster, and American Saddlebred divisions, points won at competitions in states contiguous to an exhibitor's home region, or in Canada if contiguous to an exhibitor's home region, will count in addition to any points won in an exhibitor's home region.
3. For purposes of distributing Regional Awards for the Andalusian/Lusitano, and Western divisions, refer to the Regional map in GR1123. For Friesian division, refer to Friesian Regional map in GR1129. For Arabian and Half/Anglo Arabian divisions, refer to Regional map in GR1124. For Hackney and Roadster divisions, refer to Hackney Regional map in GR1130. For the Morgan division, refer to Morgan Regional map in GR1134. For the American Saddlebred division refer to American Saddlebred Regional map in GR1139.
4. Horses are eligible for Zone Awards only within the home zone of the entry's recorded owner(s) exception Hunter Seat Equitation, the rider's home residence will be used. However, points won at competitions in states contiguous to an exhibitor's home zone, or in Canadian provinces if contiguous to an exhibitor's home zone, will also count if the state or Canadian province has been designated as provided below.
 - a. Zone awards are offered in the following disciplines: Hunters, Jumpers and Hunter Seat Equitation. For Hunter, Jumper and Hunter Seat Equitation divisions for which zone awards are offered, each zone committee may designate one or more states and/or Canadian provinces contiguous to its zone in which to compete for zone points. Designated Canadian provinces that are contiguous to the zone will receive zone points for national Horse of the Year award sections and for USHJA Zone Horse of the Year award sections providing they conduct their classes under national Federation rules for these sections. For purposes of this rule as applied to hunter/jumper and equitation zone awards, the state of New Jersey which is a state land-locked within the zone will be treated as a part of either New York or Pennsylvania. Therefore if Zone 1 chooses New York as one of its contiguous states, New Jersey is also included. If Zone 3 chooses Pennsylvania as one of its contiguous states, New Jersey is also included.
 - b. Zone committees must submit their designation of contiguous state(s) and/or Canadian provinces by August 1 annually, to be in effect for the next competition year. If no designation of contiguous states and/or Canadian provinces is submitted, it defaults to the previous year's policy.
5. For purposes of distributing Zone Awards, refer to Zone map.
6. An owner's residence at the time he applies for or renews his membership will be maintained throughout the competition year and is considered his home district, region or zone for the purposes of counting points. For a Life

Member, his residence on December 1st will be used for this purpose. If the recorded owner moves his residence during the year to a new district, region or zone, points can be accumulated in the new location provided the owner declares in writing to the Federation that the new district, region or zone will be his home district, region or zone. The declaration must be received by the Federation office on or before the first licensed day of a competition for points to be counted for that competition. See also JP101.

7. If the recorded ownership of the horse is transferred, valid points earned by the previously recorded owner will be retained in his home district, region or zone. Points are not transferable from one district, region, or zone to another.
8. Horses showing under multiple ownership involving more than one district, region or zone must have one home district, region or zone declared for the purpose of these Awards. This declaration must be made in writing to the Federation office by March 1st of the current year or within 30 days of receipt of horse recording application and must be signed by each bona fide owner. Effective date of declaration is the day the written authorization is received by the Federation office and for points to count, the declaration must be received by the Federation office on or before the first day of the competition. If only one owner is a Federation Member in good standing, this person's residency will automatically become the entry's home district, region or zone.
9. If the horse is recorded under the ownership of a registered farm, the residence of the farm's owner is the entry's home district, region or zone. If the owners of a farm reside in different districts, regions or zones see paragraph 8 above.
10. Exception to GR1111.8-1111.11: Arabian, Half/Anglo Arabian Division, Andalusian/ Lusitano, Morgan and Friesian Divisions; see GR1111.2.
11. Responsibility in fulfilling the requirements of the above Rules rests entirely with the exhibitor. As the competition entry blank is generally the source of information required in GR1110.5, care should be taken to fill out entry blanks correctly.

A maximum of \$5,000 in Hunter Classic, USHJA International Hunter Derby and/or USHJA National Hunter Derby prize money can count as part of the required \$24,000 in prize money, including add back money if any, that must be paid in order to maintain a "Premier" rating. If an add-back is offered, the minimum required prize money for that section must be guaranteed, and the add-backs must be clearly indicated in the prize list. Premier competitions offering add back must offer a minimum of \$18,001 and must pay a minimum of \$24,000. Exception: if sections are cancelled or entries are insufficient to award all prize money, then additional money not awarded must be pooled and redistributed 60% to the champions, and 40% to the reserve champions of the remaining "A" rated hunter sections.

(Exception: where individual classes may be entered (High Performance Hunter, Performance Hunter 3'6", and Performance Hunter 3'3") in which case the points will be calculated by the number of entries that

(Exception: This is not required for Opportunity classes except for the Dressage Division. If Opportunity classes are offered at Dressage Competitions or Regular/Local Competitions with "Open" Dressage classes and are restricted to amateurs, riders are required to have amateur status with the Federation). This status must be available for inspection or the competitor must have lodged with the competition secretary, at least one hour prior to such class, an application for such status provided by the Federation. Amateur status will be issued only on

GR13 - COMPETITION PARTICIPANTS

- receipt of the application properly signed and is revocable at any time for cause. Foreign riders requesting Federation Amateur status, must be a Junior, Senior or Life Competing Member of the Federation (Exception: Equestrian Canada members in possession of current EC membership may sign for USEF Amateur status on a show by show basis at no cost). Any person who has not reached his/her 18th birthday is an amateur and does not require amateur status.
2. An amateur continues to be such until he/she has received a change in status from the Federation. Any amateur who wishes to be re-classified on the grounds that he/she has engaged or is planning on engaging in activities which would prevent him/her from continuing to remain an amateur must notify the Federation in writing.
 3. There is no fee for amateur status for Senior Active or Life Members. *BOD 11/7/16 Effective 12/1/16*
 4. If a person violates or does not comply with the above, he/she will not be eligible to compete in amateur classes and will not be entitled to an award in such classes and will be deemed guilty of a violation within the meaning of Chapter 7 in the event he/she does compete.
 5. In the event a person is found to be a professional as a result of a protest or charge made in connection with a competition, all awards won by such person in amateur classes at such competition and subsequent competitions shall be forfeited and returned to the competition and the person shall be subject to further disciplinary action. The holding of an amateur card does not preclude the question of amateur standing being raised by a protest or charge.
 6. The trainer may be subject to disciplinary action if an exhibitor who shows as an amateur is protested, and that protest is sustained by the Hearing Committee, and it is determined that the trainer had knowledge of their professional activities.
 - a. Any changes of status from professional to amateur, or vice versa, will be published on the Federation's web site.
 7. An exhibitor who engages a person to ride, drive or show in halter in any amateur class and then remunerates such person beyond the extent to which such amateur is entitled as provided above in GR1306 will be subject to disciplinary action under Chapter 7.
 8. Any person who under these rules is a professional and knowingly and falsely represents himself/herself to be an amateur by declaring or maintaining current amateur status issued by the Federation, and any person who violates any of the provisions of this rule will be subject to disciplinary action under Chapter 7.
 9. A professional continues to be such until he/she has received amateur status by a vote of the Hearing Committee. Any professional who wishes to be reclassified as an amateur on the grounds that he/she has not engaged in the activities which made him/her a professional within the last twelve months must notify the Federation in writing.
 - a. Such person shall submit to the Hearing Committee an amateur reclassification request which is supported by:
 1. A notarized letter signed by him/her outlining the horse related activities (using specific dates) which made said person a professional and outlining the activities performed within the twelve month period (or longer) since professional activities have ceased,
 2. Two or more notarized letters from any Senior Active Federation members stating the relationship with the applicant and outlining the applicants activities for the one year period preceding such written notification advising and testifying that the applicant has not engaged in any activities which would make him/her a professional as outlined in GR1306 during that period,
 3. A processing fee of \$50,
 4. Sign and declare amateur status on a current USEF membership application. The burden of proof of proving amateur status is on the applicant. The Hearing Committee may call for and/or consider any and all further evidence and facts which it deems pertinent. The decision of the Hearing Committee on the reclassification request shall be final.
 - b. Any changes of status from professional to amateur, or vice versa, will be published on the Federation's website.
 10. Please contact the Federation office for information regarding international/professional licenses.

1. Dispensation Certificate. Any individual with a diagnosed permanent physical disability wishing to compete in a Federation licensed competition with a compensatory aid and/or adaptive equipment must obtain a Dispensation Certificate from the Adaptive Sports Committee, including those individuals with a current Federation or FEI Classification. Upon the Committee's approval, a Dispensation Certificate will be issued by the Federation. The Dispensation Certificate will list all compensatory aids and adaptive equipment allowed the individual while competing. Other compensatory aids or special equipment not specifically listed on the Dispensation Certificate are not allowed. A copy of the Dispensation Certificate must be included with the individual's entry. The competition manager or secretary shall include a copy attached to all applicable scoring sheets for the judge's reference. For instructions on how to apply for the Dispensation Certificate, please refer to GR1312. Also see GR1315 for definitions of terms used in this section. (Exception: Dispensation certificates are not required for Breed or Multi-breed restricted or Hunter competitions or classes; Equitation Division classes, Carriage Pleasure Driving Division, or the Open Western Division).
2. In circumstances that fall outside of the dispensation program, a Presidential Modification may be considered. Please refer to GR152 and Bylaw 332.1.f.

GR1311 Para-Equestrian Eligibility/Classification

In order for an individual to compete in USEF licensed Para-Equestrian Competitions in Para-Equestrian classes, he/she must have a diagnosed, permanent physical disability. The individual will need to possess a USEF or FEI Classification and a USEF Dispensation Certificate. See GR142 for the definition of Para-Equestrian and GR1315 for additional definitions).

GR1312 Applying for a Dispensation Certificate

1. Applications for a Dispensation Certificate can be obtained from the Federation (via the USEF website or the USEF office) and are reviewed on a continuing basis throughout the year by the Adaptive Sports Committee. Only applications submitted along with supporting medical documentation will be considered. The Adaptive Sports Committee may request additional supporting evidence from the individual regarding his/her medical status or regarding the aid/equipment which he/she requests dispensation for. The Adaptive Sports Committee will render an opinion (approval of all or some of the aids requested or denial of the dispensation) and the individual will be notified by the USEF in a timely manner.
 - a. The Dispensation Certificate will be issued annually upon re-application, and remains in effect until the end of the competition year or until he/she receives a change in status from the Federation, whichever is earlier. Any individual who wishes to make changes to his/her Dispensation Certificate must notify the Federation in writing and obtain written approval. Certification is revocable at any time for cause.

GR1313 Applying for Para-Equestrian (PE) Classification

1. The individual will request classification from the USEF. Application paperwork (Consent for Classification and Certificate of Diagnosis) may be found on the USEF website or from the USEF Director of Para-Equestrian. Once the USEF Director of Para-Equestrian receives the completed paperwork, the office will contact the USEF Classification Coordinator.
2. The USEF classification coordinator will assist in scheduling a classification with one of the USEF/FEI Classifiers. There is a non-refundable administrative fee for the classification payable to the USEF. If the individual requests a classification to be scheduled at their convenience, all expenses for the classifier will be paid for by the individual. The individual must be a member in good standing with the USEF.
3. If the individual is deemed eligible for Para-Equestrian, the classification will result in a Profile and a Grade based on the FEI Profile system. The Profile will remain with the individual for as long as their physical disability remains constant with no need for re-classification. This is considered a Confirmed Status. If the individual has a fluctuating medical condition or if his/her function changes, the profile may change with future re-classifications. This is considered a Review Status. The Grade will be based on the specific discipline.
4. Upon classification, the USEF will issue a USEF Dispensation Certificate. This Certificate will outline the individual's profile, grade, status, Classification expiration, and indicate any compensating aids/adaptive equipment that may be used in USEF licensed competition in accordance with USEF rules.
5. For USEF licensed competitions, the individual will send in a copy of their Dispensation Certificate with their competition entry. The individual will also be responsible for making the Certificate available as requested by the competition officials (See also GR1310).
6. When change in status occurs (i.e. change of compensating aids/adaptive equipment), written request for a change will be submitted to the USEF office.
7. The USEF/FEI Classifier will determine the Grade, status and review period for classification. For those with

GR13 - COMPETITION PARTICIPANTS

disabilities with no expected change in functional status, the classification will have a status of Confirmed and have no expiration. For those with fluctuating conditions or conditions expected to change, either by deterioration or improvement there will be a status of Review indicated on the Certificate with an expiration and expected date for re-classification. It is the individual's responsibility to apply for re-classification through the USEF with time allowed prior to any upcoming competitions. It is also the individual's responsibility to apply for re-classification if a major change in function, either improvement or deterioration occurs. The individual will be required to submit objective medical information with the request for re-classification.

8. Upon receipt of an FEI Classification, necessary for Qualifying and FEI licensed competition. The individual's information will be posted on the FEI website at www.fei.org, on the FEI Classification Master List for Dressage or Driving. The list will indicate the individual's profile, grade, status and compensatory aids. The FEI Classification Master List may be found at <http://www.fei.org/fei/org/fei/disc/dressage/about-para-equestrian>. The individual may request a USEF Dispensation Certificate with the FEI Classification status and any approved compensating aids listed. The Dispensation Certificate may be used at any USEF licensed competition.
9. Classification status can be challenged by a USEF competition official with a written request to USEF. Medals will be suspended until such time that the Classification status is resolved.

GR1314 Hearings/Protests

1. Any individual whose application for a Dispensation Certificate or a Para-Equestrian Classification has been denied may request a hearing by the Hearing Committee or by such individual or committee as it may designate to review said decision. The request must be in writing and mailed to the Hearing Committee within ten (10) days from receipt of the decision sought to be reviewed.
 - a. The hearing shall be after ten (10) days notice to all parties concerned. The notice shall contain a brief statement of the facts reporting the position of the Federation and shall specify the time and place at which the hearing is to be held. The person requesting said hearing may attend and bring witnesses, sworn statements or other evidence on his or her behalf. Upon the written request of a representative of the Federation or of the person requesting the hearing, there shall be furnished before said hearing any evidence to be introduced, the names of witnesses and the substance of their testimony.
 - b. The decision of the Hearing Committee or the person or committee designated to preside at said hearing shall be final.
 - c. Protests or charges brought in connection with an individual's Dispensation Certificate status or Para Equestrian Classification status shall be handled in accordance with the provisions of Chapter 6.

GR1315 Definition of Terms

1. Diagnosed permanent physical disability - An individual with a medical condition resulting in functional limitations affecting their ability to participate in equestrian sport and diagnosed by a medical doctor. The condition is not reasonably expected to improve and may, in fact, be one that worsens over time. The condition should be easily objectively measurable in scope, either by physical examination by a medical professional or with medical testing. An example may include a limb amputation, paralysis, weakness due to a neuromuscular condition loss of vision.
2. Compensating aid and/or adaptive equipment - Allowance for an alteration in performance, an alteration of dress or alternate piece of equipment which allows the individual with functional limitation(s) to perform the requirements of the competition. The aid or equipment assists in equalizing the functional ability of the individual and should not give the individual an undue advantage. The aid/equipment must be deemed safe for the competitor and the horse and is subject to review by the TD and/or judge at each event. Examples:
 - a. Saluting with the nod of the head only when taking a hand off of the reins would be unsafe.
 - b. Use of paddock boots and smooth leather half chaps rather than tall boots if wearing tall boots is unsafe for a

rider with leg dysfunction.

- c. Allowance to not wear gloves for the individual with impaired sensation in the hands.
- d. Use of 1 or 2 whips to cue the horse for an individual with impaired use of his/her legs.
- e. Use of a golf cart to survey a course prior to driving for the individual who is unable to walk.
- f. Use of quick release equipment for carriage driving.

For additional examples, please see FEI Compensating Aids booklet at www.fei.org.

3. Dispensation

- a. Dispensation Program - The Federation encourages competition amongst all individuals, including those with a diagnosed permanent physical disability. For those individuals wishing to compete in a Federation licensed competition and who require compensating aids and/or adaptive equipment to do so, a Dispensation Certificate may be granted. The purpose of the dispensation is to aid those with limited function by allowing the use of aids/equipment which will result in more equal function. These aids/equipment should not give the individual with a disability an advantage over his/her competitors.
- b. Adaptive Sports Committee: An interdisciplinary group representing the equestrian disciplines, the medical field, competitors, and the USEF who is charged with the review and/or approval of dispensation applications.

4. Para-Equestrian (PE)

- a. USEF Para-Equestrian (PE) Classification - The USEF has chosen to adopt the FEI Profile System for classification of individuals with disabilities. This system provides a means to assess an individual's functional abilities and impairments to determine which Grade they will compete in amongst individuals with similar levels of function. There is a minimal level of impairment required in order to qualify for the FEI Profile System. In the system, an individual with a permanent measurable physical disability is assessed by a USEF or FEI approved classifier. As a result of the assessment, the classifier will determine eligibility and then assign the individual a Profile. The Profiles are grouped into Grades based on the discipline in which the individual will be competing. For example, an individual who has minor impairment of the Left arm and leg after a stroke would likely be given a Profile 15. If they compete in dressage, they would compete in Grade III. If they choose to compete in Carriage Driving, they would compete as a Grade II.
- b. FEI Profile System - Amongst individuals with disabilities, there are many different types of impairments. To provide meaningful competition for these individuals it is necessary that those of similar levels of impairment compete together. The FEI "Profile System" fulfils this criterion. It is a System of tests administered by trained and certified Physical Therapists or Physicians. It is based on the classification systems used in other sports for individuals with disabilities and has been tested for reliability and validity in its application in equestrian sport.

5. Profile - an individual is given one of 42 profiles based on their level of function as assessed by a USEF or FEI Classifier. The Profiles are versatile but tight, easy to use and understand. The locomotor Profiles are not disability (diagnosis) specific, but are based on the ability of the functioning part(s) of the body. The Profile is considered permanent except in the case of a diagnosis that has a reasonable expectation of change, such as with progressive Multiple Sclerosis.

6. Grade - the grouping of profiles within a discipline. In Dressage, there are 5 grades (Ia, Ib, II, III, and IV). In Carriage Driving there are 2 Grades (I and II). A Grade is made up of several profiles, grouping Para-Equestrians of similar level of function. The lower number Grades (i.e. Grade I) is made up of Para-Equestrians with a more significant level of impairment, whereas the higher number Grades (i.e. IV) identify those Para-Equestrians with a lesser impairment. The Grade determines which tests a rider competes and against whom the Para-Equestrian will be competing. In National and International competition, medals/placement is awarded in each Grade.

7. An individual who has been classified by a USEF or FEI Classifier and who has been given a Profile, Grade, status and the use of compensatory aids/adaptive equipment. These individuals may compete up to the National level of

GR13 - COMPETITION PARTICIPANTS

USEF licensed PE competitions.

8. FEI Para-Equestrian (FEI PE) - a Para-Equestrian with an FEI Classification and listed on the FEI Classification Master List for Dressage or Driving on the FEI website at www.FEI.org. The FEI Master List indicating the individual's Profile, Grade, Status and compensating aids/adaptive equipment. This individual may compete Nationally and in Qualifying trials. To achieve this classification, the individual will need a classification by two FEI Classifiers, at least one from outside of their home country. There is a fee to the FEI for application and renewal for the FEI PE Classification Card. Individuals must request renewals through the National Federation.
9. USEF Classifier - a Physical Therapist or Physician who has been trained and approved by the USEF to classify individuals using the FEI Profile System. A USEF Classifier may classify Para Equestrians up through a National level competition.
10. FEI Classifier - a Physical Therapist or Physician who has been trained and licensed by the FEI to classify Para-Equestrians using the FEI Profile System. An FEI classifier may classify Para-Equestrians through to the International level (i.e. Paralympics and World Games). FEI Classifiers are designated as Trainee, Level 1 or Level 2.
11. USEF Classification Coordinator - the lead USEF Classifier responsible for assisting individuals through the classification process.
12. Dispensation Certificate - The Dispensation Certificate issued by USEF to an individual with a diagnosed permanent physical disability, indicating Compensating Aids/Adaptive equipment approved for use by the individual in USEF licensed competitions. The Certificate will list an individual's Para-Equestrian USEF or FEI Classification Profile, Grade and Status, if these have been assigned. The FEI will indicate FEI approved compensating aids on the FEI Classification Master List for Dressage or Driving on the FEI website at www.fei.org for those individuals who hold an FEI classification. This information is referenced for all FEI qualifying and FEI Para-Equestrian competitions.
