- Note that any riding class not listed as Beginner, WT/J, WT, WJ or 2 Speed (walk trot/jog) or Green Horse WT/J is a three-gate class, except leadline.
- In the interest of fair & balanced competition, the same horse/rider combinations can not compete in both three speed (walk trot/jog canter/lope) classes and two speed (walk trot/jog) classes. For example, the same Horse/Rider combinations cannot show in both equitation walk/trot and equitation walk/trot/canter. The Versatility Challenge is the exception to this rule for youth and amateurs only.
- **Gypsy Champion Halter Classes**

- **Amatuer**

If a competitor places in both an amateur and open class of the same type (for example, Gypsy English Equitation Open and Gypsy English Equitation Amateur) the class with the higher placing will count for show end points. You may *not* earn show end points from both classes.
- **Liberty**

The presentation must be one and a half minutes (1 ½). *Music must be dropped in Show Office upon check in*. Mark CD case with: Class #, Horse Name, Music Track # if applicable. the Announcer/Music Steward. No Cell Phone music or YouTube links will be accepted. The exhibitor (and helper, if applicable) enter the arena with the horse. At the first sound of music, the halter is removed and the horse runs "free" in the arena demonstrating various gaits. The music should be timed to exactly one and half minutes (1 ½). Once the music stops, the exhibitor has exactly two (2) minutes to catch and replace the Bridle or Halter on the horse's head. A helper may assist in the arena but may not catch or touch the horse. Neither the exhibitor nor the helper may touch the horse in any way during the performance. One Whip per exhibitor and helper are allowed. No other props or aids may be used. Bullwhips not allowed. Baiting to catch the horse is not permitted. Liberty is "free will" , the horse is to express/exhibit natural behaviors and gaits that are a true representation of the breed in it's natural state with no outside forces. There should be an effortless communication between human and horse in the ring that demonstrates a cohesive partnership with the horse being a willing follower. the horse is to be judged on movement, showing various gaits in each direction, style, type and quality. Use of entire arena in both directions. Consideration is to be given to how the horse performed during his exhibition. The horse should give the impression that he/she is enjoying their Liberty class time, not that he/she is being forced to perform.

- **Gypsy Get of Sire & Produce of Dam**

The entries consist of 2 offspring from the sire/dam. The sire/dam do not enter the ring. Exception: In an entry with a nursing foal, the dam will be allowed in the show ring. The keyhole shall be in the form of a marked circle 20' in diameter with a throat 4' wide and 10' long. The horse shall cross the start and enter the circle of the keyhole, turn around in either direction entirely within the circle of the keyhole and cross the timing line. The entrant is disqualified if the horse/pony steps on or over the marked keyhole at any point, or if the horse turns around in the throat of the keyhole rather than the circle of the keyhole. If stopwatches are used; there shall be two timers per horse in any and all timed events. Electric timers may be used instead of stop watches. Winner receives half of the entry fees.

- **Trail Challenge**

A unique class that encourages you and your horse to develop a trail partnership based on trust and measure your horsemanship skills. This class will feature more advanced obstacles and challenges than our traditional trail class. There will be one winner in each class. This will be a timed event during which the performance of each equine and rider/handler team will be judged on each obstacle for quality of horsemanship. Judges will award points on a scale of 1-10 for the horse and rider/handler's performance through each obstacle based on the following criteria:

-horsemanship
 -cadence
 -control

-equine's attitude
 -overall execution.

Horses and riders/handlers will be required to complete each obstacle within a given time in order to receive points. If an obstacle is not completed within the given time frame, the contestant will be flagged and must move on to the next obstacle. Times will be translated into points, with the highest overall score winning the class. Any discipline is allowed., Horses may canter in the 3 Speed class but horses who canter more than 3 strides will be disqualified from the 2 Speed class. The 2 Speed class is for horses in the Green, and walk/trot divisions only. The In Hand class is only open to horses that are not entered in any under saddle classes at this show. There is no cross entering between the three classes. \$30 entry.

- **Versatility Challenge**

This is a timed event with judging in Halter, English performance and Western Performance. You will need a team consisting of a handler/rider and 1-2 assistants. Each team will set up all of their tack, attire and necessary equipment (mounting block?), and place it in the center of the ring. The handler will then enter the ring and present the horse in Halter. After halter is completed each team will have 3 minutes to saddle the horse for Western Pleasure. Any rider not in the saddle and on the rail at the end of the 3 minute period will be eliminated. Western Pleasure will be judged going first way (counter-clockwise). After Western Pleasure is completed each team will have 3 minutes to saddle the horse for English Pleasure. Any rider not in the saddle and on the rail at the end of the 3 minute period will be eliminated. English Pleasure will be judged going second way (clockwise). The same rider/handler must be used for the entire challenge. All equipment must be show legal and safe. No missing tack. Chaps over breeches are acceptable. Class rules will be the same as they are in the general classes. Single judged class. This class will have a 100% cash payout, with 50% to first place, 30% to second place and 20% to third place. There will be a 3 Speed class where riders will walk, trot or jog, canter or lope. There will be a 2 Speed class where riders will walk, trot or jog. Amateurs and Youth may enter the 2 Speed class without affecting their division eligibility. No cross entering between 2 Speed and 3 Speed. \$30 entry.

- **Gypsy Pleasure Obstacle Driving**

To be judged on the basis of performance and manners (in motion and at rest). A single horse hitched to a suitable two wheeled cart is the appropriate entry for this class. The harness and vehicle must be safe and in serviceable condition. The judge will dismiss any unsafe entry whether due to equipment or behavior of the animal. Each entry will work individually through an obstacle course designed to test the performance and manners of a good working animal. Judged based on performance at each obstacle and overall manners and gaits. The course shall consist of at least four obstacles such as (A) Back through an obstacle, (B) Walk through a water obstacle or simulated water, (C) Pick up and move coat or slicker or put on and take off, (D) Drive between poles, bales of hay or other obstacles making a narrow passage, (E) Mail Box- Stop, open mail box, remove mail, return mail to box, and close box, (F) Weaving and figure 8, (G) Back up four steps. The pattern will be posted at least one hour before the class is held. If sufficient entries are present, this class may be divided into youth, amateur and open. The judges may impose a time limit or number of refusals before the driver must pass to the next obstacle. It is emphasized that this is an obstacle driving class and that a good entry is one that will provide a pleasant, responsive drive for the driver. The driver should be neatly dressed. Off course will result in elimination from the class.

- **Gypsy Ground Driving Pleasure Obstacle**

This class will be a ground driving in harness class, (GVHS Ground driving in harness responsibilities, attire, turn out, and gaits rules apply) with the same pattern and general rules as the Gypsy Pleasure Obstacle Driving class.
